

## JUNGWON YEO, Ph.D.

School of Public Administration • University of Central Florida  
407-823-5834 • [Jungwon.Yeo@ucf.edu](mailto:Jungwon.Yeo@ucf.edu) • <https://ccie.ucf.edu/profile/jungwon-yeo/>

### EDUCATION

---

**Ph.D. Public and International Affairs**, University of Pittsburgh, 2015

- Dissertation: *Collective action systems in immigration and multiculturalism policy and practice: Complexity and dynamics of inter-organizational networks.*

**Master of Public Administration** (*summa cum laude*), SungKyunKwan University, S. Korea, 2009

**B.A. Management & B.A. Economics** (*magna cum laude*), Handong Global University, S. Korea, 2007

### APPOINTMENTS

---

**Associate Professor** (Tenured), School of Public Administration, University of Central Florida, 2022-

- Responsibilities are included teaching graduate-level courses (2/2 teaching load); maintaining active research agenda and scholarly publications (minimum 2 per year); seeking external/internal research funding; participating in professional, university, college, school, and community-related service.

**Assistant Professor** (Tenure-track), School of Public Administration, University of Central Florida, 2016-2022.

**Postdoctoral Research Associate**, Center for Disaster Management, University of Pittsburgh, Apr-Aug 2015

### ACADEMIC EXPERIENCE

---

- *International Research Fellow*, Center for Risk, Disaster & Crisis Management, Nanjing University, China Sep. 2023
- *Visiting Researcher*, Global Development Institute, Seoul National University, South Korea Aug-Nov 2023
- *Erasmus+ Visiting Professor*, Kaunas University of Technology, Kaunas, Lithuania, Nov 2018
- *Graduate Research Associate*, Center for Disaster Management, University of Pittsburgh, 2010-2013
- *Research Intern*, Korea Development Institute, S. Korea. March-July 2009
- *Visiting Scholar*, Ostrom Workshop, Indiana University, Bloomington, IN, Jan. 2008
- *Intern Coordinator*, Asian Institute of Technology Extension, Thailand, January-March 2009
- *Graduate Research Assistant*, Graduate School of Governance, SungKyunKwan University, 2007-2009

### HONORS, AWARDS, & RECOGNITION

---

- *UCF College of Community Innovation and Education Inaugural Research Fellow*, University of Central Florida 2023-2024
- *Student Paper Award 3<sup>rd</sup> place* (co-author), Section on Korean Public Administration, American Society for Public Administration (ASPA), 2023
- *Recognition of the Affordable Instructional Materials* (AIM) Initiative Division of Digital Learning, University of Central Florida 2023
- *Knights Award*, School of Public Administration, University of Central Florida, 2021
- *Teaching Incentive Program Award*, University of Central Florida, 2021
- *Research Incentive Award*, University of Central Florida, 2021
- *CCIE Essential Activities Fund*, University of Central Florida, 2020
- *Emerald Literati Award*, Outstanding Paper, *Online Information Review* & Emerald Publishing 2019
- *Pi Alpha Alpha*, University of Central Florida Chapter, 2017
- *Research Fellow*, College of Health, and Public Affairs, 2017
- *The IMC Award for #DISC2016 Best Conference Paper*, Daegu Gyeongbuk International Social Network Conference, endorsed by the International Network for Social Network Analysis (INSNA), 2016
- *Notable Paper Award*, Section on Korean Public Administration, American Society for Public Administration (ASPA), 2014

- *Ph.D. Student Honoree*. University of Pittsburgh, 2014
- *Lawrence Cabot Howard Doctoral Research Award*, University of Pittsburgh, 2013
- *Notable Paper Award*, Section on Korean Public Administration, American Society for Public Administration (ASPA), 2012
- *Pre-Dissertation Grant*, Asian Study Center, University of Pittsburgh, 2012

## PUBLICATIONS

---

### Research Foci

- Decision making, behavior, collaboration/coordination across systems, sectors, societies, and communities
- Disaster, crisis, migration, and human security

## RESEARCH FUNDING

---

### Awarded External Research Funding

- *Co-principal-investigator*. SAI: Integrating equity in emergency management: A human-centered decision framework to improve polycentric governance of critical infrastructure in wildland-urban interfaces, National Science Foundation Grant no. 2324616. \$750,000; Co-PI credit \$120,000 (September 2023- August 2026)
- *Co-principal investigator*. Critical Human Security and Public Policy Changes in a Post-Covid World: UK and South Korea. Economic and Social Research Council, United Kingdom (ES/W010739/1). \$ 58,000 (48,000 Pound Sterling). (January 2022-August 2023).
- *International Research Consultant*. International Comparative Studies on Essential (Service) Workers. Ministry of Employment and Labor, S. Korea \$60,938 (70,000,000 KRW); Research Consulting Remuneration \$6,093.8 (July-November 2022). (July-November 2022)
- *Research working group member*. Emergency management and policy analysis in a pandemic, COVID-19 working groups for public health and social sciences research through the National Science Foundation-

funded Social Science Extreme Events Research (SSEER) Network and the CONVERGE facility housed at the Natural Hazards Center Grant no.1841338 (NSF Award) \$ 1,000 (2020)

- *Principal investigator.* What drives interorganizational coordination for immigrant integration? Policy and Institution Research Institute, S. Korea, Research Stipend \$ 2000 (March 2020-March 2021)
- *Principal investigator.* Florida community capacity for protecting undocumented migrants during Hurricane IRMA 2017. Natural Hazard Center Quick Response Grant funded by National Science Foundation Grant no. CMMI1333610 \$1,450. (November 2017-March 2018)
- *Co-principal investigator.* Enhancement of the natural hazard response system in rural communities by benchmarking the U.S.A. hazard response systems. Rural Development Administration, National Institute of Agricultural Science, \$ 135,000; Co-PI credit \$27,000 (September 2016-December 2018)

### **Awarded Internal Research Funding**

- *Principal-investigator.* CCIE RCRG, Research Course Release Grant, College of Community Innovation and Education, University of Central Florida. (Spring 2021 Course release)
- *Fellow.* Inter-subjectivity in refugee integration: adapting native citizen's attitudes toward refugees. College of Health and Public Affairs Research Fellow. \$2,500 (January-December 2017)

### **Research Proposal Under Review**

- *Principal-investigator.* Rhetoric to Integration: Interdisciplinary and intersubjective convergence for ethical, humanistic, community-engaged research, National Science Foundation ER2 program, \$400,000; Credit 50% (Submitted on January 25<sup>th</sup>, 2024)

### **Non-Awarded External Research Funding/Fellowship**

- *Principal-investigator.* Toward Better Public Management: Testing the Smart Mechanism Framework for Improving Street-Level Bureaucratic Accountability Research Report Stipends IBM Center for the Business of Government \$ 20,000 (August 2022)
- *Principal-investigator.* Smart Coproduction: Evidence-based Whole Community Approach to COVID-19 Response in South Korea. (With Jeon, S.H.) Korea Foundation. \$60,838 (August 2021)
- *Co-principal-investigator.* Community Policing and Community Trust: Lessons for Overcoming Barriers, National Institute of Justice. \$513,028 (April 2021).
- *Co-principal-investigator.* A Study of police-citizen relations in major U.S. cities: Community impacts and overcoming the systemic strain, National Science Foundation. \$2,866,090 (January 2021).
- *Principal-investigator.* Keys to community organizations' survival amid pandemic: Local nonprofit/community organizations' resource mobilization during COVID-19 (with Lee, Y-j.), Natural Hazard Center Quick Response Grant funded by National Science Foundation \$2,150 (October 2020)
- *Principal-investigator.* Preparation for post COVID-19 era: Exploring community organizations' preparedness for new normal business operations, (with Huang, X.) UCF SEED funding. \$15,790; PI credit \$9,474 (October 2020)
- *Principal-investigator.* Korea, the global innovation leader: Lessons from data-driven public-private partnership for COVID-19 management in S. Korea. (With Jeon, S.H.) Korea Foundation. \$56,004; PI credit \$33,281 (August 2020)
- *Co-principal investigator.* Equity for excellence in government: Family-friendly polices as system changers to combat the leaky pipeline of female professionals (with Jeon, S. H) IBM Business of Government \$20,000 (April 2020)
- *Principal investigator.* Race, ethnicity and the 2019 novel coronavirus pandemic: Response behaviors of Asian diaspora and others in the U.S. (with & Huang, X.) Natural Hazard Center Quick Response Grant funded by National Science Foundation \$2,000 (March 2020)
- *Principal investigator.* Preparation to 2019 novel corona virus epidemic: Community stakeholders' plans and efforts in Greater Orlando Area (with & Huang, X.) Natural Hazard Center Quick Response Grant funded by National Science Foundation \$2000. (February 2020)
- *Development fellow.* Asia Foundation \$5,000 + Two professional development programs (December 2018)
- *Principal investigator.* Nuclear disaster management system of S. Korea: System structure,

antecedents, effect, and processes in policy & practice, (with & Kapucu, N.) Korea Foundation  
\$164,907 (August 2017)

### **Invited Lecture/Talk & Keynote (26)**

*Star (\*) denotes international invitation.*

- 26 *Invited Talk.* Understanding the Dynamics of Border Security and Its Impact on Emergency Management in Humanitarian Crises. American Society for Public Administration, Section on Emergency and Crisis Management Webinar. (Virtual, March 2024)

- 25 *Invited Lecture*. Synthesis Session for International Visitor Leadership Program (IVLP) for Volunteerism and Civic Action. World Orlando, Bureau of Educational and Cultural Affairs. U.S. Department of State, Orlando, FL (March 2024)
- 24 *Invited Lecture\** Government Policy & Critical Human Security amid Crisis, International Submit Forum on Social Security Frontier, Shanghai University of Engineering Science, Shanghai, China. (Virtual, October 2023)
- 23 *Invited talk\**, Would Technology Adoption Lead to Innovative Mindset in Emergency Management? Lessons from Public Organizations, Nanjing Forum, Nanjing University. Nanjing, China (September 2023)
- 22 *Invited talk\**, Crises and Critical Human Security, Center for Societal Risk and Public Crisis Management Studies, School of Government, Nanjing University. Nanjing, China (September 2023)
- 21 *Invited Lecture\**, “Emergency Management Methods and Approaches #2” School of Public Management, Shanghai University of Engineering and Science, Shanghai, China (September 2023)
- 20 *Invited Lecture\**, “Leading amid Crisis: Conceptual Framework on Ethical-Political Leadership” School of Public Management, Shanghai University of Engineering and Science, Shanghai, China (September 2023)
- 19 *Invited Lecture\**, “Emergency Management Methods and Approaches #1” School of Public Management, Shanghai University of Engineering and Science, Shanghai, China (July 2023)
- 18 *Invited talk*, “Where are you from?” or “Go back to where you came from!”: Results of systemic otherization of Asians in the U.S. World day of Social Justice Lunch and Learn. Reedy Creek Improvement District. Florida (March 2023)
- 17 *Invited talk\**, Social Welfare & Human Security amid Pandemic: Evidence from the American States, Bristol-GSPA Workshop, Critical Human Security and Public Policy Challenges in a Post-Covid World: UK and South Korea (Virtual, September 2022)
- 16 *Keynote\**, A Whole Community Co-production: A sustainable approach to developing crisis resilience: Migration Crisis, Challenges and Possible Solutions. International Conference, Kaunas University of Technology, Lithuania (May 2022)
- 15 *Invited lecture\**, US federal response to COVID-19 and Its implications to S. Korea, National Disaster Management Research Institute, Ministry of Interior and Safety, S. Korea (Virtual, March 2022)
- 14 *Invited lecture\**, A Whole community co-production: The common key to pandemic management around the world. International Submit Forum on Social Security Frontier, Shanghai University of Engineering Science, Shanghai, China. (Virtual, October 2021)
- 13 *Keynote\**, Emergency Preparedness: Multifaceted Approaches. Global Policy Training, Governor’s Association of Korea. Invited and organized by Consulate General of the Republic of Korea in New York (Virtual, October 2021)
- 12 *Invited lecture\**, U.S. Emergency & Crisis Management: Research and Practice. School of Urban and Environmental Engineering, UNIST| Ulsan National Institute of Science and Technology, S. Korea (Virtual, August 2021).
- 11 *Keynote\**, Learning, cognition, & coproduction: Mechanisms behind S. Korea’s pandemic management. Special webinar on COVID-19, Korean Connection & Grand Valley State University, Kent County Health Department, MI, USA. (Virtual, November 2020)
- 10 *Keynote\**, Emergency and crisis management system in the U.S., COVID-19 special webinar series, hosted by Consulate General of Republic of Korea in New York & American Society for Public Administration’s Section of Korean Public Administration (Virtual, April 2020).
- 9 *Invited lecture*, Network methods and tools. Network analysis for public policy and management. UCF SPA graduate seminar. (April 2019).
- 8 *Invited lecture\**, Big data: Trends of public attention to natural disasters during 2016 Louisiana flood. School of Government, Nanjing University. Nanjing, China. (June 2018)
- 7 *Keynote\**, Big data & emergency management. Counterterrorism and governance of emerging crimes in the era of big data. 2018. Police and Science International Forum, Hangzhou, China. (June 2018).
- 6 *Invited lecture\**, Complexity of decision making in emergencies and crises. Yeungnam University. Daegu, S. Korea. (June 2018).
- 5 *Invited lecture\**, Trends of public attention to natural disasters. National Institute of Agricultural Science, Rural Development Administration, S. Korea. (June 2018).

- 4 *Invited lecture \**, Collective action in emergency management and homeland security research, Korea University, S. Korea (June 2017).
- 3 *Invited lecture\**. Disaster resilience in rural community and FL Hurricane Matthew response network, National Institute of Agricultural Science, Rural Development Administration, S. Korea (June 2017).
- 2 *Invited lecture*. Research framework, performance, and directions. UCF SPA international scholars' regular research meeting. (April 2017).
- 1 *Invited lecture*. Observations and reflections of UCF SPA first-year faculty, UCF SPA COPHA Teaching Circle, with Drs. Buckingham, Li, and Myser. (April 2017).

## TEACHING EXPERIENCE

---

### Courses Taught

- PAD 7701: Quantitative Method for Public Administration 1
  - Doctoral level, PhD core course.
  - Modality: In-person
- PAD 6825 Cross Sectoral Governance
  - Graduate-level, MPA/MECM core course
  - Modality: Online – asynchronous
- PAD 6037: Public Organization Management
  - Graduate-level, MPA core course
  - Modality: Online – asynchronous
  - State University System of Florida's Quality Online Course designation (since 2023)
- PAD 6397: Managing Emergencies and Crisis
  - Graduate-level, MECM core course, service-learning course
  - Modality: Online - asynchronous
  - State University System of Florida's High Quality Online Course designation (since 2018)
- PAD 6399: Foundations of Emergency Management & Homeland Security
  - Graduate-level, MECM core course
  - Modality: Traditional face to face
- PAD 6958: Governance Field Study: Metropolitan Governance in Seoul
  - Graduate-level, MPA study abroad course
  - Modality: Traditional in-person & field visit in Seoul S. Korea
- PAD 6701: Analytical Techniques for Public Administration (introduction to statistics)
  - Graduate-level research course, MPA & NMN core course
  - Modality: Traditional, hybrid, & online- synchronous & asynchronous
  - State University System of Florida's Quality Online Course designation (since 2019)
- PAD 6700: Research Methods for Public Administration (research design)
  - Graduate-level research course, MPA & NMN core course
  - Modality: Hybrid, & online - asynchronous
  - State University System of Florida's Quality Online Course designation (since 2018)

### Teaching Enhancement Activities

- UCF faculty center for teaching and learning
  - Teaching and learning day: Using AI as a Faculty Member, All the World's a Stage: The Art of Teaching as Performance?, Doodles in the Discourse: Drawing Your Way through a Writing Assignment (Spring, 2024), Flipped Classroom Management: Tips & Hacks, Integration Meditation into the Higher Education Classroom, & Working with Distressed Students (Fall, 2023) Science of memory (Virtual, 2022), Student engagement challenge (Virtual, 2022), The basics and beyond of service learning (Virtual, 2021), Academic dishonesty in online environments (Virtual, 2020), course transparency & inclusive classroom (2019), Course transparency (2018)
  - Summer faculty development conference: Diversity track (2019), Service-learning track (2018), Personalized-learning track (2017)

- Quality enhancement project workshop series: What is next? Student professionalism (2017), What is next? Research intensive courses (2017)
- UCF center for distributed learning
  - Inclusive online learning (2019), Active learning across modalities: Techniques for fostering active learning in online courses (2019), Setting the stage: designing for quality online learning experiences (2018), Extending the efficacy of the learning management system: Integrating tools to enhance learning online (2018), Extending the efficacy of the learning management system: Integrating tools to enhance learning (2017), Personalizing the learning experience: Integrating adaptive elements in online courses (2017), Online teaching workshop: Personalizing the learning experience: Integrating adaptive elements in online courses (2016)
- UCF school of public administration
  - Teaching circle series (2018, 2017, 2016, 2023)
- Sunshine state teaching and learning conference.
  - Integrative learning track (2017)

## Doctoral Dissertation

### *Committee Member*

- Pysmenna, O., (2023). Collaborative capacity for effective nonprofit organizational networks serving for the people impacted by humanitarian crisis: The evidence from the military conflict zone in Ukraine (Ph.D. in Public Affairs – Public Administration, University of Central Florida). Chair: Dr. Naim Kapucu
- Aguguo-Orelus, S., (Ph.D. in Public Affairs – Public Administration, University of Central Florida). Chair: Dr. Staci Zavattaro

## SERVICE

---

### Professional Service

#### *Journal editor*

- *Associate editor, Social and Behavioral Science, Natural Hazards Review* (2018-current)
- *Editorial board, Journal of Contemporary Eastern Asia* (2017-current)

#### *National association section leadership*

- *Executive board member, Section on International and Comparative Administration, American Society for Public Administration* (2021- current)
- *Executive board member, Section on Emergency and Crisis Management, American Society for Public Administration* (2017- current)
- *SICA's Occasional Paper Series Advisory Committee, Section on International and Comparative Administration, American Society for Public Administration* (2024- current)
- *SICA's 50<sup>th</sup> Anniversary Organizing Committee, Section on International and Comparative Administration, American Society for Public Administration* (2023- 2024)
- *SICA's Riggs Symposium Organizing Committee, Section on International and Comparative Administration, American Society for Public Administration* (2021- current)
- *SICA's Garcia Zamora Best Paper Award Committee, Section on International and Comparative Administration, American Society for Public Administration* (2021- current)
- *Data Sharing and Management Committee, Section on Emergency and Crisis Management, American Society for Public Administration*(2021-current)

- *Ethics Council member*, Korean Nonprofit and Philanthropy Researchers' Network, Association of Research on Nonprofit and Voluntary Action (March-November 2021)
- *Membership chair*, Section on Emergency and Crisis Management, American Society for Public Administration (2017-2022)

#### *Conference panel convener/ chair*

- *Chair*, Association for Research on Nonprofit Organizations and Voluntary Action (2023)
- *Chair*, American Society for Public Administration (2018, 2019, 2020, 2022, 2023)
- *Chair*, Public Administration Research Conference, School of Public Administration, UCF (2021)
- *Convener*, American Society for Public Administration (2018, 2019, 2020)

#### *International & National conference/symposium, organization/award committee*

- *SKPA Best Paper Award Committee*, Section on Korean Public Administration, American Society for Public Administration (2024)
- *SICA's Jeanne Marie Col Leadership Award Selection Committee*, Section on International and Comparative Administration, American Society for Public Administration (2024)
- *Scholarship of Teaching and Learning Award Committee*, Federal Emergency Management Agency Higher Education Symposium (2021)
- *Conference Organizing Committee*, International Conference on Crisis and Emergency Management, S. Korea (2017)

#### *Manuscript referee*

- *American Review of Public Administration (2016), Public Administration Review (2022, 2020, 2018), Public Administration (2022), Public Management Review (2024, 2023, 2022), Public Performance & Management Review (2023, 2021), Public Administration Quarterly (2021, 2020), International Journal of Public Administration (2022), International Journal of Public Sector Management (2023, 2024), International Review of Public Administration (2022, 2021), Journal of Public and Nonprofit Affairs (2022), Transforming Government: People, Process, and Policy (2020), Policy Studies Journal (2017), Policy Science (2017, 2016), Urban Affairs Review (2018), Journal of Policy Studies (2022), Asian Journal of Political Science (2021), Nonprofit Policy Forum (2022), Natural Hazards Review (2020, 2019, 2018), International Journal of Disaster Risk Reduction (2024, 2023, 2022, 2019, 2017), Safety Science (2019, 2018), Climate Risk Management (2023), Journal of Emergency Management (2018), Human Organization (2017), Quality & Quantity (2021, 2017), International Journal of Electronic Governance (2016), ASPA's SICA Occasional Paper Series (2022, 2021), FEMA Higher-Ed Symposium (2022)*

## **University Service**

### *University*

- *UCF Faculty Senate Alternate* (School of Public Administration, Elected. (2022-current)
- *Expert reviewer* for work submitted by faculty colleagues in UCF's inaugural offering of Essentials of Online Teaching, faculty professional development course, Center for Distributed Learning (2020)
- *Member*, Resilience Cluster initiative: Disaster resilient communities in metropolitan areas (2017)
- *Member*, UCF campus emergency response team (2017-current)

### *College*

- *Chair*, CCIE Staff Award committee (2022)
- *Member*, Public Affairs PhD Program Associate Faculty & Admission Committee (2021- current)
- *Member*, College Faculty council (2020-2022)
- *Member*, Public Administration Ph.D. program planning committee (2020)

### *School*

- *Chair*, SPA research fellowship development committee (2023)
- *MPA curriculum review taskforce* (2023- current)
- *Advisory council*, Center for public & nonprofit management (2018- current)
- *Master of Emergency and Crises Management Curriculum and Core Competencies Task Committee*

- Public administration PhD program committee (2019-current)
- In-house Ph.D. program pre-proposal task committee (2018)
- Emergency, and crisis management program development taskforce (2018)
- Emergency management homeland security program advisory board member (2016-current)
- *Student Mentoring/Reference:*
  - *PhD students:* Bikash Adhikari (Current), Kathryn Hickey (Current), Chelcee Pangerl (Current), Kyungmin Lee (Current), Hanvit Kim (Current), Olga Pysmenna (2023), Brie Haupt (2018)
  - *Master students:* Abdullah Almaneea (2021), Stephen McDonald (2017), Oban cooper (2020), Jordan Dewitt (2021), Matara Francis (2021), Sasha Jauregui (2018), Priya Patel (2018)
- *International visiting scholar supervising:* Zhaomin Meng, Associate Professor, Shanghai University of Science and Engineering, China (2023-2024), Jibum Chung, Professor, Ulsan National Institute of Science and Technology, S. Korea (2023-2024), Janghwan Park, Coast guard, S. Korea (2021-2023), Shiliang Wang, Associate Professor, Qinghai University, China (2020-2021), Cheolhoi Kim, Professor, Hannam University, S. Korea (2019-2020), Hyundo Hong, Coast guard, S. Korea (2017-2019)

## PROFESSIONAL DEVELOPMENT
