

Eisenman, David P., M.D., M.S.H.S.
Curriculum Vitae

PERSONAL HISTORY:

Work: UCLA Department of Medicine
 Division of General Internal Medicine/Health Services Research
 911 Broxton Plaza
 Los Angeles, CA 90095-1736
 310-794-2452
 deisenman@mednet.ucla.edu

EDUCATION:

1980-1984 B.A., University of Pennsylvania
1985-1989 M.D., Albert Einstein College of Medicine
1989-1990 Internship, St. Luke's Hospital
 Internal Medicine Intern
1990-1991 Resident, Department of Psychiatry
 Albert Einstein College of Medicine
1991-1993 Resident, Department of Medicine
 Montefiore Medical Center
1999-2002 M.S.H.S., University of California Los Angeles
 School of Public Health
1999-2002 Fellowship, National Research Service Awards
 Primary Care Program, UCLA School of Medicine

LICENSURE:

1991 New York State License Registration
2003 California State License Registration # G095597

BOARD CERTIFICATION:

1991 Diplomat, National Board of Medical Examiners
1994 Diplomat, American Board of Internal Medicine
2004 Diplomat, American Board of Internal Medicine
2014 Diplomat, American Board of Internal Medicine

PROFESSIONAL EXPERIENCE:

2016-present	Professor in Residence University of California, Los Angeles Division of General Internal Medicine & Health Services Research
2016-present	Professor in Residence University of California, Los Angeles UCLA Jonathan and Karin Fielding School of Public Health Department of Community Health Sciences
2012-2016	Preparedness Science Officer, Emergency Preparedness and Response Program, Los Angeles County Department of Public Health
2012-present	Director, UCLA Center for Public Health and Disasters UCLA School of Public Health
2012-present	Associate Professor in Residence UCLA Jonathan and Karin Fielding School of Public Health Department of Community Health Sciences
2010-present	Associate Professor in Residence University of California, Los Angeles Division of General Internal Medicine & Health Services Research
2005-2010	Assistant Professor in Residence University of California, Los Angeles Division of General Internal Medicine & Health Services Research
2003-2005	Visiting Assistant Professor University of California, Los Angeles Division of General Internal Medicine & Health Services Research
2002-present	Associate Natural Scientist RAND, Santa Monica
2002-2003	Clinical Instructor University of California, Los Angeles Division of General Internal Medicine & Health Services Research
1999-2002	Visiting Scholar University of California, Los Angeles Division of General Internal Medicine & Health Services Research
1996-1999	Clinical Assistant Professor NYU School of Medicine, New York, NY Department of Medicine
1996-1999	Attending Physician Bellevue Hospital Center, New York, NY

Department of Medicine

1994-1996 NYU School of Medicine, New York, NY
Department of Medicine
Clinical Instructor

PROFESSIONAL ACTIVITIES:

1994-1999 Associate Director, Bellevue/NYU Program for Survivors of Torture

1995-1999 Co-Founder and Co-Director, Pre-Operative Care Clinic, Bellevue Hospital Center

1996-1998 Co-Director, Clinical Research Methods Course, NYU School of Medicine

1996-1999 Consultant and Faculty, Asylum Officer Basic Training Course, United States Immigration and Naturalization Service

1996-1999 Director, Third Year Resident Ambulatory Care Rotation, NYU School of Medicine

1996-1999 Director, Third Year Resident Evidence Based Medicine Course, NYU School of Medicine

1996-1999 Director, Third Year Resident Evidence Based Medicine Course, NYU School of Medicine

1996-1999 Director, *Career Development Program, Minority Participation in Medical Education Grant* from New York State Department of Health, \$35,000/year to NYU School of Medicine

1999-2002 Hanging Committee Member, WJM, Western Journal of Medicine

2000- 2012 Chair, International Society for Traumatic Stress Studies (ISTSS) Task Force on International Trauma Training of Primary Care Clinicians

2002-2012 Board Member, Just Detention International (formerly Stop Prisoner Rape)

2003- 2012 Co-Chair, International Society for Traumatic Stress Studies (ISTSS) Task Force on International Trauma Training

2003-present Volunteer Physician, Venice Family Clinic

2004, 2005 Member, SGIM Mental Health and Substance Abuse Abstract Selection Committee

2006 Chair, SGIM Mental Health and Substance Abuse Abstract Selection Committee

2006-2008	Chairman, Nominations Committee, Just Detention International
2007	Los Angeles County Department of Public Health, Disaster Survey Development Committee (PHRETS II, 2007 Campaign follow-up survey)
2007	Member, SGIM Research Methodology Abstract Selection Committee
2008-present	Credentialed Physician for the Los Angeles County (LAC) Emergency System for the Advance Registration of Volunteer Health Professionals Program (ESAR VHP)
2009-2010	Member, Grant Review Committee, Health Protection Agency of the United Kingdom
2009-2011	Member, Advisory Panel, BayPrep CBO/FBO Disaster Resilience Standards and Continuity of Operations
2009	Participant, National Academies of Science/National Research Council, “Applications of Social Network Analysis for Building Community Disaster Resilience”
2009- 2013	Faculty Advisor, David Geffen School of Medicine Chapter of Physicians for Human Rights
2009- 2013	Member, Academic Advisory Panel, Georgetown Center for Trauma and Community
2009- 2013	NIH Advanced Center for Intervention Services Research (P30), “Trauma-Informed Interventions for Mental and Physical Health in Vulnerable Groups” Mary Ann Dutton (PI)
2009	Workgroup Member, “National Conference on Resilient American Communities: Progress in Practice and Policy”, Center for Biosecurity of the University of Pittsburgh Medical Center, Consortium for the Study of Terrorism & Responses to Terrorism and Natural Hazards Center of the University of Colorado at Boulder
2009	Member, SGIM Preventive Health Abstract Selection Committee
2010-present	Faculty, University of California Global Health Institute, Center of Excellence on Women and Empowerment
2010	External Reviewer to CDC Technical Advisor, William Stauffer MD
2011	Chair, International Programs Committee for 2012 SGIM National Meeting
2013-present	Advisory Board Member, Special Needs Strategic Planning for Disasters, Los Angeles County Chief Executive Office, Office of Emergency Management
2013 –present	Faculty Member, UCLA Grand Challenge, Thriving in a Hotter Los Angeles: Achieving 100% Sustainability in Energy, Water and Biodiversity by 2050

2013-2014	Committee Member, Hospital Preparedness Program of Los Angeles County
2013-2014	International Steering Committee Member, 2014 International Revisions of Hyogo Framework for Action Priority Five--Disaster Medical and Public Health Management
2013	External Review Committee Member, Oregon Sea Grant Program
2014	External Review Committee, Robert Wood Johnson Foundation, Public Health Services and Systems Research Program Grants
2014-present	Co-Director, National Education Safety and Security Institute
2015	External Review Committee, National Science Foundation Division of Behavioral and Cognitive Sciences
2015-present	Committee Member, National Health Security Preparedness Index, Model Design and Analytic Methodology Workgroup
2015	Los Angeles Ad Hoc Committee, Lancet Commission on Health and Climate
2015	Department of Community Health Sciences Ad Hoc Faculty Appointment Committee
2015-present	Chair, Social and Economic Standing Committee, National Institute of Standards and Technology (NIST) Community Resilience Planning Guide for Buildings and Infrastructure Systems
2015-present	Faculty Affiliate, UCLA Center for Community Population Research
2016-	Faculty Affiliate, UCLA Center for Occupational and Environmental Health
2016-	Los Angeles Off-Ramps Intervention Steering Committee
2016	Planning Committee Member, The National Academies of Sciences, Engineering, and Medicine, "Workshop Exploring the Use of Health Approaches in Community-Level Strategies to Countering Violent Extremism and Radicalization"
2016-	Member, Mayor Eric Garcetti's Los Angeles Resilience Working Group
2016	Member, Chancellor's Campus Safety Task Force
2017	Planning Committee Member, The National Academies of Sciences, Engineering, and Medicine, "A National Research Agenda for Youth, Resiliency, and Countering Violent Extremism"
2017	Chair, Planning Committee, National Academies of Sciences, Engineering, and Medicine, "Translating the Results of Hurricane Sandy Research Grants into Policy and Operations: A Workshop"

2017 Scientific Review Committee Member, National Science Foundation, Science, Technology and Society Program

EDITORIAL BOARDS:

1999-2012 Editorial Board, Human Rights Review
2007-2015 Editorial Board, American Journal of Disaster Medicine
2010-2015 Editorial Board, Journal of Bioterrorism and Biodefense

EDITORIAL SERVICES (SERVING AS A REVIEWER)

1. Natural Hazards Review
2. Science of the Total Environment
3. PLOS One
4. Health Affairs
5. BMC Public Health
6. World Development
7. Disaster Medicine and Public Health Preparedness
8. American Journal of Public Health
9. Health Services Research
10. JAMA-Journal of the American Medical Association
11. The Sociological Quarterly
12. Journal of Community and Consulting Psychiatry
13. Journal of Traumatic Stress
14. Journal of General Internal Medicine
15. Journal of Health Care for the Poor and Underserved
16. American Journal of Disaster Medicine
17. Health Psychology
18. Public Health Nursing
19. Journal of Women's Health
20. Archives of General Psychiatry
21. Health Promotion Practice
22. Psychiatric Services
23. International Journal of Mass Emergencies and Disasters
24. Journal of Disaster Studies, Policy and Management
25. Local Environment
26. International Journal of Disaster Risk Reduction

MENTORING

1. Faculty Mentor, Christina Cordasco, MD, MPH, 2005-2007
2. Faculty Mentor, Susan Baldwin, MD, MPH, 2006-current
3. Doctoral Committee member, Kelley Anne Carameli, UCLA School of Public Health, 2009-2010
4. Faculty Mentor, Manish Munshi, University of California Global Health Institute, Center of Excellence on Women and Empowerment, 2010-2011
5. Faculty Mentor, Rita Baumgartner, UCLA STTP, 2010

6. Doctoral Committee member, Erin Richardson, UCLA School of Public Health, 2010-2013
7. Co-Chair of Doctoral Committee, Jill M. Barnes, UCLA School of Education, 2012-2013
8. Faculty Mentor, Epi Scholars Program, Gloria Chi, Washington University School of Public Health, 2013-2015
9. Faculty Mentor, Epi-Scholars Program, Helene Rivard, UCLA Fielding School of Public Health, 2014-2015
10. Faculty Mentor, Epi-Scholars Program, Rachel Adams, UCLA Fielding School of Public Health, 2015-current
11. Field Study Supervisor, Aaron Guggenheim, MPH-HP Program UCLA Fielding School of Public Health, 2015-2016
12. Doctoral Committee member, Rachel Adams, UCLA School of Public Health, 2017-
13. Doctoral Committee member, Tamanna Rahman, UCLA School of Public Health, 2017-

HONORS/AWARDS:

- | | |
|-----------|--|
| 2000 | National Research Council, Young Investigator Program
“Trauma and Reconciliation in Bosnia-Herzegovina” |
| 2001 | National Research Council, Young Investigator Program
“Trauma and Reconciliation in Bosnia-Herzegovina” |
| 2004-2008 | Centers for Disease Control and Prevention, Career Development Award |

CONSULTING:

- Medical expert in support of application for asylum and other trauma cases, 1997 – 2012
- Medical expert witness (including court testimony), 1997-2017
- Training Consultant, Haitian Health Professionals on Rehabilitation for Victims of Organized Violence, 1997
- Consultant and Director of Evaluation, Program for Torture Victims, Los Angeles, 1999-2002
- On-Screen Expert, History Channel Modern Marvels Season 9, Episode 12 “Torture Devices”
- Consultant, “The Great Southern California Shakeout Campaign”, University of Southern California, Norman Lear Center, 2008
- Advisor, Haiti Now, 2012
- Subject Matter Expert, Art Center College of Design, 2013
- Subject Matter Expert, Science Application for Risk Reduction (SAFRR), United States Geological Survey, 2013-present

Advisor, Care For Nepal, 2016-present

RESEARCH GRANTS & FELLOWSHIPS RECEIVED:

Title: Strike Hard—Health and Human Rights Abuses Among Tibetan Refugees

Source: Physicians for Human Rights

Role: Co-Principal Investigator

Dates: 3/96-2/97

Total Cost: \$10,000

Effort: Not applicable

Title: Gender and HIV Consequences: Health Care and Risk

Source: 1 RO1 HD41878, National Institute of Health/National Institute of Child Health and Human Development/RAND

Role: Investigator

Dates: 7/02 – 5/04

Total Cost: \$101,309

Effort: 10%

Title: Guidelines for International Trauma Training of Primary Care Providers

Source: International Society for Traumatic Stress Studies/RAND

Role: Principal Investigator

Dates: 12/02 – 12/04

Total Cost: \$36,000

Effort: 10%

Title: Adaptation and Testing of the HIV Legal Check-up for Mexican Origin Immigrants with HIV/AIDS

Source: University of California Institute for Mexico and the United States (UC/Mexus)

Role: Co-Principal Investigator

Dates: 6/03 – 11/05

Total Cost: \$40,000

Effort: 15%

Title: Barriers and Facilitators of Referrals and Follow-up in Primary Care Depression Treatment

Source: Robert Wood Johnson Foundation

Role: Principal Investigator

Dates: 9/03 – 1/06

Total Cost: \$100,000

Effort: 40%

Title: Racial/Ethnic Disparities in Bioterrorism Preparedness and Trust in Public Health

Source: RAND

Role: Principal Investigator

Dates: 10/03-9/04

Total Cost: \$150,000

Effort: 35%

Title: Bio-Defense Concepts of Operations for the Air Force to Administer Prophylaxes and Medical Treatments

Source: United States Air Force Department of the Surgeon General

Role: Investigator

Dates: 10/03 – 9/04

Total Cost: \$580,000

Effort: 25%

Title: Trust of Public Health Among African Americans

Source: Los Angeles Department of Health Services

Role: Principal Investigator

Dates: 10/03-9/04

Total Cost: \$25,000

Effort: 10%

Title: Promoting Disaster and Terrorism Preparedness in Latinos

Source: K01-CD000049, Center for Disease Control & Prevention

Role: Principal Investigator

Dates: 9/04-09/08

Total Cost: \$968,432

Effort: 75%

Title: Primary Care for Latinos with Post-Traumatic Stress Disorder

Source: R34 MH070682, National Institute of Mental Health

Role: Co-Principal Investigator

Dates: 2/05 – 02/07

Total Cost: \$450,000

Effort: 12.5%

Title: Preparing Hospitals for the Mental Health Needs Resulting from Terrorist Incidents Involving Biological, Chemical, or Radiological Agents.

Source: Los Angeles County Department of Mental Health

Role: Co-Principal Investigator

Dates: 3/05-11/07

Total Cost: \$700,000

Effort: 12%

Title: Obstacles and Facilitators to Evacuation from Hurricane Katrina

Source: CMS 0408499, National Science Foundation

Role: Principal Investigator

Dates: 9/05-8/06

Total Cost: \$3,500

Effort: Not applicable

Title: Identifying Human Trafficking Victims in the Health Care System

Source: Iris Cantor-UCLA Women's Health Center/UCLA National Center of Excellence in Women's Health

Role: Faculty Mentor

Dates: 7/06-6/07

Total Cost: \$20,000

Effort: Not applicable

Title: Data Analysis of Public Health Response to Emergent Threats Survey (PHRETS)
Source: Los Angeles County Department of Public Health
Role: Principal Investigator
Dates: 9/06-8/07
Total Cost: \$96,000
Effort: 18%

Title: Intimate Partner Violence and Mental Health in Latinas
Source: 1P50MH073453, National Institute of Mental Health
Role: Co-Principal Investigator
Dates: 8/06-8/09
Total Cost: \$2,550,000
Effort: 5%

Title: Building an Implementation Toolset for E-Prescribing
Source: Agency for Healthcare Research and Quality, Task Order No. 4
Role: Investigator
Dates: 09/08-09/10
Effort: 20%

Title: PM-PREP: Peer-Mentored Disaster Preparedness for Adults with Developmental Disabilities
Source: R21NR011332, National Institute of Nursing Research/National Institutes of Health
Role: Principal Investigator
Dates: 8/04/09-7/31/11
Total Cost: \$345,723
Effort: 30%

Title: Improving Post-Traumatic Stress Disorder Management in Primary Care
Source: R01MH082768, National Institute of Mental Health
Role: Co-Principal Investigator
Dates: 08/20/09-03/31/15
Total Cost: \$3,550,677
Effort: 20%

Title: Leave Early or Stay and Defend: Post-Traumatic Stress Disorder and the Public's Response to Wildfire
Source: USDA Forest Service
Role: Principal Investigator
Dates: 3/09-3/14
Total Cost: \$157,045
Effort: 9%

Title: Preparedness and Emergency Response Research Centers: A Public Health Systems Approach
Source: P01-TP000303-01, Center for Disease Control & Prevention
Role: Co-Principal Investigator, Project Two: Building effective public health-CBO/FBO partnerships for disaster readiness
Dates: 9/09-8/12
Total Cost: \$1,300,000
Effort: 20%

Title: EQUIP-Malawi (Extending QUality ImProvement for HIV/AIDS in Malawi)
Source: Cooperative Agreement No. 674-A-00-10-00035-00, United States Agency for International Development (USAID)
Role: Investigator
Dates: 3/10-2/12
Total Cost: \$12,842,678
Effort: 20%

Title: Data Analysis of Public Health Response to Emergent Threats Survey-II (PHRETS 2)
Source: Los Angeles County Department of Public Health
Role: Principal Investigator
Dates: 1/11-8/11
Total Cost: \$45,000
Effort: 8%

Title: ROAD-MAP: Resilient Older Adults in Disasters
Source: Los Angeles County Department of Public Health
Role: Principal Investigator
Dates: 1/11-8/11
Total Cost: \$158,348
Effort: 8%

Title: Community Resilience through Culture: Strategy for Reconstruction in Haiti
Source: UCLA Trans-disciplinary Seed Grant
Role: Co- Principal Investigator
Dates: 2/12-2/13
Total Cost: \$15,000
Effort: In-kind

Title: Collaborative Research: Prioritizing Cooling Infrastructure Investments for Vulnerable Southwest Populations
Source: National Science Foundation, Infrastructure Management and Extreme Events
Role: Principal Investigator (UCLA)
Dates: 7/1/13-6/30/16
Total Cost: \$296,122
Effort: 11% Year 1, 8% Year 2-3

Title: Examining the relationship between public health departments and the nongovernmental sector to support stronger partnerships for the effective recovery of vulnerable populations. (#HITEP130005-01-00)
Source: US Department of Health and Human Services Office of the Assistant Secretary for Preparedness and Response (ASPR)
Role: Co- Principal Investigator
Dates: 9/30/13-9/29/15
Total Cost: \$133,787
Effort: 14%

Title: The effect of variations in wireless emergency alert message content and social setting on behavioral and psycho-physiological responses among diverse populations.
Source: Department of Homeland Security
Role: Co- Principal Investigator

Dates: 2/24/14-2/23/16
Total Cost: \$671,590
Effort: 9% per year

Title: Evaluation of Los Angeles County Community Disaster Resilience Project
Source: Robert Wood Johnson Foundation
Role: Principal Investigator
Dates: 12/31/13-12/31/15
Total Cost: \$450,000
Effort: 20%

Title: The Impact of Oppressive Heat on Mortality in Los Angeles and the Potential Impact of Climate Change
Source: Los Angeles County Department of Public Health
Role: Project Director
Dates: 03/15/14-06/31/14
Total Cost: \$55,600
Effort: In-Kind

Title: Urban Resilience to Extremes Sustainability Research Network
Source: National Science Foundation
Role: Investigator
Dates: 04/01/15-03/31/20
Total Cost: \$12,000,000
Effort: \$100,000 over 5 years

Title: Applying lessons learned on global policies and programs that promote social cohesion to the design of health programs in the United States
Source: Robert Wood Johnson Foundation
Role: Co-Investigator
Dates: 12/16/14-12/15/15
Total Cost: \$197,100
Effort: 5%

Title: Local institutional efforts to reduce public health risks to extreme heat events in low-income minority communities in California
Source: Robert Wood Johnson Center for Health Policy at Meharry Medical College
Role: Principal Investigator
Dates: 6/1/15-5/30/16
Total Cost: \$19,948
Effort: 2%

Title: Program Evaluation of the “Three Cities” CVE Initiatives
Source: #2015-ST-108FRG006, US Department of Homeland Security
Role: Co-Principal Investigator
Dates: 09/30/15-03/30/18
Total Cost: \$500,000
Effort: 12%

Title: Examination of the Short and Long Term Impact of School Shootings
Source: National Institutes of Justice

Role: Investigator
Dates: 01/1/16-12/31/17
Total Cost: \$1,254,975
Effort: 15%

Title: Translation, Dissemination, and Implementation of Public Health Preparedness and Response Research and Training
Source: Centers for Disease Control and Prevention
Role: Principal Investigator
Dates: 01/1/16-08/31/17
Total Cost: \$1,067,695

Title: Building a Practical and Accessible Website for Local Public Health Departments to Facilitate Creation of Community Resilience Programs
Source: Robert Wood Johnson Foundation
Role: Principal Investigator
Dates: 04/15/16-04/14/17
Total Cost: \$160,100

Title: A Simulation Platform to Enhance Infrastructure and Community Resilience to Extreme Heat
Source: National Science Foundation, Infrastructure Management and Extreme Events
Role: Co-Principal Investigator
Dates: 8/1/16-7/31/19
Total Cost: \$450,000
Effort: 6%

LECTURES AND PRESENTATIONS:

1. Course Faculty, "How to Teach Evidence Based Medicine," New York Academy of Medicine and American College of Physicians, 1996.
2. Visiting Lecturer, "Social and Psychological Issues in Caring for Survivors of Torture," Yale University School of Law, Immigration Law Course, 1996.
3. "Identifying and Treating Survivors of Torture," invited lecture presented at the United States Public Health Service Conference, Washington, D.C., 1996.
4. "Survivors of Torture in the Primary Care Setting: Prevalence Estimates and Under-detection by Physicians," invited lecture presented at the NIMH/ORR Conference entitled "Refugee and Asylee Survivors of Torture: Improving Our Understanding," 1997.
5. "Medical Documentation for Victims of Organized Violence", Physicians for Human Rights, Boston, 1997.
6. Grand Rounds Speaker, "The Experience and Treatment of Survivors of Torture," Department of Psychiatry, Albert Einstein College of Medicine, Bronx, NY, 1997.
7. Pre-course Faculty, "Human Rights and the Internist's Role in Asylum Evaluations," Society of General Internal Medicine Annual Conference Pre-course, Washington, D.C., 1997 and 1998.

8. "Vicarious Traumatization: The Effects of Working with Survivors of Torture," invited lecture presented at Princeton University, Health and Human Rights in the World Community, 1996, 1997, 1998.
9. "Social and Psychological Issues in the Legal Representation of Survivors of Torture," invited lecture presented at the Harvard University School of Law, Immigration Law Course, 1997, 1998, 1999.
10. "Screening for Exposure to Torture: Pilot Data for a New Questionnaire," American Public Health Association National Conference, Washington, D.C., 1998.
11. "Traumatic Human Rights Abuses," invited lecture presented at the New York Law School, Immigration Law Course, 1998.
12. "Human Rights Abuses and the Lawyer," invited lecture presented at the UCLA School of Law, Immigration Law Course, 1999.
13. "Survivors of Torture in the Primary Care Setting," invited lecture presented at the UCLA School of Public Health and School of Medicine, World Health Course, 2000.
14. "Health Care and Health Policy for Survivors of Torture and Survivors of Rape as a Weapon of War," invited lecture presented at the UCLA School of Public Health and School of Medicine, World Health Course, 2001.
15. "State Sponsored Violence, Health, and Human Rights," invited lecture presented at the UCLA Department of International Development Studies, World Health Course, 2001.
16. Faculty, "International Trauma Training Guidelines: Dissemination and Dialogue," workshop presented at the International Society of Traumatic Stress Studies", Annual Meeting, New Orleans, 2001.
17. "Prevalence of Political Violence Experiences and Health Status Among Latino Immigrants", paper presented at the Society of General Internal Medicine 25th Annual Meeting, Atlanta, GA, May 2002.
18. "Prevalence of Political Violence Experiences and Health Status Among Latino Immigrants", invited lecture presented at the National Research Service Award Conference, Washington D.C., June 2002.
19. "Rape as a Weapon of War," invited lecture presented at the UCLA School of Public Health, Family and Sexual Violence Course, 2000, 2001, 2002, 2003.
20. Pre-course Faculty, "Physicians as Change Agents," Society of General Internal Medicine, Annual Meeting, Vancouver, 2003.
21. Pre-course Faculty, "Psychosocial Consequences of Bioterrorism", Society of General Internal Medicine, Annual Meeting, 2003.

22. “International Trauma Training of Primary Care Providers,” workshop presented at the International Society for Traumatic Stress Studies Annual Conference, Chicago, Illinois, October 2003.
23. “Racial and Ethnic Differences in Bioterrorism Preparedness and Trust in Public Health,” paper presented at the Academy of Health Services Research Annual Meeting, San Diego, CA, 2004.
24. “Racial and Ethnic Differences in Bioterrorism Preparedness and Trust in Public Health,” American Public Health Association, Boston, MA, 2004.
25. “Guidelines on Mental Health Training of Primary Care Providers for Trauma Exposed Populations in Conflict-Affected Countries,” invited lecture presented at the Center for Vulnerable Populations, UCLA School of Nursing, 2005.
26. “Racial and Ethnic Differences in Bioterrorism Preparedness and Trust in Public Health,” invited to present the First Ruth Roemer Honorary Lecture, UCLA School of Public Health, January 2005.
27. Discussant, “Lesson of Katrina: Race Relations, Poverty, Climate Change & Role of Government,” UCLA Covel Commons Building, October 2005.
28. “Trauma in Primary Care: Bridging Research to Practice,” workshop presented at the International Society for Traumatic Stress Studies Annual Conference, Toronto, Canada, November 2005.
29. “Improving Disaster Preparedness in Los Angeles,” invited lecture presented at the World President’s Organization, Los Angeles, CA, March 2006.
30. “What is the Role of Primary Care in Disaster Preparedness?” invited lecture presented at the UCLA Women’s Health Center, Los Angeles, CA, March 2006.
31. “What is the Role of Primary Care in Disaster Preparedness?” invited lecture presented at the Pri-Med Updates, Annual Meeting, Anaheim, CA, April 2006.
32. “Leveraging Social Networks for Protecting Vulnerable Communities Health During Disaster,” paper presented at the Academy Health Annual Research Meeting, Seattle, WA, June 2006.
33. “Leveraging Social Networks for Protecting Vulnerable Communities Health During Disaster,” paper presented at the 31st Annual Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, University of Colorado, Boulder, CO, July 2006.
34. “Disaster Planning and Risk Communication with vulnerable Communities: Lesson from Hurricane Katrina” invited lecture presented at the UCLA Center for Vulnerable Populations, UCLA School of Nursing, October 5, 2006
35. “Political Violence Survivors in the United States,” 134th Annual Meeting of the American Public Health Association Annual Meeting, Boston, MA, November 2006.
36. Moderator for Oral Session, “Emergency and Disaster Preparedness: Examples in Six States,” 136th Annual Meeting of the American Public Health Association Annual Meeting, San Diego, CA, October 2008.

37. “Drug Continuity in Emergencies” invited lecture presented at the City of Los Angeles Department of Aging, Senior Emergency Preparedness Forum, November 2009
38. “Disasters and Vulnerable Populations” invited lecture presented at the National Center for Disaster Preparedness, Columbia University, January 2011
39. “Health and Human Rights” invited lecture presented at the UCSF Global Studies Program, January 2011.
40. “Increasing Community Disaster Resilience in Los Angeles”, invited lecture presented at the Senior Emergency Preparedness Action Committee, June 2011.
41. “PTSD for Primary Care Clinicians”, invited lecture presented at the UCLA Primary Care Residency Series, 2011, 2012, 2013, 2014
42. “Community Disaster Resilience,” invited lecture presented at the Environmental Health Sciences Seminar 411, UCLA School of Public Health, October, 2011.
43. “PREP – Programa para Responder a Emergencias con Preparacion,” invited lecture presented at the Novena Conferencia Annual de Promotoras y Trabajadores Comunitarios, Los Angeles, December, 2011
44. “Community Resilience for the Environmental Health Officer” invited lecture to UCLA Environmental Health Services Seminar, 2011.
45. “Results of a Randomized Controlled Trial of Disaster Preparedness with Disabled Adults.” paper presented at the VA-CEMPER Annual Conference, Arlington, VA, May 2011.
46. “PTSD for Primary Care Clinicians”, invited lecture presented to the Clinical Directors Network, April 2011 and July 2012
47. “Los Angeles’s Approach to Increasing National Resilience to Hazards and Disasters”, invited presentation at the National Science Foundation, Irvine, May 2012
48. Welcome Remarks, “Conference on Confronting Climate Change and Extreme Weather: A Public Health Perspective” sponsored by UCLA Center for Public Health and Disasters, California Department of Public Health and the Center for Public Health and Climate Change at the Public Health Institute, Los Angeles, April 2012
49. “A Model for Community Engagement and Adaptation to Extreme Weather Events”, “Conference on Confronting Climate Change and Extreme Weather: A Public Health Perspective” sponsored by UCLA Center for Public Health and Disasters, California Department of Public Health and the Center for Public Health and Climate Change at the Public Health Institute, Los Angeles, April 2012
50. “Disaster Planning in the 21st Century” invited lecture to the The Now Institute, Los Angeles, October 2012
51. “Access to Chronic Medications After Disasters”, Opening remarks to Expert Panel on Medication Access After Disasters convened by CDC’s Office of Public Preparedness and

- Response, National Center for Chronic Disease Prevention and Health Promotion and UCLA Center for Public Health and Disasters, Atlanta, December 2012
52. “Loss of Landscape and Community Health: Impacts of the Wallow Fire After One Year” paper presented at the Association for Fire Ecology, 5th International Fire Ecology and Management Congress, Portland, OR, December 2012
 53. “Senior Preparedness in Los Angeles County”, invited lecture presented at the Los Angeles County Senior Emergency Preparedness Action Committee, February 2013
 54. “CBO/LHD Linkages for Disaster Preparedness,” invited lecture presented at the NACCHO Preparedness Summit, Atlanta, March 2013
 55. “Current Situations in Disaster Medical Care” invited lecture presented at the Tohoku University School of Medicine, Tohoku, Japan, April 2013
 56. “Community Disaster Resilience”, invited lecture presented at the Centers for Disease Control and Prevention, Office of Public Preparedness and Response, Seminar Series, Atlanta, March 2013
 57. Guest Lecture, “Community Resilience and Risk Communications”, Fielding School of Public Health, CHS 484 Risk Communications Course, April 2013.
 58. “The Impact of Wildfire on Community Health”, UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, May 2013
 59. Guest Lecture, “Community Disaster Resilience and Public Health: U.S. and Local Experiences”, USC Graduate Program in Global Medicine, Meds 599 Course on Children in Emergency Situations: A Global Analysis of Policies and Programs, June 2013.
 60. “How Public Health Can Inform and Inspire Disaster Science, Policy and Practice,” 31st 38th Annual Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, University of Colorado, Boulder, CO, July 2013
 61. “Implementation Outcomes of the ViStA Project” paper presented at the International Society of Traumatic Stress Studies, 29th Annual International Conference, Philadelphia, PA, November 2013
 62. “Community Disaster Resilience” invited lecture presented at the The Now Institute/UCLA School of Arts and Architecture, Los Angeles, November 2013
 63. “Health Status of Arizona Residents One Year After the Wallow Fire” invited lecture presented at the National Fire Protection Association Conference, Salt Lake City, UT, November 2013
 64. “Community Resilience in Four Big Cities”, invited lecture presented at the NACCHO Preparedness Summit, Atlanta, April 2, 2014
 65. “Measuring Resilience: Early Results from the Los Angeles County Community Disaster Resilience Project”, paper presented at UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, May 2, 2014

66. "Community Resilience", invited lecture presented at the Fielding School of Public Health, CHS 484 Risk Communications Course, 2014, 2015, 2016, 2017
67. "New Audiences, New Products for the National Seismic Hazard and Design Maps", invited lecture presented at the United States Geological Survey Federal Center, Denver, Colorado, June 26, 2014
68. "Answering Community Questions About Ebola" invited lecture presented at the UCLA Center for World Health, October 28, 2014
69. "Catalyzing Social Cohesion: Forging a Framework to Improve Global Health", invited lecture presented at the UC Global Health Day, April 18, 2015
70. "Implementation and Impact of a PTSD Care Manager Program in Primary Care Centers", paper presented at the UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, May 1, 2015
71. "Mapping to Support Community Resilience", invited lecture presented at the United States Geological Survey Design Storm Conference, Menlo Park, May 6, 2015
72. "Resilience Challenges", invited lecture presented at the Annual Natural Hazards Workshop, Boulder, Colorado, July 21, 2015
73. "Evaluating the Impact of Organizational Partnerships on Community Resilience" invited lecture presented at the PHSSR Research-In-Progress Webinar, Robert Wood Johnson Foundation, November 4, 2015
74. "Conceptualizing Programs for Countering Violent Extremism as Complex Interventions" invited lecture presented at the National Consortium for the Study of Terrorism and Responses to Terrorism, Workshop on Measurement and Assessment for Countering Violent Extremism, December 9, 2015
75. "Community Resilience: What Is It and How Do We Get There?" invited Grand Rounds, Pomona Valley Medical Center, January 5, 2016
76. "Innovations in Disaster Risk Reduction in Los Angeles", briefing to Gonzalo Rivas, President of the National Innovation Council of Chile, Los Angeles CA, March 16 2016
77. "Research at The National Education Safety and Security Institute" Briefing to The Honorable James Dinneen, Assistant Secretary, U.S. Department of Homeland Security, Private Sector Office, March 29, 2016
78. "Putting Evaluation into Practice" invited lecture presented at the Los Angeles County Department of Public Health Seventh Annual Science Summit, March 30, 2016
79. "Academia and Governmental Public Health Working Together to Strengthen Community Resiliency and Recovery" invited lecture presented at the National Association of County and City Health Offices Preparedness Summit, Dallas, Texas, April 20 2016.

80. “Heat Wave Mortality in Los Angeles and Phoenix: Results of Two Studies”, presented at the UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, April, 29, 2016
81. “Building Coalitions for Community Resilience” invited lecture presented at the National Earthquake Conference, Long Beach, California May 5 2016
82. “Resilience Building”, invited lecture presented to University of Illinois-Chicago, June 3, 2016
83. “New Ideas for Increasing Resilience to Heat Waves in Los Angeles” invited speech at Tree People Conference on Extreme Heat in Los Angeles: Science, Policy and Community Engagement Approaches to Urban Cooling, Los Angeles, California, July 8 2016
84. “Public Health Approaches to Countering Violent Extremism”, invited speech presented to National Academy of Sciences, Washington D.C., September 8, 2016
85. “Benefits and Challenges to Public Health Contributions to Countering Violent Extremism” Briefing to Kathleen Kraninger, U.S. Senate Appropriations Committee, October 20, 2016
86. “Canaries in the Coal Mine: Interpersonal Violence, Gang Violence and Preventing Violent Extremism”, invited speech presented to World Psychiatric Association, Queen Mary University of London, London, United Kingdom, October 25, 2016
87. “Public Health Approaches to Countering Violent Extremism”, invited lecture presented to National Security Critical Issues Task Force, Georgetown University Center for Security Studies, Washington, D.C., November 1, 2016
88. “Leveraging Non-Traditional Partners for Preventing Violent Extremism”, Panelist at National Counterterrorism Center’s Annual Countering Violent Extremism Practitioner Workshop, Washington, D.C., November 3, 2016
89. “Towards a Theory of Community Resilience for CVE Policy, Practice and Research” invited speech at “The Day After Daesh – Implications to Homeland Security”, Department of Homeland Security, Science and Technology Directorate, Washington, D.C., November 14, 2016
90. “Outcomes from the Los Angeles County Community Disaster Resilience Project”, invited presentation to Center of Education and Research for Disaster Management, a joint center of the University of California Irvine and Osaka City University Japan, Irvine CA, November 17, 2016
91. “Can Public Health Prevent Violent Extremism?” paper presented at the UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, December 2, 2016
92. “Vulnerable Populations and Strengthening Resilience to Disasters”, invited presentation at “Health and healthcare for vulnerable populations – Advancing the Science” Health Services Research Symposium in Honor of Martin F. Shapiro, Los Angeles CA, February 24, 2017
93. “Community-Based Partnerships and Strategies for Disaster Reduction”, invited presentation to U.S. State Department International Visitor Leadership Program, Disaster Preparedness and Emergency Management, Los Angeles CA, February 28, 2017

94. “Engaging the Public to Protect Public Health: Lessons from the Los Angeles County Community Disaster Resilience Project”, invited speech presented to National Academy of Sciences, Washington D.C., March 8, 2017
95. “Introducing Building Resilience-LA”, presented at the U.S. Green Building Council Expo, Los Angeles, CA, April 20, 2017
96. “Preventing Extremist Violence through a Community Resilience Framework” invited speech at the Global Summit for Strong Cities Network and the 2nd Conference for Building Resilience to Radicalization and Violent Extremism, Aarhus, Denmark, May 17-19, 2017
