

## Peter J. May

Political Science Department  
Box 353530  
University of Washington  
Seattle, WA USA 98195-3530  
tel: (206) 543-2780; fax: (206) 685-2146  
email: [pmay@u.washington.edu](mailto:pmay@u.washington.edu)

### ACADEMIC and PROFESSIONAL POSITIONS

January 2015 – present	Donald R. Matthews Distinguished Professor Emeritus of American Politics, University of Washington
2010 - 2014	Donald R. Matthews Distinguished Professor of American Politics
July 2010 – June 2014	Chair, Department of Political Science
1992 - 2014	Professor, Political Science Adjunct Professor, Evans School of Public Affairs
March 2009	Visiting Professor, Department of Politics and Public Administration, University of Hong Kong.
April - June 1998	Visiting Professor, Department of Political Science, University of Aarhus, Denmark
January - June 1991	Senior Fulbright Scholar & Visiting Fellow, Centre for Resource and Environmental Studies, Australian National University, Canberra, Australia
1990 - 1992	Associate Professor, Political Science Adjunct Associate Professor, Evans School of Public Affairs University of Washington
1985 - 1990	Associate Professor, Political Science and Public Affairs, University of Washington
1987- 1988	Visiting Analyst, Office of Policy Analysis, U.S. Department of Interior, Washington, D.C.
1979 - 1985	Assistant Professor, Political Science and Public Affairs, University of Washington

### EDUCATION

Ph.D., Public Policy (June 1979)	Graduate School of Public Policy University of California, Berkeley
M.P.P. (June 1976)	Graduate School of Public Policy University of California, Berkeley
A.B., Math & Social Science (June 1972)	Dartmouth College Magna Cum Laude, High Distinction in major

### Teaching Experience:

	B.A., M.A., M.P.A., and Ph.D. level courses
Graduate:	American Politics, Public Policy Processes, Implementation and Bureaucratic Politics Policy Analysis, Environmental Regulation, Quantitative Methods
Undergraduate:	American Politics, Bureaucratic Politics, Policy Formation, Politics of Risk, Social Science Methodology, Quantitative Analysis

### **Teaching related awards:**

UW Marsha L. Landolt Distinguished Graduate Mentor Award 2012. Honorable Mention in 2007, 2010 & 2011

American Political Science Association, Public Policy Section 2014 Excellence in Mentoring Award

### **Research awards:**

American Political Science Association, Public Policy Section, Theodore J. Lowi *Policy Studies Journal* 2012 Award for Best Article, "Constructing Homeland Security: An Anemic Policy Regime," 39(2): 285-307; Peter J. May, Ashley E. Jochim, and Joshua Sapatichne.

American Society for Public Administration's William E. Mosher and Fredrick C. Mosher award for best article by an academic in the 2005 volume of the *Public Administration Review*, "Regulation and Motivations: Examining Different Approaches," 65(1): 31-44.

## **PUBLICATIONS**

Categorized in terms of major research areas of: (1) policy processes; (2) regulation; (3) natural hazards and disasters; (4) environmental management; and (5) other.

### **(1) Policy Processes – Policy Regimes, Policy Design and Implementation, Coherence, and Learning**

#### ***Refereed Articles***

"Making Sense of the U.S. COVID-19 Pandemic Response: A Policy Regime Perspective," 2020. *Administrative Theory & Praxis* 42(2): 265-277. David P. Carter and Peter J. May.

"Issue Expertise in Policymaking," 2016. *Journal of Public Policy* 36(2): 195-218. Peter J. May, Chris Koski, and Nicholas Stramp. Reprinted in *Handbook of Policy Formation*, eds. Michael Howlett and Ishani Mukherjee, Edward Elgar Publishing, 2017, 285-303.

"Revisiting Implementation Failures: Policy Regime Perspectives," 2016. *Public Policy and Administration* 30(3-4): 277-299.

"Political Limits to the Processing of Policy Problems," 2013. *Politics and Governance* 1(2): 104-116. Peter J. May, Ashley E. Jochim, and Barry Pump.

"Policy Regime Perspectives: Policies, Politics, and Governing," 2013. *Policy Studies Journal* 41(3): 426-452; Peter J. May and Ashley E. Jochim.

"Constructing Homeland Security: An Anemic Regime," 2011. *Policy Studies Journal* 39(2) 285-307; Peter J. May, Ashley E. Jochim, and Josh Sapatichne. *American Political Science Association, Public Policy Section, Theodore J. Lowi Award for Best Article.*

"Beyond Subsystems: Policy Regimes and Governance," 2010. *Policy Studies Journal* 38(2): 303-327; Ashley E. Jochim and Peter J. May.

"Widespread Policy Disruption and Interest Mobilization," 2009. *Policy Studies Journal* 37(4): 779-801. Peter J. May, Joshua Sapatichne, and Samuel Workman.

"Politicians, Managers, and Street-Level Bureaucrats: Influences on Policy Implementation," 2009. *Journal of Public Administration Research and Theory* 19(3): 453-476; Peter J. May and Soeren Winter.

"Widespread Policy Disruption: Terrorism, Public Risks, and Homeland Security," 2009. *Policy Studies Journal* 37(2): 171-194; Peter J. May, Joshua Sapatichne, and Samuel Workman.

"Organizing Attention: Responses of the Bureaucracy to Agenda Disruption," 2008. *Journal of Public Administration Research and Theory* 18(4): 517-541. Peter J. May, Samuel Workman, and Bryan D. Jones.

“Collaborative Service Arrangements: Patterns, Bases, and Perceived Consequences,” 2007. *Public Management Review* 9(4): 479-502; Peter J. May and Soeren Winter.

“Policy Coherence and Policy Domains,” 2006. *Policy Studies Journal* 34(3): 381-403; Peter J. May, Joshua Sapotichne, and Samuel Workman.

“Regional Policy Agglomeration: Arctic Policy in Canada and the United States,” 2005. *Journal of Comparative Policy Analysis* 7 (2): 121-136; Peter J. May, Bryan D. Jones, Betsi E. Beem, Emily A. Neff-Sharum, and Melissa K. Poague.

“Policy Coherence and Component-Driven Policymaking: Arctic Policy in Canada and the United States,” 2005. *Policy Studies Journal* 33 (1): 37-63; Peter J. May, Bryan D. Jones, Betsi E. Beem, Emily A. Neff-Sharum, and Melissa K. Poague.

“Fostering Policy Learning: A Challenge to Public Administration,” 1999. *International Review of Public Administration* 4 (June): 21-31.

“Policy Analysis: Past, Present and Future,” 1998. *International Journal of Public Administration* 21 (June – August): 1089-1114.

"Analyzing Mandate Design: State Mandates Governing Hazard-Prone Areas," 1994. *Publius: The Journal of Federalism*, 24 (Spring): 1-16.

"Mandate Design and Implementation: Enhancing Implementation Efforts and Shaping Regulatory Styles," 1993. *Journal of Policy Analysis and Management* 12 (Fall): 634-663.

"Policy Learning and Failure," 1992. *Journal of Public Policy* 12 (Part 4): 331-354.

"Reconsidering Policy Design: Policies and Publics," 1991. *Journal of Public Policy* 11 (part 2): 187-206.

"Policy Analysis: Past, Present and Future," 1989. *Public Administration Review* 49 (March/April): 210-212.

"Politics and Policy Analysis," 1986. *Political Science Quarterly* 101 (Spring): 109-125.

"Hints For Crafting Alternative Policies," 1981. *Policy Analysis* 7 (Spring): 227-244.

### ***Chapters in Books, Governmental Reports, Book Reviews***

“Investigación sobre implementación y gobernanza: Direcciones y retos para el futuro,” (Implementation Research and Governance: Directions and Challenges for Future Research,” 2018. *Gestion Y Politica Publica* 27(1); 269-283. Guillermo M Cejudo, Peter J May, Harald Sætren, Peter Hupe, Søren Winter

“Policy Regimes: Political Science Perspectives,” in Taco Brandsen and Marc Holzer eds., *The Future of Governance: Selected Papers from the Fifth Transatlantic Dialogue on Public Administration*. Rutgers, NJ: National Center for Public Performance, School of Public Affairs and Administration, 2010, pp. 117-134. Ashley E. Jochim and Peter J. May.

“The Paradox of Agency Issue Attention: The Bush Administration and Homeland Security,” in Colin Provost and Paul Teske, eds, *President George Bush’s Influence Over Bureaucracy and Policy: Extraordinary Times, Extraordinary Powers*. New York and London: Palgrave Macmillan, 2009, pp. 123-146; Peter J. May and Samuel Workman.

“Policy Maps and Political Feasibility,” in *Thinking Like a Policy Analyst, Policy Analysis As a Clinical Profession* ed. Iris Geva-May, Palgrave Macmillan Press, 2005, pp. 127-151.

“Policy Design and Implementation,” in B. Guy Peters and Jon Pierre, eds. *Handbook of Public Administration*. London: Sage Publications, 2003, pp. 223-233. Updated chapter in *The Sage Handbook of Public Administration, Second Edition*. London: Sage Publications, 2012, pp. 279-291.

Book Review, Beryl Radin, *Beyond Machiavelli: Policy Analysis Comes of Age* in *Journal of Politics* 64 (1) (February 2002): 277-78.

Book review, Giandomenico Majone, *Evidence, Argument, & Persuasion in the Policy Process* reviewed in *Policy Sciences* 23 (February 1990): 177-179.

Book review of Dunn and Kelley eds. *Advances in Policy Studies Since 1950*, in *Policy Currents* 3 (May 1993): 10-11.

## **(2) Regulation – Accountability, Regulatory Design and Enforcement, Compliance Motivations**

### ***Refereed Articles***

“Regulatory Regimes and Accountability,” 2007. *Regulation and Governance* 1 (1): 1-21.

“Interests and Implementation: Fostering Voluntary Regulation,” 2006. *Journal of Public Administration Research and Theory* 16 (3): 329-349; Chris Koski and Peter J. May.

“Compliance Motivations: Perspectives of Farmers, Homebuilders, and Marine Facilities,” 2005. *Law and Policy* 27 (2): 317-347.

“Regulatory Implementation: Examining Barriers from Regulatory Processes,” 2005. *Cityscape: A Journal of Policy Development and Research* HUD Office of Policy Development and Research, 8 (1): 209-232.

“Regulation and Motivations: Examining Different Approaches,” 2005. *Public Administration Review* 65 (1): 31-44. *William E. Mosher and Fredrick C. Mosher award for best article by an academic in the 2005 volume of PAR.*

“Compliance Motivations: Affirmative and Negative Bases,” 2004. *Law and Society Review* 38 (1): 41-68.

“Marine Facilities and Water Quality: Regulatory versus Voluntary Approaches,” 2003. *Coastal Management Journal* 31 (4): 297-317.

“Performance-Based Regulation and Regulatory Regimes: The Saga of Leaky Buildings,” 2003. *Law and Policy* 25 (4): 381-401.

“At the Regulatory Frontlines: Inspectors’ Enforcement Styles and Regulatory Compliance,” 2003. *Journal of Public Administration Research and Theory* 13 (2): 117-139; Peter J. May and Robert S. Wood.

“Information, Interests and Environmental Regulation,” 2002. *Journal of Comparative Policy Analysis* 2 (4): 115-142; Søren C. Winter and Peter J. May

“Motivation for Compliance with Environmental Regulations,” 2001. *Journal of Policy Analysis and Management* 20 (Fall): 675-698. Søren C. Winter and Peter J. May.

“Reconsidering Styles of Regulatory Enforcement: Patterns in Danish Agro-Environmental Inspection,” 2000. *Law and Policy* 22 (April): 143-173. Peter J. May and Søren Winter.

“Code Enforcement Burdens and Central City Decline,” 2000. *Journal of the American Planning Association*, 66 (Spring): 143-161. Raymond J. Burby, Peter J. May, Emil Malizia, and Joyce Levine.

“Regulatory Enforcement and Compliance: Examining Danish Agro-Environmental Policy,” 1999. *Journal of Policy Analysis and Management* 18 (Fall): 625-651. Peter J. May and Søren Winter

“Improving Compliance with Regulations: Choices and Outcomes for Local Government,” 1998. *Journal of the American Planning Association*. 64 (Summer): 324-334; Raymond J. Burby, Peter J. May, and Robert Paterson.

“Making Sense Out of Regulatory Enforcement,” 1998. *Law and Policy* 19 (April): 157-182. Peter J. May and Raymond J. Burby.

"Regulatory Policy Design: Cooperative versus Deterrent Mandates," 1992. *Australian Journal of Public Administration* 51(March): 43-53; Peter J. May and John W. Handmer.

### ***Chapters in Books, Governmental Reports, Book Reviews***

"Street-Level Bureaucrats and Regulatory Enforcement," forthcoming in Peter Hupe and Michael eds., *Understanding Street-Level Bureaucracy*, Bristol: Policy Press. Soeren Winter and Peter J. May.

"Regulatory Enforcement Styles and Compliance," 2011. In Christine Parker and Viebeke Lehmann Nielsen (Eds.), *Explaining Compliance: Business Responses to Regulation*. Cheltenham, UK & Northampton, MA: Edward Elgar Publishing, pp. 222-244; Peter J. May and Soeren Winter.

"Performance-Based Regulation," 2011. In David Levi-Faur (Ed.), *Handbook on the Politics of Regulation*. Cheltenham, UK & Northampton, MA: Edward Elgar Publishing, pp. 373-384.

"Social Regulation" in Lester Salamon ed. *Tools of Government: A Guide to the New Governance* Oxford University Press, 2002: 156-185.

"Fifteen Steps to Effective Code Enforcement," *Carolina Planner* 22 (Fall 1996): 35-40; Raymond J. Burby and Peter J. May.

### **(3) Risks, Natural Hazards and Disasters – Policy and Politics**

#### ***Books***

*Disaster Policy Implementation: Management Strategies Under Shared Governance* (New York: Plenum Press, 1986); Peter J. May and Walter Williams.

*Recovering From Catastrophes: Federal Disaster Relief Policy and Politics* (Westport, CT: Greenwood Press, 1985).

#### ***Refereed Articles***

"Assessing Public Risks: Extreme Events and Critical Infrastructures," 2013. *Review of Policy Research* 30(2): 139-159; Peter J. May and Chris Koski.

"Developing Regional Building Inventories: Lessons from the Field," 2012. *Earthquake Spectra*, the professional journal of the Earthquake Engineering Research Institute 28 (4): 1305-1329. Thalia Anagnos, Mary C. Comerio, Christine Goulet, Peter J. May, Marjorie Greene, David L. McCormick, and David Bonowitz.

"Making Choices about Earthquake Performance," 2004. *Natural Hazards Review* 5 (2): 64-70.

"Societal Perspectives About Earthquake Risk: The Fallacy of 'Acceptable Risk'," 2001. *Earthquake Spectra*, the professional journal of the Earthquake Engineering Research Institute, 17 (4): 725-737.

"Regulatory Backwaters: Earthquake Risk Reduction in the Western United States," 2000. *State and Local Governmental Review*, 32 (Winter): 20-33. Peter J. May and T. Jens Feeley.

"Unleashing the Power of Planning to Create Disaster-Resistant Communities," 1999. *Journal of the American Planning Association*, 65 (Summer): 247-258. By Raymond J. Burby with Timothy Beatley, Philip R. Berke, Robert E. Deyle, Steven P. French, David R. Godschalk, Edward J. Kaiser, Jack D. Kartez, Peter J. May, Robert G. Paterson, Rutherford H. Platt (contributing author). *Honorable mention for article of the year in JAPA*. Reprinted in *The Economics of Natural Disasters* ed. Howard Kunreuther and Adam Rose, Edward Elgar Publishing, 2004.

"Making Building Codes an Effective Tool for Earthquake Hazard Mitigation," 1999. *Environmental Hazards: Human and Policy Dimensions*, 1 (June): 27-37. Raymond J. Burby and Peter J. May.

"Policy Design for Earthquake Hazard Mitigation: Lessons from Energy Conservation, Radon Reduction, and Termite Control," 1998. *Earthquake Spectra*, the professional journal of the

*Earthquake Engineering Research Institute*, 14 (November): 629-650; Peter J. May, Raymond J. Burby, and Howard Kunreuther.

"Earthquake Risk Reduction: An Examination of Local Regulatory Efforts," 1994. *Environmental Management* 18 (6): 923-937; Peter J. May and Thomas A. Birkland.

"Design Professions and Earthquake Policy," 1992. *Earthquake Spectra*, the professional journal of the Earthquake Engineering Research Institute, 8 (February): 115-132; Peter J. May and Nancy Stark.

"Addressing Public Risks: Federal Earthquake Policy Design," 1991. *Journal of Policy Analysis and Management* 10 (Spring): 263-285. Reprinted in *The Economics of Natural Disasters* ed. Howard Kunreuther and Adam Rose, Edward Elgar Publishing, 2004, pp. 237-259.

"Social Science Perspectives: Risk and Disaster Preparedness," 1989. *International Journal of Mass Emergencies and Disasters* 7 (November): 281-303.

"Implementation Research Perspectives: Earthquake Risk Reduction Policy," 1988. *International Journal of Mass Emergencies and Disasters* 6 (March): 75-89.

"Reassessing Earthquake Hazards Reduction Measures," 1986. *Journal of the American Planning Association* 52 (Autumn): 443-451; Peter J. May and Patricia T. Bolton.

"FEMA's Role in Emergency Management: Examining Recent Experience," 1985. *Public Administration Review* 45 (January): 40-48.

"Recovering From Catastrophe: Mount St. Helens and Federal Disaster Relief Policy," 1984. *The Northwest Environmental Journal* 1 (Fall): 151-170.

"Formulating Disaster Relief When Needs Are Unknown," 1982. *Journal of Policy Analysis and Management* 2 (Fall): 39-54.

### **Chapters in Books, Governmental Reports, Book Reviews**

"Public Risks and Disaster Resilience: Rethinking Public and Private Sector Roles" 2012. In Naim Kapucu, Christopher V. Hawkins, and Fernando I. Rivera (eds), *Disaster Resiliency: Interdisciplinary Perspectives*. New York: Routledge Press, pp 126-145.

"Organizational Culture and the Katrina Response in Louisiana," 2011. In Rachel A. Dowty and Barbara L. Allen (Eds.), *Dynamics of Disaster: Lessons on Risk, Response and Recovery*, pp. 29-46. London: Earthscan; Rachel Dowty, Peter J. May, Colin E. Beech and William A. Wallace.

"Command or Cooperate? Rethinking Traditional Central Governments' Hazard Mitigation Policies," in Urbano Fra Paleo ed. 2009. *Building Safer Communities. Risk Governance, Spatial Planning and Responses to Natural Hazards*, NATO Science for Peace and Security Series Volume 58, IOS Press, pp. 21-33. Raymond J. Burby and Peter J. May.

Book Review, "Hurricane Katrina: Social Science Perspectives" *Public Administration Review* 67(4): 793-794; review of *Shelter From the Storm: Repairing the National Emergency Management System after Hurricane Katrina* Edited by: William L. Waugh, Jr., Georgia State University Volume 604 of *The Annals of The American Academy of Political and Social Science* March 2006, 332pp.

Contributor to *Partnerships for Reducing Landslide Risk, Assessment of the National Landslide Hazards Mitigation Strategy*. Committee on the Review of the Landslide Hazards Mitigation Strategy, National Research Council. Washington, DC: The National Academies Press, 2004. [member of the NRC committee]

Contributor to *Securing Society against Catastrophic Losses: Research and Outreach Plan in Earthquake Engineering*. Oakland, CA: Earthquake Engineering Research Institute, 2003 [Member of the EERI report committee]

Book Review, of Mary Comerio, *Disaster Hits Home* in *Earthquake Spectra* 15 (May 1999): 377-378.

"Anticipating Earthquakes: Risk Reduction Policies and Practices in the Puget Sound - Portland Areas," in A.M. Rogers, W J. Kockelman, G.R. Priest, and T.J. Walsh, eds. *Assessing and Reducing Earthquake Hazards in the Pacific Northwest, vol 2*. U.S. Geological Survey Professional Paper 1560. Washington, D.C.: U.S. Government Printing Office, 1998, pp. 497-515.

"Governing Land Use in Hazardous Areas with a Patchwork System," in *Confronting Natural Hazards: Land-Use Planning for Sustainable Communities* ed. Raymond J. Burby, Washington, D.C.: National Academy Press, 1998, pp. 57-82. Peter J. May and Robert Deyle.

"Addressing Natural Hazards: Challenges and Lessons for Public Policy," *The Australian Journal of Emergency Management* 11 no. 4 (Summer 1996/7): 30-37. Keynote address to the Natural Disasters Reduction Conference 96, Brisbane Australia, September 29 - October 2, 1996.

"State Mandates and Local Policy," *Natural Hazards Observer* 20 (May 1996): 1-3; invited comment with Raymond J. Burby.

"State Mandated Planning: How Well Is It Working?" *Land Use Law and Zoning Digest* 45 (October 1993): 3-9; Raymond J. Burby, Philip Berke, Linda C. Dalton, John M. DeGrove, Steven P. French, Edward J. Kaiser, Peter J. May, and Dale Roenigk.

Review essay "A Dialog About Risk" in *Journal of Contingencies and Crisis Management* 2 (September 1994): 174-178.

Book review of Raymond J. Burby et al., *Sharing Environmental Risks*, in *International Journal of Mass Emergencies and Disasters* 12 (March 1994): 121-123.

"Preface" to the public policy theme issue of *Earthquake Spectra* the professional journal of the Earthquake Engineering Research Institute 8 (February 1992): vii-x (principal co-editor of this volume).

"Assessing Floodproof-retrofitting Implementation Prospects: Lessons from Energy Conservation," in Shirley Laska, *Floodproof Retrofitting: Policy and Implementation Issues*, Boulder, CO: Institute for Behavioral Sciences, 1991; Peter J. May and Patricia T. Bolton.

"Earthquake Risk Reduction: Implementation Prospects," paper for the 4th National Conference on Earthquake Engineering, Palm Springs, CA, May 1990 (Available in *Proceeding*, vol 1; El Cerrito, CA: Earthquake Engineering Research Institute, pp. 259-268).

"Disaster Recovery and Reconstruction," in Louise Comfort, ed. *Managing Disasters: Strategies and Policies*, Chapel Hill, N.C.: Duke University Press, 1988, pp. 236-251.

"Reducing Earthquake Risks: Seismic Safety Policy," *Washington Public Policy Notes* 14 (Autumn 1986), University of Washington, Institute for Public Policy; Peter J. May and Linda L. Nason.

*Land Use Planning for Earthquake Hazard Mitigation*, Special Monograph Publication No. 14 of the Natural Hazards and Applications Information Center, Institute of Behavioral Sciences, University of Colorado, 1986; contributing author.

#### **(4) Environmental Management**

##### ***Books***

*Making Governments Plan: State Experiments in Managing Land Use* (Baltimore: Johns Hopkins University Press, 1997); Raymond J. Burby and Peter J. May with Philip R. Berke, Linda C. Dalton, Steven P. French, and Edward J. Kaiser. Korean version published by the Kyonggi Development Institute in 1999.

*Environmental Management and Governance: Intergovernmental Approaches to Hazards and Sustainability* (London and New York: Routledge Press, 1996); Peter J. May, Raymond J. Burby, Neil Ericksen, John Handmer, Jennifer Dixon, Sarah Michaels, and D. Ingle Smith.

### **Refereed Articles**

"State Environmental Policies: Analyzing Green Building Mandates," 2007. *Review of Policy Research* 24 (1): 49-65; Peter J. May and Chris Koski.

"Intergovernmental Environmental Planning: Addressing the Commitment Conundrum," 1998. *Journal of Environmental Planning and Management* 41 (1): 95-110; Raymond J. Burby and Peter J. May.

"Coercive Versus Cooperative Policies: Comparing Intergovernmental Mandate Performance," 1996. *Journal of Policy Analysis and Management* 15 (2): 171-201; Peter J. May and Raymond J. Burby.

"Can Cooperation Be Mandated? Implementing Intergovernmental Environmental Management in New South Wales and New Zealand," 1995. *Publius: The Journal of Federalism* 25 (1): 89-113. Reprinted in Wolfgang Rudig, ed. 1999. *Environmental Policy, International Library of Comparative Public Policy, vol 11*. Cheltenham, UK: Edward Elgar Publishing, pp. 565-589.

### **Chapters in Books, Governmental Reports, Book Reviews**

"Formulating Greenhouse Policy with Unknown Numbers," *The Australian Journal of Disaster Management* 7 (Autumn, 1992): 7-10.

## RESEARCH GRANTS

National Science Foundation, "Collaborative Research: Critical Infrastructure Policy," September 2009 – December 2013; \$414,000 (PI -- \$264,000 to the University of Washington). (PI)

National Science Foundation, "HSD Collaborative Research: Shared Governance of Risk," October 2006 – October 2009; \$740,000 (PI -- \$440,000 to the University of Washington). (PI)

National Science Foundation, "SGER Collaborative Research: Organizational Design Issues in Emergency Management," November 2005 – October 2006; \$56,461 (Co-PI with Bryan Jones).

Pacific Earthquake Engineering Research Center (University of California, Berkeley), "Implementation Issues for Engineering Innovations," October 2004 – September 2006; \$155,000

National Science Foundation, "SGER: Domestic Policy Regimes and the Changing Arctic," Arctic Social Science Program, April 2002 – March 2004; \$81,000 (Co-PI with Bryan Jones).

Pacific Earthquake Engineering Research Center (University of California, Berkeley), "Regulatory System Implications for Performance-Based Regulatory Standards," October 2002 – September 2003; \$66,000 renewal October 2003 – September 2004; \$69,000.

Environmental Protection Agency, "Normative, Social, and Calculated Motivations for Compliance: Marine Facilities and Water Pollution," June 2001 – September 2004; \$227,000.

Pacific Earthquake Engineering Research Center (University of California, Berkeley), "Impediments to Adoption and Implementation of Engineering Innovations," October 2000 – September 2002; \$105,000.

Pacific Earthquake Engineering Research Center (University of California, Berkeley), "Performance Based Engineering – Socio Economic Considerations," April 1999 – May 2001; \$68,000.

National Science Foundation, "Compliance with Building Code Provisions: Decision-Making for Residential Construction," awarded for the period March 15, 1999 - May 31, 2002; \$127,033 (REU supplement \$7,300).

Pacific Earthquake Engineering Research Center (University of California, Berkeley), "Enforcement of Seismic Provisions of Building Codes in the Western United States," September 16, 1998 - June 15, 1999; \$53,941.

National Science Foundation, Hazard Mitigation Program, "SGER: Collaborative Study of Analogs to Earthquake Mitigation," 1997 - 1998, \$48,640; PI in collaboration with Raymond J. Burby and Howard Kunreuther.

National Science Foundation, Undergraduate Education Equipment Grant, "Technology and Citizenship in an Electronic Information Age," Co-Principal Investigator, 1997-1999; \$44,609.

National Science Foundation, Hazard Mitigation Program, "Enabling the Next Generation of Hazards Researchers," Co-Principal Investigator for a grant to Texas A&M University, 1996-1997; \$178,000.

National Science Foundation, Hazard Mitigation Program, "Evaluating Alternative Approaches to Code Enforcement: Learning from Field Experience," UW subcontract as Co-Principal Investigator in a collaborative project with Raymond J. Burby, 1994-1996, UW component \$105,000.

National Science Foundation, Hazard Mitigation Program, "Comparative Study of Cooperative Hazards Policies: Lessons for the United States from Australia and New Zealand," 1992-1995, PI, \$291,000.

United States Geological Survey, Hazards Assessment Program, "Washington State Seismic Policy Assessment," 1991-92; PI, \$75,000.

National Science Foundation, Earthquake Hazards Mitigation Program, "Use of Land-Use Planning and State Planning Mandates in Hazard Mitigation: A Comparative Evaluation of State and Local Experience," UW subcontract as Co-Principal Investigator in collaborative project with five universities, 1990-1992; UW component \$40,000.

United States Geological Survey, Hazards Assessment Program, "Earthquake Risk Reduction Practices: Puget Sound/Oregon Assessment," 1988-89 (Phase I) \$75,000 ; 1989-90 (Phase II) PI, \$75,000.

National Science Foundation, Earthquake Hazards Mitigation Program, "Land Use Planning and Earthquake Hazard Mitigation," 1983-1985; Senior Associate.

National Science Foundation, Societal Response to Natural Hazards, "Implementing Federal Disaster Policies," 1982-1984; Co-principal Investigator, \$147,000.

National Science Foundation, Societal Response to Natural Hazards, "Problems in Formulating Disaster Relief," 1981-1982; Co-principal Investigator, \$40,000.

Grants from the University of Washington Graduate School Research Fund in 1980, "Tax and Spending Fiscal Illusions"; 1986, ."Policy Responses to Environmental Events".

## RESEARCH REPORTS

*Performance-Based Regulation and Regulatory Regimes.* PEER Report 2004/06; Richmond, CA: Pacific Earthquake Engineering Research Center, University of California Berkeley, September 2004. Peter J. May and Chris Koski.

*Promoting Seismic Safety: Guidance for Advocates.* Report MCEER-04-SP02, May 2004. Buffalo NY: Multidisciplinary Center for Earthquake Engineer Research, SUNY at Buffalo, 200pp.; Daniel Alesch, Peter May, Robert Olshansky, William Petak, and Kathleen Tierney.

*Barriers to Adoption and Implementation of Performance-Based Earthquake Engineering Innovations.* PEER Report 2002/20; Richmond, CA: Pacific Earthquake Engineering Research Center, University of California Berkeley, August 2002.

*Organizational and Societal Considerations for Performance-Based Earthquake Engineering.* PEER Report 2001/4; Richmond, CA: Pacific Earthquake Engineering Research Center, University of California Berkeley, April 2001.

*Adoption and Enforcement of Earthquake Risk Reduction Measures.* Pacific Earthquake Engineering Research Center Report 99/04; Richmond, CA: PEER, University of California Berkeley, August 1999. Peter J. May, Raymond J. Burby, T. Jens Feeley, and Robert Wood.

Panel Contributor to "Working Paper on Seismic Policy Adoption by Local Governments," Committee on Earthquake Engineering. Washington, D.C.: National Research Council, January 1997.

*State Building and Energy Code Administration: Report to Respondents to a National Survey of State Agencies,* University of Washington, Department of Political Science, September 1995; with Dan Hansen and Mark Donovan.

"Discussion Paper: Addressing Cascadia Earthquake Risks" Report prepared in conjunction with USGS grant, September 1992; with Linda L. Noson.

*Anticipating Earthquakes: Risk Reduction Policies and Practices in the Puget Sound and Portland Areas,* Final Project report to the United States Geological Survey, University of Washington, Institute for Public Policy, November 1989.

*Washington Seismic Safety Council Recommendations,* Report to the Governor and Legislature, Division of Emergency Management, State of Washington, September 1986; principal author.

*Implementing Federal Disaster Policies: Hazard Mitigation & Preparedness Programs,* Report to the National Science Foundation, December 1983.

"Alternative Service and Governance Strategies for The Unorganized Borough," and "Design and Implementation Issues For Voucher Systems In Alaska," in *Problems and Possibilities For Service Delivery and Government in the Alaska Unorganized Borough*, Juneau: Alaska Department of Community and Regional Affairs, September 1981.

#### **DISSERTATIONS SUPERVISED (Chair or Co-Chair)**

David S. Carrell, PhD 1990, University of Washington, *The Changing Political Economy of Long-Term Care: The Politics of Reassessment in an Era of Fiscal Stress, 1977-1986*.

Colette C. Carter, PhD 1991, University of Washington, *A Study of Decision-Making Patterns and Organizational Factors Influencing the Responsiveness of Municipal Agencies to Citizen Demands*.

Edward J. Fox, PhD 1993, University of Washington, *Federalism and Health Care Policymaking*.

Kenneth M. Leek, PhD 1995, University of Washington, *Problem Attribution, Leadership and Community Mobilization for Addressing Alcohol Abuse*.

Thomas A. Birkland, PhD 1995, University of Washington, *Toward A Theory of Focusing Events and Agenda Change*.

Mark C. Donovan, PhD 1998, University of Washington, *Taking Aim: Target Populations and the Wars on Drugs and AIDS*.

Sarah B. Pralle, PhD 2001, University of Washington, *Conflict Expansion and Containment in Forestry Politics*.

Robert S. Wood, PhD 2003, University of Washington, *At the Regulatory Frontlines: Building Inspectors and New Public Management*.

Betsi E. Beem, PhD 2005, University of Washington, *Fisheries Policy Learning: The Interplay of Institutions, Interests and Information*.

Chris Koski, PhD 2007, University of Washington, *Requests and Reality: The Interplay of Environmental Regulatory Design and Implementation*.

Emily Neff-Sharum, PhD 2009, University of Washington, *On the Same Page? Problem Definition Stories and the Influence of Institutional Dynamics*.

Joshua Sapatichne, PhD 2009, University of Washington, *Reconstructing National Urban Policy: Agenda-setting in Complex Policy Areas*. (co-chair)

Samuel Workman, PhD 2009, University of Washington, *Economizing Attention: Agenda Setting and the Influence of Bureaucracy in American Politics*. (co-chair)

Ashley E. Jochim, PhD 2012, University of Washington, *The Making of Partisan Issues: Groups, Mass Publics and the Dynamics of Politics*.

John C. Griswold, PhD 2012, University of Washington, *Providing for the Common Defense: Strategic Agency Adaptation and the Politics of the National Guard*.

#### **EXTERNAL DISSERTATION COMMITTEES (external to University of Washington)**

Christopher M. Weible, PhD 2005, University of California, Davis, *An Advocacy Coalition Framework Approach to Explaining Stakeholder Conflict Over California's Marine Life Protection Act*.

Jereon van der Heijden, PhD 2009, Delft University, *Building Regulatory Enforcement Regimes: Comparative Analysis of Private Sector Involvement in the Enforcement of Public Building Regulations*.

David P. Carter, PhD 2016, University of Colorado at Denver, *What's the Difference? Public, Non Profit, and Private Administration of U.S. Organic Food Regulations*.

## PROFESSIONAL ACTIVITIES

Editorial Board Member, *Environmental Hazards*

Editorial Board Member, *Journal of Comparative Policy Analysis*.

Editorial Board Member, *Journal of Public Administration Research and Theory*. (2005-2010)

Editorial Board Member, *Law and Policy*

Editorial Board Member, *Policy Studies Journal*.

Editorial Board Member, *Regulation and Governance*

Editorial Board Member, *Journal of Policy Analysis and Management* (1995-2007)

Editorial Board Member, *Earthquake Spectra* the Journal of the Earthquake Engineering Research Institute (1998-2004)

Member, Washington State Academy of Social Sciences (elected 2012).

Member, National Earthquake Hazards Reduction Program (NEHRP) Advisory Committee on Earthquake Hazards Reduction (ACEHR), a federal government advisory committee (2013-2019 term).

Member, International Advisory Board for the Danish National Social Research Institute, Copenhagen Denmark (2013-2016 term).

Member, Research Oversight Executive Committee of the Pacific Earthquake Engineering Research Center (PEER); University of California, Berkeley in conjunction with nine other universities (1998-2008).

Member, Committee of Visitors, National Science Foundation, Division on Civil and Mechanical Systems (June 2004).

Member, Committee on the Review of National Landslide Hazards Mitigation Strategy, Board on Earth Sciences and Resources, National Academy of Sciences (2001-2003).

Member, Policy Council of the Association for Public Policy Analysis and Management (1992-1995).

Board Member, Earthquake Engineering Research Institute (1994-1997), the professional association of earthquake engineering; Vice-President (1995-97).

Panel Member, "Second Hazard Research Assessment," undertaken by the Natural Hazards Research and Applications Center, University of Colorado, Boulder, 1995-1996.

Member, Executive Council of the Public Administration Section of the American Political Science Association (1992-1994).

Invited participant for White House Office of Science and Technology Policy reviews of environmental research (March 1994) and Earthquake Hazard Reduction Strategies (June 1994).

Invited participant on expert review panels for the Federal Emergency Management Agency earthquake program reviews, Washington D.C. July 1991 and April 1990.

Member, Disaster Mitigation and Management Panel, National Research Council project on Assessment of Federal Earthquake Engineering, Committee on Earthquake Engineering (1989-1990).

Member, Panel on Adoption and Implementation of Earthquake Policies, National Research Council, Committee on Earthquake Engineering (1986-1988).

Member, National Advisory Committee, Center for Hazards Reduction and Recovery, College of Architecture and Urban Planning, Texas A&M University (since 1990).

Co-Chair, Washington State Seismic Safety Council (1985-1986)

Proposal reviews for Environmental Protection Agency, NOAA, National Science Foundation, and United States Geological Survey.

Report reviews for the Federal Emergency Management Agency, National Research Council, and United States Geological Survey.

Journal manuscript reviews for *American Political Science Review*, *American Journal of Political Science*, *American Review of Public Administration*, *Coastal Management*, *Disasters*, *Evaluation Review*, *International Journal of Mass Emergencies and Disasters*, *Governance*, *Government and Policy*, *Journal of the American Planning Association*, *Journal of Politics*, *Journal of Policy Analysis and Management*, *Journal of Public Administration Research and Theory*, *Journal of Public Policy*, *Journal of Risk Research*, *Law and Policy*, *Law and Society Review*, *Political Science Quarterly*, *Public Administration*, *Public Administration Review*, *Public Management Review*, *Publius*, *Regulation and Governance*, *Risk Analysis*, *State and Local Government Review*, *State Politics and Policy Quarterly*, *Urban Affairs Review*.

## **RESIDENTIAL WORKSHOPS, TALKS, AND INVITATIONAL PAPERS – conference papers not listed.**

### **Residential Workshops**

- \* "Studying Public Policy Implementation in an Era of Governance," Faculty member for a PhD course for Latin American students, CENTRO DE INVESTIGACIÓN Y DOCENCIA ECONÓMICAS, Mexico City, February 22-25, 2016.
- \* "Studying Public Policy Implementation in an Era of Governance," Faculty member for a PhD course for European students, Paris, France, May 4-6, 2015.
- \* "Studying Public Policy Implementation in an Era of Governance," Faculty member for a PhD course for Nordic students, Bergen, Norway, May 22-23, 2013.
- \* "Policy Design and Implementation," Visiting Professor, MPA Program Capstone Course, University of Hong Kong, March 20-30, 2009.
- \* "Enabling the Next Generation of Hazards Researchers," Senior faculty member for a workshop held at the Peaceful Valley Ranch, Estes Park; July 7-10, 2004; and workshop held at the J. Erik Jonson Center, National Academy of Sciences, Woods Hole, MA, July 25-28, 2003.
- \* "Policy Design and Implementation," Faculty member for a PhD course for Nordic students, Helsinki Finland, August 11-14, 1996.
- \* "Enabling the Next Generation of Hazards Researchers," Senior faculty member for a workshop held at the J. Erik Jonson Center, National Academy of Sciences, Woods Hole, MA, August 5-9, 1996.
- \* "Comparative Study of Cooperative Approaches to Hazards and Environmental Management," Leader of a team residency at the Rockefeller Foundation's Study and Conference Center in Bellagio, Italy; May 8-20, 1995.

### **Conference Keynote Presentations and Papers**

- \* "Beyond Subsystems: Policy Regimes and Governance," Invited Keynote Talk, Third International Comparative Agendas Conference, Bainbridge Island, Washington; June 17-19, 2010.
- \* "Risk in Building Solutions and Regulation," Invited Keynote Paper, Building Australia's Future annual meeting of the Australian Building Council, Surfers Paradise, Australia, September 24-26, 2007. (Available in conference proceedings.)
- \* "Performance-based Regulation and Regulatory Regimes," Invited Paper, Global Summit on Performance Based Regulation, National Academy of Sciences, November 3-5, 2003. (Available in conference proceedings.)
- \* "Megacities and Earthquakes: Social Science Perspectives," Invited Plenary Paper, First International Conference on Earthquakes and Megacities, Frankfurt Germany, September 1-4, 1997. (Available in conference proceedings.)

- \* "The Mandate for Planning, An Outsider's Perspective on the *Resource Management Act*," Keynote invited paper for the Annual Conference of the New Zealand Planning Institute, Palmerston North, New Zealand, 16 - 18 April 1997.
- \* "Addressing Natural Hazards: Challenges and Lessons for Public Policy," Keynote invited paper to the Natural Disasters Reduction Conference 96, Brisbane, Australia, September 29 - October 2, 1996. (Available in conference proceedings).
- \* "Dilemmas of United States Disaster Policy and Emergency Management," Invited keynote presentation for a conference, Australian Disaster & Emergency Management, How Good? Sydney, Australia, 4-5 March 1991. Australian Institute of Engineers.

### **Invited Lectures/Papers**

- \* "Implementation Failures Revisited: Policy Regime Perspectives," Invited paper, Workshop on Policy Design and Governance Failures, Lee Kuan Yew School of Public Policy, National University of Singapore, February 19-21, 2014.
- \* "Policy Regime Perspectives: Policies and Governing," Invited paper, Workshop on New Policy Theories, University of Colorado, Denver School of Public Affairs, October 4, 2012, paper with Ashley Jochim.
- \* "Public Risks and Disaster Resilience: Rethinking Public and Private Sector Roles," Invited paper, Workshop on Disaster Resiliency, University of Central Florida, March 29, 2012.
- \* "Policy Regimes and Governance: Constructing Homeland Security," Invited faculty seminar, Department of Politics and Public Administration, University of Hong Kong, March 26, 2009.
- \* "Policy Disruptions and Preparedness Agendas: Issue Attention and Limits to Learning," Invited paper for the workshop on Learning from Crises and Major Accidents, CRISMART, Swedish Defense College, Stockholm, May 12-13, 2008; Peter J. May, Bryan D. Jones, and Samuel Workman.
- \* "The Paradox of Issue Attention: The Undermining of Homeland Security," Invited paper for the workshop on Politics and Policymaking in the Bush Administration Federal Bureaucracy, Oxford University, June 22 – 24, 2007; Peter J. May and Samuel Workman.
- \* "Thinking about Policy Coherence," Invited presentation at the Public Policy Program of Simon Fraser University, October 3, 2005.
- \* "Regulatory Implementation: Examining Barriers from Regulatory Processes," Invited paper for the HUD Workshop on Regulatory Barriers, April 22, 2004, Washington D.C.
- \* "Policy Process Teaching, Pedagogical Approaches," and "Public Policy Programs: UW Perspectives," at Simon Fraser University, Department of Political Science, Vancouver BC, November 19, 2001.
- \* "Policy Design and Implementation," Social Research Institute, Danish National Government, Copenhagen, December 11, 2001.
- \* "Environmental Management and Governance, Rethinking Intergovernmental Approaches," Lecture at the Department of Administrative and Organizational Studies, University of Bergen, Norway, May 1998.
- \* "Regulatory Policy: Enforcement and Compliance with Agro-Environmental Regulations in Denmark" invited presentation at Center for Social Science and the Environment, Aarhus University, Aarhus Denmark, May 1998 (with Soeren Winter).
- \* Lectures in conjunction with US-PRC academic exchange visit to the People's Republic of China, October - November 1997:
- \* "Policy Design and Implementation: Empirical Perspectives," seminar at the Department of Politics and Public Administration, Hong Kong University, October 20, 1997.
- \* "Public Policymaking in the United States," undergraduate lecture at the Department of Political Science and Public Administration, Peking University, October 23, 1997.
- \* "Policy Studies: Four American Perspectives," seminar at the Department of Political Science and Public Administration, Peking University, October 23, 1997.
- \* "Challenges and Lessons for Natural Hazard Policies," seminar at the Centre for Disaster Studies, Nanjing University, October 30, 1997.

- \* "Policy Studies: Four American Perspectives," seminar at the Department of International Studies, Fudan University, November 6, 1997.
- \* "Policy Design and Implementation Research" invited presentation at Aarhus University, Aarhus Denmark, July 26, 1994.
- \* Lectures in conjunction with Senior Fulbright Scholarship in Australia, January-June 1991:
  - "Public Policy Toward Public Risks," invited seminar presentations at the Center for Resource and Environmental Studies, Australian National University (March 1991); Center for Environmental and Resource Studies, University of Waikato, New Zealand (March 1991); Social Welfare Program, Monash University (March 1991), Politics Department, University of New England (May 1991); Center for Australian Public Sector Management, Griffith University (May 1991); Geography Department, Flinders University (May 1991); Political Science Department, Melbourne University (May 1991).
  - "U.S. Perspectives on Policy Analysis," Invited seminar presentations at the Public Administration Program, Canberra University (April 1991); Public Policy Program, Sydney University (April 1991); Public Policy Program, University of New England (May 1991).
  - "Policies and Publics" Invited seminar presentation at the Urban Research Program, the Australian National University (May 1991).
