

# Ezra M. Markowitz

emarkowitz@eco.umass.edu | www.ezramarkowitz.com | 413.545.1237

---

Associate Professor of Environmental Decision-Making  
Department of Environmental Conservation  
University of Massachusetts Amherst  
Amherst, MA 01003

## Education

2012      **Ph.D.** Environmental Sciences, Studies & Policy. University of Oregon.  
2008      **M.S.** Psychology. University of Oregon.  
2007      **B.A.** Psychology. Vassar College.

## Appointments

2019-present      **Associate professor.** University of Massachusetts Amherst.  
2014-2019      **Assistant professor.** University of Massachusetts Amherst.  
2013-present      **Fellow.** FrameWorks Institute. Washington, DC.  
2013-2014      **Postdoctoral research fellow.** Earth Institute. Columbia University.  
2013-2014      **Visiting postdoctoral fellow.** PIIRS. Princeton University.  
2012-2013      **Postdoctoral research associate.** PIIRS. Princeton University.  
2011-2012      **Scholar-in-residence.** American University.

## Professional Experience

2018-present      **Science advisor.** DearTomorrow. New York, NY.  
2014-2017      **Technical advisor.** PolicyInteractive. Eugene, OR.  
2008-2013      **Senior staff.** PolicyInteractive. Eugene, OR.  
2012-2013      **Consultant.** ecoAmerica. Washington, DC.  
2010-2012      **Research scholar.** Gallup. Princeton, NJ.

## Courses Offered

Environmental Decision-Making (undergraduate)  
Public Engagement & Communication (graduate)  
Environmental Social Science (graduate)

## Grants

- 2019-2020 “Our shared home: Redefining environmental discourse” (\$22,000). National Geographic (Awarded, Co-PI).
- 2019-2020 “Visualizing Hope: Investigating the effect of public art on public perceptions of climate adaptation” (\$21,977). Institute for Social Science Research & Institute for Diversity Science, UMass (Awarded, Co-PI).
- 2019-2020 “Testing the potential of sustainable local seafood species for innovative value-added products in a changing climate” (\$6,000). Institute for Social Science Research, UMass (Awarded, Co-PI).
- 2019-2023 “Development of a sustainable recreational fishery for Golden Dorado in South America” (\$400,000). IGFA (Pending, Co-PI).
- 2017-2019 “Examining and improving energy-related decision-making among resource constrained Massachusetts households” (\$59,930). Clean Energy Extension Seed Grant, UMass (Awarded, PI).
- 2017-2018 “The Fresh Air Project: Profiling Children’s Environmental Exposures” (\$14,850). Public Service Endowment Grant, UMass. (Awarded, Co-I).
- 2017-2018 “The Fresh Air Project: Using the exposome to personalise asthma management” (\$15,000). Healthy Development Initiative, UMass Amherst. (Awarded, Co-I).
- 2016-2019 “Psychological distance and the mitigation of interpersonal risks” (\$435,708). National Science Foundation. (Awarded, Co-I).
- 2016-2017 “RAPID: A real-world opportunity to study responsibility, social identity, signaling and collective mobilization among diesel engine owners” (\$124,975). National Science Foundation. (Awarded, PI).
- 2014-2017 “Early career climate communications and networking” (\$122,466). U.S. Geological Survey. (Awarded, PI).
- 2014-2018 “Understanding and informing family forest owner decisions of intergenerational land transfer to ensure working forested landscapes” (\$500,000). National Institute of Food and Agriculture, USDA. (Awarded, Senior Personnel).
- 2014-2015 “Can farmers help diminish groundwater depletion? Tensiometer adoption in Punjab, India” (\$31,940). Earth Institute Cross-Cutting Initiative Grant, Columbia University. (Awarded, Co-I).
- 2011-2012 “Looking back to think ahead: Intergenerational reciprocity in the face of future climate change” (\$3,000). Institute of Cognitive and Decision Sciences Seed Grant, University of Oregon. (Awarded, PI).
- 2007-2012 “Testing the efficacy of ambiguous-unambiguous message presentation techniques in behavior modification” (\$120,000). Graduate Research Fellowship, National Science Foundation. (Awarded, PI).

## Refereed Publications

^ indicates graduate student co-author

- Howe, L., MacInnis, B., Krosnick, J.A., Markowitz, E.M., & Socolow, R. (Accepted). Acknowledging uncertainty impacts public acceptance of climate scientists' predictions. *Nature Climate change*.

Markowitz, E.M. & Doppelt, R. (2009). Reducing greenhouse gas emissions through behavioral change: An assessment of past research on energy use, transportation and water consumption. Published online, *Climate Leadership Initiative*.

### **Special Issues Convened**

*Multi-disciplinary perspectives on climate ethics*. (2015). Grasso, M. & Markowitz, E.M. (Eds.), *Climatic Change*.

### **Conferences, Symposia, Panels and Workshops Organized**

*De-mystifying public engagement: A two-day crash course in using research to change the world*. (2019, June). 2-day workshop run for faculty, post-docs, graduate students and staff at UMass Amherst. Co-facilitator.

*Science Communication Workshop*. (2018, April). Half-day workshop run for staff and visitors at US Fish and Wildlife Service, Hadley Branch.

*Environmental Social Science Research: Commonalities and Conundrums*. (2018, March). One-day workshop held at UMass Amherst, co-hosted with Anita Milman (ECO).

*Sustainability Psychology Pre-Conference*. (2016, January). Pre-conference held at Society for Personality and Social Psychology annual conference, San Diego, CA. Co-chair.

*Civic science lab: Wind power and climate change* (2015, May). One-day public engagement and communication workshop co-developed and led with Matt Nisbet for UMass Amherst Offshore Wind IGERT fellows and faculty.

*Sustainability Psychology Pre-Conference.* (2015, February). Pre-conference held at Society for Personality and Social Psychology annual conference, Long Beach, CA. Lead organizer.

*Media savvy psychologists: Work with the press so they say what you mean, and you mean what you say.* (2014, August). Panel session convened at American Psychological Association Annual Convention. Co-chaired with Jerri Lynn Hogg (Fielding Graduate University).

*Sustainability Psychology Pre-Conference.* (2014, February). Pre-conference held at Society for Personality and Social Psychology annual conference, Austin, TX. Co-organized with Cindy Frantz (Oberlin), Alex Maki (University of Minnesota), Sandra Rodegher (Arizona State) and Vera Colaco (Lisbon).

*Multi-disciplinary perspectives on climate ethics.* (2013, September). Workshop co-organized and convened with Marco Grasso (University of Milan-Bicocca), held in Como, Italy.

*Communicating climate science: Psychological challenges and opportunities.* (2013, August). Symposium session held at American Psychological Association Annual Convention. Co-chaired with Beth Karlin (University of California, Irvine).

*Psychological factors shaping the perception of climate change.* (2012, August). Symposium session held at American Psychological Association Annual Convention. Co-chaired with Peter Howe (Pennsylvania State University).

*Bringing psychology into ESS (Environmental Studies and Sciences).* (2010, June). Multiple-session symposium held at the Association for Environmental Studies and Sciences 2010 Conference. Co-organized with Joel Nigg (Oregon Health and Sciences University) and Christine Manning (Macalester College).

*Interdisciplinary perspectives on climate change.* (2010, April). Panel discussion held at the University of Oregon First Annual Graduate Research Forum.

## **Conference Presentations and Invited Lectures (since 2014)**

Vesel, L., Ginn, J., Chapman, D., Markowitz, E.M., Lickel, B. (2019, June). *Community preferences for climate change resilience strategies.* Poster. Society for Community Research & Action 2019. Chicago, IL.

Rose, K., Brossard, D., Markowitz, E.M. (2019, May). *Scientists as decision-makers: How science faculty members view the public and contributions to decisions about science*. Accepted paper. International Communication Association 2019 Conference. Washington, D.C.

Markowitz, E.M. (2019, April). *Americans' beliefs about top-down versus bottom-up approaches to solving societal challenges: New insights*. Invited guest seminar. SciMEP research group at University of Wisconsin-Madison. Madison, WI.

Guckian, M., Lickel, B. & Markowitz, E.M. (2019, January). *From badmouthing to boycotting: Exploring Americans' reactions to high profile corporate scandals*. Invited talk. Sustainability Psychology Pre-conference at Society for Personality and Social Psychology annual meeting. Portland, OR.

Ginn, J., Markowitz, E.M....Lickel, B. (2019, January). *Individual preferences for climate change solutions as a top-down vs. bottom-up process*. Poster. Sustainability Psychology Pre-conference at Society for Personality and Social Psychology annual meeting. Portland, OR.

Markowitz, E.M. (2018, September). *Examining Americans' beliefs about top-down versus bottom-up approaches to solving societal challenges*. Invited lecture. Indiana University School of Public and Environmental Affairs. Bloomington, IN.

Markowitz, E.M., Guckian, M., Chapman, D., Lickel, B. (2018, June). *Will consumers step up when corporations let us down? Examining Volkswagen owners' responses to the diesel emissions scandal*. Talk. Sustainable Consumption Research and Action Initiative 2018 conference. Copenhagen, Denmark.

Markowitz, E.M. (2017, November). *Climate change communication workshop*. Invited lecture. Massachusetts Ecosystem Climate Adaptation Network inaugural meeting. Westborough, MA.

Markowitz, E.M. (2017, November). *Overcoming our (bad) environmental habits*. Invited lecture. Western Mass Youth Climate Summit. Easthampton, MA.

Markowitz, E.M. & Guckian, M.L. (2017, August). *Using non-environmental frames to increase social sanctioning of environmental behavior*. Talk. American Psychological Association Annual Convention. Washington, DC.

- Markowitz, E.M. (2017, August). *Ten years later: Reflecting on my first decade as an environmental social scientist*. Invited lecture. American Psychological Association annual convention. Washington, D.C.
- Markowitz, E.M. (2017, July). *A brief introduction to climate skepticism: What, where and why*. Invited lecture. RISSC Management Conference. Amherst, MA.
- Chapman, D. A., Guckian, M. G., Lickel, B., & Markowitz, E. M. (2017, June). *Identities interact to influence responses to the Volkswagen emissions scandal*. Talk. Society for the Psychological Study of Social Issues annual meeting. Albuquerque, NM.
- Nisbet, M.C. & Markowitz, E.M. (2017, June). *Science and Inequality: Why More Than Public Engagement is Needed*. Invited lecture. Meeting of the Public Face of Science project, American Academy of Arts & Sciences. Cambridge, MA.
- Chapman, D. A., Lickel, B., & Markowitz, E. (2017, May 13). *The Effect of Ideology on Interpersonal Communication of Polarized Public Risks*. Invited data blitz presentation. "From Micro-Level Cognitive Phenomena to Large-Scale Social Dynamics" Small Group Conference. Princeton, NJ.
- Markowitz, E. & Chapman, D. A. (2017, May 9). *Does discussing adaptation "subtract from prevention"? Perceived tradeoffs between adaptation and mitigation-based policy planning*. Poster. National Adaptation Forum. Saint-Paul, MN.
- Markowitz, E.M. (2017, February). *What motivates scientists to engage with the public?* Invited lecture. Annual meeting of the American Association for the Advancement of Science. Boston, MA.
- Markowitz, E.M. (2017, January). *Why we'll need sustainability psychologists more than ever, after tomorrow*. Invited lecture. Sustainability Psychology preconference for the 2017 meeting of the Society for Personality and Social Psychology. San Antonio, TX.
- Markowitz, E.M. (2016, November). *Signaling and Sanctioning: Old solutions to a new (climate) problem?* Invited paper and lecture. Social Sciences Research Council Democracy and Climate Change meeting. Princeton, NJ.
- Chapman, D., Markowitz, E., & Corner, A. (2016, July). *Climate visuals: developing an evidence-based library of climate change imagery*. Invited lecture. Society for Conservation Biology Annual Meeting. Madison, Wisconsin.

- Chapman, D., Markowitz, E., & Corner, A. (2016, June). *Climate visuals: developing an evidence-based library of climate change imagery*. Invited lecture. Society for the Psychological Study of Social Issues. Minneapolis, Minnesota.
- Guckian, M.L., Markowitz, E.M., & Lickel, B. (2016, June). *Signaling de-consumption: Identifying the affective and cognitive bases of obligation to signal consumption choices to others*. Talk. International Sustainable Consumption Research and Action Initiative Conference conference. Orono, ME.
- Markowitz, E.M. (2016, April). *Leveraging psychological insights to promote conservation*. Invited seminar. Harvard Forest. Petersham, MA.
- Chapman, D., Markowitz, E., Corner, A., & Webster, R. (2016, January). *Climate Visuals: Developing an Evidence-Based Online Library of Climate Change Imagery*. Data blitz talk. Sustainability Psychology preconference for the 2016 meeting of the Society for Personality and Social Psychology. San Diego, CA.
- Guckian M.L. & Markowitz, E.M. (2016, January). *Examining the drivers of interpersonal communication in environmentally relevant behavior*. Poster. Sustainability Psychology preconference for the 2016 meeting of the Society for Personality and Social Psychology. San Diego, CA.
- Sokoloski, R. & Markowitz, E.M. (2016, January). *Investigating potential rebound effects of electricity generation reports*. Poster. Sustainability Psychology preconference for the 2016 meeting of the Society for Personality and Social Psychology. San Diego, CA.
- Zaval, L., Markowitz, E., Weber, E. (2015, November). *How will I be remembered? Conserving the Environment for the Sake of One's Legacy*. Talk. Society for Judgment and Decision Making annual meeting. Chicago, IL.
- Schneider, C., Zaval, L., Weber, E., Markowitz, E.M. (2015). *How will you feel tomorrow? Anticipated emotions and environmental behavior*. Poster. Society for Judgment and Decision Making annual meeting. Chicago, IL.
- Crookes, R., Markowitz, E.M., Weber, E.U. (2015). *Now that we have saved lives, let's save the environment! Defaults and their effect on behavioral spillover*. Poster. Society for Judgment and Decision Making annual meeting. Chicago, IL.

- Markowitz, E.M., Guckian, M. (2015, November). *Doing the right thing...again and again. Developing a web-based platform to study repeated proenvironmental action*. Invited lecture. Laboratory for Sustainable Societies, Columbia University.
- Markowitz, E.M. (2015, September). *Going back to the future: Leveraging psychological insights to promote conservation*. Invited seminar. Ohio State University. Columbus, Ohio.
- Markowitz, E.M., Nisbet, M.C., Danylchuk, A. (2015, August). *What's that buzzing noise? Public acceptance of drone use for environmental conservation*. Invited lecture. American Psychological Association Annual Convention. Toronto, Canada.
- Markowitz, E.M. (2015, June). *Promoting sustainability with a positive vision of the future*. Invited lecture. Seizing an Alternative Toward an Ecological Civilization. Claremont, CA.
- Zaval, L., Markowitz, E.M., Weber, E.U. (2015, May). *Conserving the Environment for Legacy's Sake*. Invited panelist. Psychological Responses to Climate Change Symposium. Association for Psychological Science Annual Convention. New York, NY.
- Markowitz, E.M., Guckian, M. (2015, May). *Communicating about climate adaptation: Opportunities and potential pitfalls*. Poster. National Adaptation Forum. St Louis, MO.
- Markowitz, E.M. (2015, January). *Putting the cart before the horse: Effective climate change communication starts with people, values and solutions*. Invited lecture. Georgetown University, Washington, DC.
- St. John, C., Markowitz, E.M., Marx, S. (2014, December). *Using Social Science Research to Inform and Improve the Practice of Climate Change Communication*. Talk. Meeting of the American Geophysical Union, San Francisco, CA.
- Crookes, R., Markowitz, E.M., Weber, E.U. (2014, November). *After the nudge: Effects of decision architecture on behavioral spillover*. Poster. Society for Judgment and Decision Making Annual Conference.
- Markowitz, E.M. (2014, October). *Public engagement and decision-making: Implications for managing risk in global agriculture*. Invited lecture. Systemic Risk in Global Agriculture meeting. Princeton University. Princeton, NJ.

Markowitz, E.M. (2014, August). *Presenting a new guide to climate change communication*. Invited lecture. American Psychological Association annual convention. Washington, DC.

## Awards, Honors, Scholarships (Selected)

2019	<b>Sustainability Curriculum Fellow.</b> UMass Amherst
2017	<b>Early Career Achievement Award.</b> Division 34, APA.
2015-2016	<b>Student-Centered Teaching &amp; Learning Fellow.</b> UMass Amherst.
2014-2015	<b>Next Generation Hazards &amp; Disasters Fellow.</b> Nat'l Sci Foundation.
