Education

- 2015 Ph.D., Geography, University of South Carolina
Dissertation: *The Meaning of Place Recovery on the Mississippi Coast*
Committee: Susan L. Cutter (Advisor), Amy Mills, Sarah Battersby, Lynn Weber
- 2010 M.A., Geography (Urban-Regional Analysis), University of North Carolina at Charlotte
Thesis: *From Devastation to Destination: An Analysis of Post-Hurricane Tourism Recovery in the U.S. Southeast*
Committee: Walter E. Martin (Advisor), Bill Graves, Sallie Ives
- 2007 B.S., Meteorology with university honors, University of South Alabama
Minors: Geography, Math, Spanish
Honors Thesis: *Determining the Effectiveness of Measured and Derived Tropical Cyclone Parameters in Predicting Coastal Damage*
Committee: Keith Blackwell (Advisor), Sytske Kimball, Mimi Fearn, Bob Coleman
- 2007 Study Abroad, Summer Semester at La Escuela para Estudiantes Extranjeros, Universidad Veracruzana, Xalapa, Vera Cruz, Mexico

Appointments

- 2021- Associate Professor, University of North Texas
- 2015-2021 Assistant Professor, University of North Texas
- 2012-2015 Graduate Instructor of Record, University of South Carolina
- 2010-2015 Research Associate, Hazards and Vulnerability Research Institute, University of South Carolina
- 2008-2010 Graduate Teaching Assistant, University of North Carolina at Charlotte
- 2006-2007 Supplemental Instructor, University of South Alabama

Training & Certification

- 2019 FEMA Emergency Management Institute, National Emergency Training Center
E0313 – Basic Hazus
- 2012 FEMA Emergency Management Institute Online Training
IS 100 – Introduction to the Incident Command System (ICS)
IS 200 – ICS for Single Resources and Initial Action Incidents
IS 700 – National Incident Management System, An Introduction
IS 775 – EOC Management and Operations
IS 800 – National Response Framework, An Introduction
- 2002-2020 Licensed Tour Guide, City of New Orleans, LA

Synergistic Activity

- | | |
|--------------|--|
| 2020 | Student Research Supervisor / University Liaison. COVID-19 Response: Catholic Charities of Fort Worth. Supervised student design and implementation of a web mapping tool to locate food pantry and distribution sites in Tarrant County, Texas. The tool will be used internally by case managers to serve clients with food needs during the COVID-19 Response. |
| 2017-Present | Research Collaborator. SESYNC Pursuit: Linked socio-environmental responses to destructive wildfire: Are wildfires 'hot moments' for transformative adaptation? Contributing expertise in natural hazards, vulnerability, and community recovery to interdisciplinary research examining post-wildfire adaptation of the built environment. Research is supported by the National Socio-Environmental Synthesis Center (SESYNC). |
| 2017-2018 | LEAP Texas Signature Assignment Institute. Participated in multi-day pedagogical workshop to align core assignments with state rubrics in an undergraduate Social Vulnerability in Disasters course. Collaborating with workshop organizers to monitor student performance long-term in response to curriculum redesign. |
| 2017 | Qualitative Methods Consultant. NSF CRISP, Type 2, Collaborative Research: Critical Transitions in the Resilience and Recovery of Interdependent Social and Physical Networks: Post-Hurricane Sandy in New Jersey. Developed qualitative, participatory methodology and conducted focus group workshops sessions with recovering residents along the New Jersey shore. |
| 2016-2017 | Research Consultant. AmeriCorps VISTA Program: Catholic Charities of Fort Worth. Conducted community vulnerability analysis and provided research methods consultation for program implementation focused on poverty alleviation and disaster resilience among limited English proficiency populations in Tarrant and Denton Counties, Texas. Incorporated service learning component into social vulnerability course at UNT. |
| 2011 | Field Guide. Increasing National Resilience to Hazards and Disasters: National Research Council, Committee on Science, Engineering, & Public Policy, and Disasters Roundtable. Planned field visit and served as local guide on the Mississippi Coast in conjunction with the committee's Gulf Coast workshop. |

- 2017 Quick Response Grant, “The Evolution of Gathering Places During Response and Recovery Following Hurricane Harvey,” University of Colorado Natural Hazards Center (**\$1,625, funded**).
- 2017 Gilbert F. White Dissertation Award, “The Meaning of Place Recovery on the Mississippi Coast.” *American Association of Geographers Annual Meeting*, Boston, MA (\$250).
- 2014-2016 Planning & Project Grants, “UnMapping Rosedale,” North Carolina Humanities Council (**\$2,750, funded**).
- 2014 John Fraser Hart Best PhD Paper Award, “Commemoration versus Betterment: Geographies of Memory in Long-Term Disaster Recovery.” *Southeastern Division of the Association of American Geographers (SEDAAG) Annual Meeting*, Athens, GA (\$1,000).
- 2013-2015 Doctoral Dissertation Research Improvement (DDRI) Grant, National Science Foundation (**\$13,032, funded**).

Courses Taught

Exploring Disasters (EADP 1010)	Instructor of Record – UNT
Principles of (Introduction to) Emergency Management (EADP 3010)	Instructor of Record – UNT
Hazard Mitigation and Preparedness (EADP 3035)	Instructor of Record – UNT
Social Vulnerability (Special Populations) in Disasters (EADP 4050)	Instructor of Record – UNT
Critical Geography and Vulnerability (EADP 4900: undergraduate independent study)	Instructor of Record – UNT

Community Recovery & Resilience (EMDS 5640: graduate level)	Instructor of Record – UNT
Spatial Applications in Disaster Science (EMDS 5800: graduate level)	Instructor of Record – UNT
Wildfire Social Science and Mitigation (ANTH 5900: graduate directed readings)	Instructor of Record – UNT
Introduction to Geography (GEOG 103: large lecture)	Instructor of Record – U of SC
Introduction to Earth Science Lab (ESCI 1101)	Instructor / Teaching Fellow – UNCC
Dynamic Meteorology	Supplemental Instructor – USA
Introduction to Meteorology & Climatology	Teaching Assistant – USA
Landscape Processes (Physical Geography)	Teaching Assistant – USA
Meteorological Instrumentation	Teaching Assistant – USA

Non-Credit Instruction

2020	Guest Lecture, GEO 160: Physical Geography, Missouri Western State University.
2020	Guest Lecture, HIS 396: African American History, Missouri Western State University.
2018	Guest Lecture, EVR 4870/5435: Urban Planning, University of West Florida.
2018	Guest Lecture, MPDM 670: Socio-Cultural Dimensions of Emergency Management, Georgetown University.
2017	Guest Lecture, POLS 6013: Qualitative Methods for Fire and Emergency Managers, Oklahoma State University.

Advising

2021-Present	Salvesila Tamima, Master's Thesis Committee Member, Emergency Management & Disaster Science
2020-Present	Cara Caruolo, Master's Project Committee Member, Applied Anthropology
