

Margaret (Maggie) Sugg

Department of Geography and Planning
Appalachian State University
Rankin Science West 359, Boone, NC 28608
Email: kovachmm@appstate.edu

PROFESSIONAL PREPARATION

Ph.D., 2015 Geography, University of North Carolina at Chapel Hill

MA, 2011 Geography, University of North Carolina at Chapel Hill

BS, 2008 Biology, Minors: Chemistry, Geography, University of North Carolina at Chapel Hill

APPOINTMENTS

- 2021-present **Associate Professor**, Department of Geography and Planning, Appalachian State University, Boone, North Carolina
- 2015-2021 **Assistant Professor**, Department of Geography and Planning, Appalachian State University, Boone, North Carolina
- 2014–2015 **Science to Achieve Results Fellow (STAR)** for Graduate Environmental Study in Public Health, Environmental Protection Agency
- 2009–2014 **Graduate Research Associate**, Southeast Regional Climate Center, University of North Carolina at Chapel Hill
- 2013–2014 **Graduate Research Assistant**, Carolinas Integrated Sciences and Assessments (CISA), University of South Carolina
- 2013–2014 **Teaching Fellow**, Department of Geography, University of North Carolina
- 2012 **Graduate Research Consultant**, University of North Carolina at Chapel Hill
- 2012 **Geographic Information System Assistant**, University of North Carolina
- 2010–2011 **Teaching Assistant**, Department of Geography, University of North Carolina
- 2009 **Climate-Human Health Internship**, National Oceanic and Atmospheric Administration's National Climatic Data Center
- 2007–2008 **Laboratory Technician**, Department of Psychology, University of North Carolina at Chapel Hill

AWARDS and HONORS

CAREER Award, Faculty Early Career Development Program, National Science Foundation (2021-2026)

100 Scholar Award, Cratis D. Williams School of Graduate Studies, Appalachian State University (2025-2026)

Academy of Outstanding Mentors, Cratis D. Williams School of Graduate Studies, Appalachian State University (2025-2026)

Invited Distinguished Lecture Speaker, Directorate for Social, Behavioral, and Economic Sciences (SBE), National Science Foundation (2024)

Emerging Scholar Award, Health and Medical Geography Specialty Group (HMGS), Association of American Geographers (2023-2024)

Distinguished Graduate Faculty Award, Cratis D. Williams School of Graduate Studies, Appalachian State University (2022-2023)

Provost Award, Provost's Award for Excellence in Research, Scholarship and Creative Activity, Appalachian State University (2022)

Invited Panelist, National Academy of Sciences, The Interplay Between Environmental Exposures and Mental Health Outcomes (2021)

Invited Panelist, Howard Hughes Medical Institute, Department of Science Education's Connected Coastlines (2021)

William C. Strickland Outstanding Junior Faculty Award, College of Arts and Sciences, Appalachian State University (2019)

Undergraduate Research Mentorship Excellence Award, Office of Student Research, Appalachian State University (2019)

EPA Science to Achieve Results (STAR) Fellowship Award in Public Health, Environmental Protection Agency (2015)

Climate Specialty Group Student Paper Competition, 1st place, Association of American Geographers, Chicago, IL, (2015)

Graduate Education Advancement Board Impact Award, University of North Carolina at Chapel Hill Graduate School, (2015)

Innovative Use of Geographic Information Systems, 2nd place, University of North Carolina at Chapel Hill, (2014)

Graduate Student Mentoring Award, University of North Carolina at Chapel Hill, Office of Undergraduate Research (2014)

Best Student Poster Presentation, 65th Annual Meeting of the Southeastern Division of the AAG. Birmingham, AL., (2010)

PEER-REVIEWED PUBLICATIONS (*indicates student publication)

111 – peer-reviewed publications;

3 – peer-reviewed publications under review;

0 – peer-reviewed publications submitted

114 peer-reviewed publications

1. Ryan, S.C.*, Bengchi-Sen, S., Karp, D., Thompson, M.T., Runkle, J.D., and **Sugg, M.M.** (2026). Risk of substance use emergency department visits among young people: Effect modification by neighborhood context and COVID-19. *Journal of Community Psychology* (Revise and Resubmit).
2. Ryan, S.C.*, **Sugg, M.M.**, Hefner, M., and Runkle, J.D. (2026). Warm season nighttime air temperature exposure and heat-related illness risk: A small area distributed lag non-linear approach in North Carolina, USA. *Population and Environment*. (Revise and Resubmit).

Summer Stipend for Writing A Grant (SWAG) Competition, “A Place-Based Approach to Temperature and Mental Health: Decoupling Social and Environmental Exposures of Mental Health and Well-Being,” Office of Research, Appalachian State University, **\$3500** (2019).

Graduate Research Associate Mentor (GRAM) Program Award, “Southern Appalachian Mountain Vulnerability and Resilience,” Cratis D. Williams School of Graduate Students, Appalachian State University, **\$24,000** (2018 –2020). [Co-PIs: Dr. Elizabeth Shay, Dr. Kara Dempsey]

University Research Council Grant, “Exposure to Thermal Extremes and Seasonal Trends in Hypertensive Complications during Pregnancy: A Retrospective Study of Women in North Carolina,” Office of Research, Appalachian State University, **\$4997.85** (2017 –2018). [Co PI: Dr. Jennifer Runkle]

Undergraduate Research Assistantship Awards, “Using wearable sensor technology to quantify the health effects of cold work environments: A Participatory Sensing Study,” Office of Student Research, Appalachian State University, **\$1,000** (Summer 2018).

Communication Grants, “Vulnerability and Resilience in the Southern Appalachian Mountains,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$3,000** (Summer 2018).

Faculty Reassigned Time Pilot Program, Office of Research, Appalachian State University, **\$3,000** (2018).

Undergraduate Research Assistantship Awards, “Using wearable sensor technology to quantify the health effects of cold work environments: A Participatory Sensing Study,” Office of Student Research, Appalachian State University, **\$1,000** (Spring 2018).

Conducting Complex Research Together (CONCERT) Grants, “Vulnerability and Resilience in the Southern Appalachian Mountains,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$5,000** (2018).

Sustaining Collaborative Opportunities for Research & Education (SCORE) Community of Practice Planning Awards, “Hazard Vulnerability Assessment for Nursing Home and Long-Term Care Facilities in the Southeastern US,” Appalachian State University’s College of Arts and Sciences, **\$999.00** (2017).

Graduate Research Associate Mentor (GRAM) Program Award, “Hazard Vulnerability Assessment for Nursing Home and Long-Term Care Facilities in the Southeastern US,” Cratis D. Williams School of Graduate Students, Appalachian State University, **\$24,000** (2018 –2020). [Lead PI: Dr. Sandi Lane]

Summer Support, “Hazard Vulnerability Assessment for Nursing Home and Long-Term Care Facilities in the Southeastern US,” Beaver College of Health Sciences, Appalachian State University, **\$5,000** (2017-2018). [Lead PI: Dr. Sandi Lane]

University Research Council Grant, “Hazard Vulnerability Assessment for Nursing Homes in the Southeastern US,” Office of Research, Appalachian State University, **\$3686.04** (2017 –2018). [Lead PI: Dr. Sandi Lane]

Summer Grant, “Continuous Monitoring of Individual Exposure in Thermal Extreme Environments,” Appalachian State University’s College of Arts and Sciences, **\$2500** (2017).

Undergraduate Research Assistantship Awards, “Pregnancy Health and Environmental Monitoring in a Rural Mountain Environment,” Office of Student Research, Appalachian State University, **\$1,000** (2017).

Student and Faculty Excellence Fund (SAFE), “Examining Relationships between Mental Stress and Climatic Extremes,” Appalachian State University’s College of Arts and Sciences, **\$2550** (2017).

Student and Faculty Excellence Fund (SAFE), “Pregnancy Health and Environmental Monitoring in a Rural Mountain Environment,” Appalachian State University’s College of Arts and Sciences, **\$650** (2017).

Conducting Complex Research Together (CONCERT) Grants, “Vulnerability and Resilience in the Southern Appalachian Mountains,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$4,916** (2017).

Undergraduate Research Assistantship Awards, “Individual Experienced Temperature among Ground Workers at Three Geographic Locations,” Office of Student Research, Appalachian State University, **\$1,000** (2016).

University Research Council Grant, “Personal Monitoring of Occupational Heat Exposure: An Environmental Participatory Sensing Study,” Office of Research, Appalachian State University, **\$3,394** (2016 –2017).

Graduate Research Associate Mentor (GRAM) Program Award, “Identifying Climate Vulnerability and Community Resilience in the Southern Appalachian Mountains,” Cratis D. Williams School of Graduate Students, Appalachian State University, **\$24,000** (2016 –2018).

Conducting Complex Research Together (CONCERT) Grants, “Vulnerability and Resilience in the Southern Appalachian Mountains,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$5,000** (2016).

Faculty Reassigned Time Pilot Program, Office of Research, Appalachian State University, **\$3,400** (2016).

Dissertation Completion Fellowship, “Climate Thresholds for Heat-Related Illness in North Carolina,” University of North Carolina at Chapel Hill Graduate School, **\$16,000** (2015). [Declined for EPA STAR fellowship]

Douglas Eyre Travel Grant, Department of Geography, University of North Carolina at Chapel Hill, **\$1,000** (2010-2011).

Burgess McSwain Travel Award, University of North Carolina at Chapel Hill, **\$1,000** (2008).

MENTORING

Graduate Mentoring Experience (Appalachian State University) - Main Advisor

- 2024-2025**, Bella Van De Bloom, *Master's Thesis*, Department of and Planning, Temporal Trends and Thematic Patterns in Violence Risk Assessment Narratives During Multi-Hazard Disasters: A Mixed-Methods Analysis of Crisis Helpline Data
- 2024-2025**, Caleb Blackburn, *Master's Thesis*, Department of Geography and Planning, Compounding Climate Events and Tropical Cyclones in the US
- 2023-2025**, Caroline Fehlman, *Master's Thesis*, Department of Geography and Planning, Maternal Healthcare Access Disparities in North Carolina, 2016-2019: A Fine-Scale Geospatial Analysis
- 2022-2024**, Sarah Ulrich, *Master's Thesis*, Department of Geography and Planning, A Matched Analysis of Maternal Outcomes and Heatwaves.
- 2023-2024**, Kristen Lynse, *Master's Thesis*, Department of Geography and Planning, A Spatial Analytic Approach to Maternal Health and Birth Outcomes Following Hurricane Florence (2018).
- 2021-2023**, Sophie Ryan, *Master's Thesis*, Department of Geography and Planning, Greenspace and Adolescent Mental Health: Exploration of Greenspace metrics and Socio-demographic Effect modifiers
- 2021-2023**, Luke Wertis, *Master's Thesis*, Department of Geography and Planning, Extreme Heat and heat-health-related outcomes: A Machine Learning Approach
- 2021-2023**, Taylin Spurlock, *Master's Thesis*, Department of Geography and Planning, Maternal Impacts of Hurricane Irene
- 2021-2022**, Tyler Minor, *Master's Thesis*, Department of Geography and Planning, Examining the Mental health and temperature connection in North Carolina
- 2019-2021**, Leah Handwerger, *Master's Thesis*, Department of Geography and Planning, An Assessment of Social and Physical Vulnerability to Hydroclimate Extremes in Appalachia
- 2019-2021**, Camila Moreno, *Master's Thesis*, Department of Geography and Planning, Patterns of Drought using Self-Organizing Maps
- 2019-2020**, Stella Harden, *Master's Thesis*, Department of Geography and Planning, A Spatiotemporal Analysis of Severe Maternal Morbidity.
- 2018-2019**, Matthew Wilson, *Master's Thesis*, Department of Geography and Planning, Internal and External Validation of Vulnerability Indices: A Case Study of the Multivariate Nursing Home Vulnerability Index
- 2017-2019**, Elizabeth Bailey, *Master's Thesis*, Department of Geography and Planning, Wearable Sensors for Personal Temperature Exposure Assessments: A Comparative Study
- 2017-2018**, Lauren Andersen, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: An Assessment of Wildfire Vulnerability in Western North Carolina
- 2016-2018**, Laura Thompson, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: Adolescents in Crisis: A Spatial Exploration of Mental Distress Using Data from Crisis Text Line
- 2015-2017**, Will Stine, *Master's Internship*, Providing Geographic Support for the Population Division, United States Census Bureau
- 2015-2017**, Garry Raynor, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: Visualizations of Methandienone across North Carolina
- 2015-2016**, Hayley Thompson, *Master's Internship*, Department of Geography and Planning, Appalachian State University. Title: Utilizing Geographic Information Systems to Digitize and Preserve the Legacy Maps of Dr. Douglas W. Rankin
- 2015-2016**, Anna Ross, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: Recreational Heat-Related Illness: Heat Exposure Outside the Work Week (Main Advisor)

Master Student Committee Member (ASU)

2024-2025, Analee Monrreal (Thesis)

2023-2024, Quinn Rundgren (Thesis)
2021-2022, Harrison Brown (Thesis)
2018-2020, Alex O'Neill (Thesis)
2019-2020, Tatiana Magee
2018-2019, Tania Ita Vagas (Thesis)
2017-2018, Joshua Piercy (Thesis)
2017-2018, Frances Tucker
2016-2018, Zach Osborne
2016-2018, David Vines (Thesis)
2015-2016, Brielle Davidson
2015-2016, James Honeycutt

Undergraduate Mentoring Experience (ASU) - Main Advisor

2025-2025, Olivia Caldwell, *Undergraduate Research Assistant*
2025-2026, Owen Watkins, *Undergraduate Research Assistant*
2024-2025, Quinn Keefer, *Undergraduate Research Assistant*
2024-2025, Ian Berry, *Undergraduate Research Assistant*
2022-2024, Chris Lucreo, *Undergraduate Research Assistant*
2023-2024, Arden McKee, *Undergraduate Research Assistant*
2023-2024, Emma Getz, *Undergraduate Research Assistant*
2023-2024, Ashley Mallare, *Undergraduate Research Assistant*
2023-2024, Ian Berry, *Undergraduate Research Assistant*
2023-2024, Amanda Halbert, *Undergraduate Research Assistant*
2023-2024, Abbey Rankins, *Undergraduate Research Assistant*
2020-2021, Sarah Hajnos, *Undergraduate Research Assistant*
2019-2020, Jessica Mitchell, *Undergraduate Research Assistant*
2019-2020, Sarah Woolard, *Undergraduate Research Assistant*
2017-2018, Matt Wilson, *Undergraduate Research Assistant*
2017-2018, Kimberly Nelson, *Undergraduate Research Assistant*
2016-2017, Danielle Boase, *Undergraduate Thesis*, Honors College

Student Awards

Owen Watkins (2025) - Best Poster Award, Appalachian Teaching and Research Network (ATRN) Conference,
Caleb Blackburn (2025) - NC ArcGIS Scholarship, \$3000
Quinn Keefer (2025) - Best Poster at Appalachian State University's Research Day (Undergraduate Student)
Caroline Fehlman (2025) - Best Poster at Appalachian State University's Research Day (Graduate Student)
Caroline Fehlman (2025) - Zigli Award, Appalachian State University
Kristen Lynse (2024) - Cratis Honors Society, Appalachian State University
Kristen Lynse (2024) - Best Poster at Appalachian State University's Research Day (Graduate Student)
Chris Lucreo (2024) - NC G. Herbert Stout Student Award in GIS
Chris Lucreo (2024) - Best Poster at Appalachian State University's Research Day (Undergraduate Student)
Sarah Ulrich (2024) - Domer Research Award, \$500.
Sarah Ulrich (2024) - NC ArcGIS Scholarship, \$3000
Sarah Ulrich (2024)- SEDAAG Honors Competition Finalist
Sophie Ryan (2024) - Outstanding Thesis Award in Science and Technology category, \$500.
Sophie Ryan (2023) - Domer Research Award, \$500.

Sophie Ryan (2023) - Best Poster at Appalachian State University's Research Day (Graduate Student)
 Taylin Spurlock (2022) - Best Poster at ASU's Energy Summit
 Sophie Ryan (2022) - National Science Foundation's Research Experience for Graduate Students (REG), \$6000
 Luke Wertis (2022) - Best Poster at Appalachian State University's Research Day (Graduate Student)
 Sophie Ryan (2022) - AAG-GTU Travel Award, \$200.
 Sophie Ryan (2022) - Graduate Student Government Association {GSGA} travel award, \$500.
 Sophie Ryan (2021) - SAFE Grant, \$400.
 Stella Harden (2021) - Outstanding Thesis Award in the Social Science/Education category, \$500.
 Camila Moreno (2020) - SAFE Grant, \$350.
 Stella Harden (2020) - Cratis D. Williams Society Honor Society.
 Stella Harden (2020) - Graduate Student Government Association Travel Award, \$350.
 Stella Harden (2019) - Student and Faculty Excellence Fund, \$300.
 Sarah Woolard (2019) - Student and Faculty Excellence Fund, \$300.
 Matthew Wilson (2019) - Zigli Research Award, \$500.
 Elizabeth Bailey (2019) - Graduate Student Government Association Travel Award, \$500.
 Matthew Wilson (2019) – NC G. Herbert Stout Student Award in GIS
 Elizabeth Bailey (2018)- SEDAAG Honors Competition Finalist
 Matthew Wilson (2018)- SEDAAG Honors Competition Finalist
 Matthew Wilson (2018) - Southern Gerontology Society (SGS) student poster competition – 1st place
 Lauren Andersen (2018) - Cratis Williams Society of Graduate Students
 Lauren Andersen (2018) - Best Poster at Appalachian State University's Research Day (Graduate Student)
 Laura Thompson (2018) - Zigli Research Award, \$300.
 Lauren Andersen (2018) - AAG-GTU Travel Award, \$200.
 Lauren Andersen (2017) - Student and Faculty Excellence Fund, \$500.
 Laura Thompson (2017) - Student and Faculty Excellence Fund, \$300.
 Lauren Andersen (2017) - NC G. Herbert Stout Student Award in GIS
 Garry Raynor (2017) - NC G. Herbert Stout Student Award in GIS
 Laura Thompson (2016) - SEDAAG Honors Competition Finalist

TEACHING

GHY4830: **Professional Development in Geography and Planning** (2026)
 GHY2050: **Climate Disasters and Public Health** (2026)
 GHY3005: **Global Health and Disease** (2021-present)
 GHY5025: **Climate and Society** (2015-2023)
 GHY3812: **Geographic Information Systems** (2015-2021)
 GHY4005: **Geography of Health and Disease** (2015-2021)
 GHY5150: **Seminar in GIScience** (2017-2019)
 GHY5800: **Advanced Quantitative Methods** (2017-present)
 GHY5800: **Advanced Quantitative and Qualitative Methods** (2015-2016)
 GHY5025: **Climate and Society** (2017-2020)
 HON4010: **Senior Honors Thesis and Project** (as needed)
 GHY 5550: **Independent Study** (as needed)
 GHY 4900/5900: **Internship in Geography** (as needed)
 GHY 5998: **Thesis Preparation** (as needed)
 GHY 5999: **Thesis** (as needed)

GEOG111: **Weather and Climate** (at UNC-Chapel Hill)

PRODUCT DEVELOPMENT and APPLIED RESEARCH TOOLS

2014-2020: Southeast Regional Climate Center's North Carolina Heat-Health Vulnerability Web Prediction Tool.
Available at: <https://www.sercc.com/hhvt/> [no longer in use]

2011 - 2015 Southeast Regional Climate Center's North Carolina Disease Event Tracking and Epidemiological Collection Tool. Available at: https://www.sercc.com/nc_detect/ (*restricted access to public health researchers due to limitations of NC-DETECT data use agreement*) [no longer in use]

DEPARTMENTAL and UNIVERSITY SERVICE

2022-Present, Honor's Director, Department of Geography and Planning, ASU

2022-Present, APT Committee, ASU

2024-Present, Faculty Senate Awards Committee, ASU

2024 - 2025, APT Committee Chair, Department of Geography and Planning ASU

2024 - 2025, Graduate Student Awards Committee Cratis D. Williams School of Graduate School, ASU

2024 - RIEEE Search Committee for Research Scientist ASU

2023-2024, Committee Member - Cratis D. Williams School of Graduate School, ASU

2023, Committee Member - GIS Search Committee, Department of Geography and Planning

2022-2024, Judge, Health and Medical Specialty Group, American Association of Geographers

2022, Judge, Office of Student Research, ASU

2020-2021, Chair, Junior Strickland Awards Committee, ASU

2021-2022, Committee Member - Department Rural Resilience Chair Search, ASU

2016 - 2024, Committee Member - Graduate Student Committee, ASU

2015 - 2024, Committee Member - GIS Curriculum Committee, ASU

2017 - 2020, Committee Member - Departmental Personnel Committee, ASU

2017 - 2020, Committee Member - Masters Comprehensive Exam Committee, ASU

2017 - 2019, 2025=2028, Reviewer - Peer Assisted Review Enterprise, ASU

2018-2019, Chair, Master's Comprehensive Exam Committee, ASU

2016-2017, Committee Member - Department Chair Search Committee, ASU

2015-2016, Alternative Committee Member - Departmental Personnel Committee, ASU

PROFESSIONAL DEVELOPMENT

Participant, Central Appalachian Network Convening, April 2026 Huntington, West Virginia
Participant, LEAD-in3: Integrated, Intentional, and Inclusive Research Leadership, AtKisson Training Group. January - May 2025
Delegate, American of Association Geographers (AAG), United Nations Climate Change Conference, Baku, Azerbaijan, November 2024
Workshop organizer, Rural Health Equity Conference, Appalachian State University, May 2024.
Invited Panelist, Appalachian Faculty Grant Panel, Office of Research, Appalachian State University, June 2022.
Invited Panelist, Howard Hughes Medical Institute, Department of Science Education's Connected Coastlines, Roundtable, April 2021.
Participant, NIDIS/NOAA Carolinas Drought and Human Health, Asheville, NC 2020 (moved online for COVID-19)
Facilitator, Oak Ridge Event, University of Tennessee Knoxville, February 2020
Facilitator, Health and Safety Workgroup, Southeast Urban Sustainability Summit, August 2019 Greensboro, NC
Panel Member, Women in STEM: A Panel Discussion, Women in Educational Leadership Symposium, October 2018, Boone, NC
Participant, Climate and Respiratory Health -Focus Asthma, The Collider, November 2017, Asheville, NC
Participant, Path to Promotion and Tenure, Center for Academic Excellence, Appalachian State University, March 2017, Boone, NC.
Participant, Geography Faculty Development Alliance, Association of American Geographers, University of Connecticut, June 2015, Sors, CT
Participant, Introduction to QGIS and Grass, University of North Carolina at Chapel Hill, Odum Institute, March-April 2015, Chapel Hill, NC
Participant, Mapping with Open Data in R, University of North Carolina at Chapel Hill, Institute for the Environment, February 2014, Chapel Hill, NC

Participant, A Beginner's Look at Multilevel Analysis Short Course, University of North Carolina at Chapel Hill, Odum Institute, October – December 2013, Chapel Hill, NC

Participant, Applied Spatial Regression Analysis Short Course, University of North Carolina at Chapel Hill, Odum Institute, September – October 2013, Chapel Hill, NC

Workshop Assistant, Public Health and Climate Change Summit: Focusing North Carolina Forward, Research Triangle Environmental Health Collaborative, October 2013, Raleigh, NC

Participant, Interactive Lecturing, University of North Carolina at Chapel Hill, Center for Faculty Excellence, August 2013, Chapel Hill, NC

Participant, Teaching Your First Large Class, University of North Carolina at Chapel Hill, Center for Faculty Excellence, July 2013, Chapel Hill, NC

Participant, NCAR/CDC Colloquium on Climate and Health, National Center for Atmospheric Research, July, 2013, Boulder, CO

Participant, Joint NOAA-CDC Symposium on Climate and Health, Center for Disease Control, September, 2013, Atlanta, GA

Workshop Assistant, NIDIS Carolinas Drought Early Warning System: Supporting Coastal Ecosystem Management, Carolinas Integrated Sciences & Assessments, July – August 2012, Wilmington, NC

Workshop Assistant, Climate and Public Health: Emerging Risk and Opportunities, Southeast Regional Climate Center, August 2011, Chapel Hill, NC

Participant, Climate Change Adaptation Workshop, North Carolina Interagency Leadership Team, March 2010, Raleigh, NC

Participant, 7th Annual One Medicine Symposium, December 2009, Durham, NC

Workshop Assistant, Climate Change and Human Health: Assessing the Climate Information Gap, National Climatic Data Center, September 2009, Asheville, NC
