

## PUBLICATIONS

“Shortage of Public Water Supplies in the United States During 1934,” *Journal of the American Water Works Association*, 27(7), July 1935, 841-854.

“The Limit of Economic Justification for Flood Protection,” *The Journal of Land and Public Utility Economics*, 12, May 1936, 133-148.

“Notes on Flood Protection and Land-use Planning,” *Planners Journal*, 3(3), May-June 1936, 57-61.

With the Committee, “The Broadening Scope of Planning,” *Proceedings of the National Zoning Conference*, prepared by the National Resources Committee, Chicago, Illinois, December 12-13, 1937, 25-28.

“Economic Justification for Flood Protection,” *Civil Engineering*, 7(5), May 1937, 345-348.

“Economic Aspects of Flood-forecasting,” *Transactions of 1939 of the American Geophysical Union*, 218-233.

“State Regulation of Floodplain Use,” *Journal of Land and Public Utility Economics*, 16(3), August 1940, 352-357.

“Land Planning,” *Planning for America*, (Edited by G.B. Galloway). New York, NY: Henry Holt, 1941, 89-108.

*Human Adjustment to Floods*, Chicago: University of Chicago Department of Geography Research Papers, No. 29, 1945, published in limited edition in 1942, 225 pp.

“Geographic Problems in Natural Resources Administration,” unpublished paper, presented at the Association of American Geographers, 1948.

“Water Limits to Human Activity in the United States,” *Proceedings of the InterAmerican Conference on Conservation of Renewable Natural Resources*, Section III, Washington, DC: U.S. Department of State, 1948, 317-321.

*The United States and the Soviet Union*, written by AFSC working committee, (GFW chair), Yale University Press, 1949.

“National Resources: Progress and Poverty,” University of Chicago *Round Table*, NBC radio discussion with Edward Ackerman and William Vogt, No. 569, February 13, 1949.

With the Committee, *Task Force Report on Organization and Policy in the Field of Natural Resources*, Appendix L, 255 pp., prepared for the Commission on Organization of the

Executive Branch of the Government, Washington, DC: U.S. Government Printing Office, January 1949.

With others, *New Evidence of the Militarization of America*, Washington: National Council Against Conscription, 1949, 54 pp.

Letter p. 336 *Hearing before a subcommittee of the committee on interstate and foreign commerce*, US Senate, September 27, 28, 29 and October 3, 1949.

“Toward an Appraisal of World Resources,” *Geographical Review*, 39(4), 1949, 625-639.

“Peace with Russia, Realism or Unrealism?” University of Chicago *Round Table*, NBC radio discussion with Harrison Brown, William Henry Chamberlin, Malcolm Sharp and GFW, January 29, 1950.

With the Commission, *A Water Policy for the American People*, Report of the President's Water Policy Commission, Washington, DC: U.S. Government Printing Office, 1950, 3 volumes.

“National Executive Organization for Water Resources,” *American Political Science Review*, 44(3), September 1950, 593-610.

“Reorganization of Federal Agencies for Natural Resources Development,” *Journal of the American Water Works Association*, 42, 1950, 611-614.

“The United States and the Soviet Union,” A report prepared with AFSC. Reprinted from Yale University Press. Industrial and Social Order Council of the Society of Friends. London, 1950.

“The United States and the Soviet Union: The Quaker Report after Six Months. Preface, *The Friend*, Sixth Month 15, 1950, 23 pp.

Written by committee. *Steps to Peace: A Quaker View of U.S. Foreign Policy, A Report prepared for the American Friends Service Committee*. 1951.

“Friends’ Responsibility for Service.” *Friends Face their Fourth Century, The Third World Conference of Friends*. Oxford England, July 28-August 6, 1952, 78-90.

“America’s Dual Responsibility,” *Building Leadership for Peace, Report of the 21st Annual Forum*, 1952, New York: New York Herald Tribune, 22-24.

“Some New Queries for Friends’ School,” *The Courier*. Friends Council on Education, 1953.

“The Liberal Arts College,” p. 369, keynote address Second Buck Hill Falls Conference, Preparation for Medical Education in the Liberal Arts College, The Report of the

Subcommittee on Pre-professional Education of the Survey of Medical Education.  
McGraw Hill, 1953.

“A New Stage in Resource History,” *Journal of Soil and Water Conservation*, 8(5), September 1953, 228-232, 248.

“Alumni Day Address,” *The Westonian*, Westtown School, 1954.

“Chairman’s Summary: Water Resources Problems,” *The Nation Looks at its Resources*, Washington, DC: Resources for the Future, 1954, 173-175.

“Work of the UNESCO Advisory Committee on Arid Zone Research,” *Science*, 120(3105), July 2, 1954, 15.

“Haverford College,” p 89-96. *Faculty Rights and Obligations in Eight Liberal Arts Colleges*, Charles Dennison, TC Studies Education, Colombia, 1955.

With the Commission, “Draft bill entitled ‘Water Resources Act of 1951’,” based on President’s Water Resources Policy Commission Report, May 1955.

With the Committee, *The Goals of Student Exchange*, Committee on Educational Interchange Policy, New York, January 1955.

With the Committee, *Geographic Distribution in Exchange Programs*, Committee on Educational Interchange Policy, New York, January 1955.

With Peter C. Duisberg, “International Arid Lands Meetings in New Mexico,” *Scientific Monthly*, 192, March 1955.

“Symposium on the Future of the Arid Lands,” *Geographical Review*, 45(3), 1955, 434-435.

“International Cooperation in Arid Zone Research,” *Science*, 123(3196), March 30, 1956, 537-538.

Editor, *The Future of Arid Lands*, Washington, DC: American Association for the Advancement of Science, 1956, 444 pp. (In English and Russian.)

“Discussion,” *Water for Industry*, Jack B. Graham and Meredith F. Burrill, (eds.), Washington, DC: American Association for the Advancement of Science, 1956, 121-124.

The High School in a New Era, Papers presented at the Conference on the American High School at the University of Chicago October 28-30, 1957, p. 63-71, 1958, University of Chicago Press.

With the Committee, *The Need for Basic Research with Respect to Renewable Natural Resources*, Special Committee on Renewable Natural Resources, Division of Biology and

Agriculture, Washington, DC: National Academy of Sciences/National Research Council, 1957.

“A Perspective of River Basin Development,” *Law and Contemporary Problems*, 22(2), Spring 1957, 157-184. (In English and Japanese.)

“The Citizen and the Water Problem,” transcription of address to the South Shore Branch, League of Women Voters of Chicago, Chicago, March 27, 1957.

“Introductory Graduate Work for Geographers,” *The Professional Geographer*, 10(2), March 1958, 6-8.

With the Committee, *Integrated River Basin Development*, U.N. Department of Economic and Social Affairs, New York, 1958. (In English, French and Spanish.)

With Wesley C. Calef, James W. Hudson, Harold M. Mayer, John R. Shaeffer, and Donald J. Volk, *Changes in Urban Occupance of Flood Plains in the United States*, Chicago: University of Chicago Department of Geography Research Papers, No. 57, 1958, 235 pp.

“Broader Bases for Choice: The Next Key Move,” *Perspective on Conservation*, Henry Jarrett, Editor, Baltimore: Johns Hopkins University Press, 1958, 205-226.

“The Facts About Our Water Supply,” *Harvard Business Review*, Vol. 36, No. 2, March-April 1958, 87-94.

“River Basin Development,” *News of the U.N.*, Friends General Conference, 2(2), May 1958, 1, 4.

“Emerging Needs in Development of the World's Rivers,” *WMO Bulletin*, July 1958, 108-111.

“The Changing Dimensions of the World Community,” *The High School in a New Era*, Francis S. Chase and Harold A. Anderson, (eds.), Chicago: University of Chicago Press, 1959. Also in *Journal of Geography*, 59(4), April 1960, 165-170.

“Friends Education,” p. 87-98. In Horace Mather Lippinott, (Ed.) *Through a Quaker Archway*. Sagamore Press. 1959.

“A New Attack on Flood Losses,” *State Government*, 32(2), Spring 1959, 121-126.

“Strategic Aspects of Urban Flood Plain Occupance,” *Journal of the Hydraulics Division, Proceedings of the American Society of Civil Engineers*, 86(HY2), February 1960, 89-102.

“A Geographer's View of the Problems of the South Platte,” *Resource Development: Frontiers for Research*, Papers of the Western Resources Conference, 1959, Boulder: University of Colorado Press, 1960, 75-83.

“Industrial Water Use: A Review,” *The Geographical Review*, 50(3), 1960, 412-430.

“Alternative Uses of Limited Water Supplies,” *Impact*, 10(4), 1960, 243-263.

*Science and the Future of Arid Lands*, Paris: United Nations Educational, Scientific and Cultural Organization, 1960. (In English, French and Spanish.)

“The Changing Role of Water in Arid Lands,” *University of Arizona Bulletin Series*, 32(2), November 1960. Also in *Arizona Review*, 16(3), March 1967, 1-8.

“The Control and Development of Flood Plain Areas,” *Proceedings of the 1960 Institute on Planning and Zoning*, Dallas: Southwestern Legal Foundation, 1961, 93-107.

Consultant, “Report of the Select Committee on National Water Resources,” Senate Report No. 29, Eighty-seventh Congress, First Session, 1961.

“Introduction: The Strategy of Using Flood Plains,” *Papers on Flood Problems*, Gilbert F. White, Editor, Chicago: University of Chicago Department of Geography Research Papers, No. 70, 1961, 1-4.

With Robert W. Kates, “Flood Hazard Evaluation,” *Papers on Flood Problems*, Gilbert F. White, Editor, Chicago: University of Chicago Department of Geography Research Papers, No. 70, 1961, 135-147.

Editor, *Papers on Flood Problems*, Chicago: University of Chicago Department of Geography Research Papers, No. 70, 1961.

“Water: A Growing Crisis on the Flood Front,” *Planning*, Chicago: American Society of Planning Officials, 1961, 132-136.

“The Choice of Use in Resources Management,” *Natural Resources Journal*, 1, March 1961, 23-40.

“A Joint Effort to Improve High School Geography,” *Journal of Geography*, 60(8), November 1961, 357-360.

“Water Pollution Control and Its Challenge to Political Economic Research: Discussion,” *Proceedings of the National Conference on Water Pollution*, U.S. Department of Health, Education and Welfare, Washington, DC: U.S. Government Printing Office, 1961, 485-497.

With Charles C. Colby, “Harlan H. Barrows, 1877-1960,” *Annals*, Association of American Geographers, 51(4), December 1961, 395-400.

Advisory committee, The Peace Corps, A Study by the Colorado State University Research Foundation, Ft. Collins, Colorado. Prepared for the International Cooperation Administration, 1961.

“Report of the Past President,” *Professional Geographer*, 14(4), July 1962, 13-14.

“The Lower Mekong Development: Its Meaning and Extent,” *Resources*, No. 112, May 1962, 19-26. (In English and Japanese.)

With Egbert de Vries, Harold B. Dunkerley, and John V. Krutilla, “Economic and Social Aspects of Lower Mekong Development,” *A Report to the Committee for Coordination of Investigations of the Lower Mekong Basin*, January 1962. (In English and French.)

“Critical Issues Concerning Geography in the Public ServiceCIntroduction,” *Annals*, Association of American Geographers, 52(3), September 1962, 279-280.

With the Committee, *Natural Resources: A Summary Report to the President of the United States*, National Research Council Committee on Natural Resources, Washington, DC: National Academy of Sciences, Publication 1000, 1962, 62 pp.

“The Changing Role of Water in Arid Lands,” *The Annie W. Riecker Memorial Lecture Series*, University of Arizona Press, Tucson, AZ, 1962.

“Social and Economic Aspects of Natural Resources,” *A Report to the Committee on Natural Resources*, Washington, DC: National Academy of Sciences, Publication 1000-G, 1962.

“Thirsty Lands—Past and Future,” *UNESCO Courier*, May 1962, 4-17.

“Uncharted Intellect: Our Unworldly Ignorance,” *Chicago Sunday Sun-Times*, June 10, 1962, Section 2, 1-2.

As told to Jack Star, “We’re Talking Ourselves into a Water Crisis,” *Look*, September 11, 1962, 61-64.

Review of *Man, Mind and Land: A Theory of Resource Use*, Walter Firey, *Economic Geography*, 39(4), 1962, 373-374.

Opening Statement, *White House Conference on Conservation, Official Proceedings*, May 24-25, 1962, Washington, DC: US Government Printing Office, 1962, 43-45.

“Contributions of Geographical Analysis to River Basin Development,” *Geographical Journal*, 129, Pt. 4, December 1963, 412-436.

“The Mekong River Plan,” *Scientific American*, 208(4), April 1963, 49-59, also in *Arms Control*, Herbert F. York, Editor, San Francisco: W. H. Freeman, 1973, 318-329.

With Howard Cook, "Making Wise Use of Flood Plains," *Science, Technology and Development*, Vol. 1, U.S. papers prepared for U.N. conference, Washington, DC: U.S. Government Printing Office, 1963, 343-359.

Review of *Gewässer and Wasserhaushalt des Festlands*, Reiner Keller, *Geographical Review*, 53(4), 1963, 628-629.

With the Committee, "An Outline of International Programs in the Atmospheric Sciences," National Research Council, Ad Hoc Committee on International Programs in Atmospheric Sciences and Hydrology, Washington, DC: National Academy of Sciences, Publication 1085, 1963.

"United Nations Conference on the Application of Science and Technology for the Benefit of the Less Developed Areas," *Geographical Review*, 53, October 1963, 608-609.

"New Emphasis in Planning Our Physical Resources," Proceedings of the Sixth Annual Metropolitan Area Planning Conference, September 25, 1963.

"Maps in Our Changing World," *Current Events*, 63(21), 1964, 163-166.

"Floodplain Adjustment and Regulations," *Handbook of Applied Hydrology*, Section 25-V, Ven Ta Chow, Editor, New York: McGraw-Hill, 1964.

*Choice of Adjustment to Floods*, Chicago: University of Chicago Department of Geography Research Papers, No. 93, 1964, 150 pp.

"Rivers of International Concord," *UNESCO Courier*, No. 32, July-August 1964, 36-37.

"Vietnam: The Fourth Course," *Bulletin of the Atomic Scientists*, Vol. 20, No. 10, December 1964, 6-10. Also in Marcus Raskin and Bernard Fall (eds.), *The Viet Nam Reader*, New York: Random House, 1965, 351-357.

"Neglected Alternatives to Flood Protection," *1964 Annual Report*, Washington, DC: Resources for the Future, 15-24.

"Rediscovering the Earth," *American Education*, 1(2), February 1965, 8-11. Also in *Bulletin of the National Association of Secondary School Principals*, 51(316), February 1967, 1-9.

"Geography in Liberal Education," *Geography in Undergraduate Education, A Report of the Geography in Liberal Education Project*, Washington, DC: Association of American Geographers, 1965, 13-24.

"Water Development as Part of a Development Aid Policy," *Proceedings of the International Conference on Water Development in Less Developed Areas*, Berlin, 1963, Berlin: Duncker and Humblot, 1965, 44-56.

- With W. R. D. Sewell, "The Lower Mekong," *International Conciliation*, No. 558, May, 1966, 1-63.
- With the Committee, *Alternatives in Water Management: Report of the Committee on Water, Division of Earth Sciences*, Washington, DC: National Academy of Sciences, 1966.
- With the Commission. *Weather and Climate Modification: Report of the Special Commission on Weather Modification*, Washington, DC: National Science Foundation, 1966.
- With the Task Force. *A Unified National Program for Managing Flood Losses: Report by the Task Force on Federal Flood Control Policy*, Washington, DC: Bureau of the Budget, 1966. Also, Eighty-ninth Congress, Second Session, House Document No. 465, 47 pp.
- "Approaches to Weather Modification," *Human Dimensions of Weather Modification*, Chicago: University of Chicago Department of Geography Research Papers, No. 105, 1966, 19-23.
- "Optimal Flood Damage Management: Retrospect and Prospect," *Water Research*, Allen V. Kneese and Stephen C. Smith, (eds.), Baltimore: Johns Hopkins University Press, 1966, 251-269. Also in *Selected Works in Water Resources*, Asit Biswas, Editor, Champaign, IL: International Water Resources Association, 1975, 201-219.
- "Formation and Role of Public Attitudes," *Environmental Quality in a Growing Economy: Essays from the Sixth RFF Forum*. Baltimore: Johns Hopkins University Press, 1966, 105-127.
- "The World's Arid Areas," *Arid Lands: A Geographical Appraisal*, E. S. Hills, Editor, London: Methuen, 15-30; Paris: UNESCO, 1966.
- "Deserts as Producing Regions Today," *Arid Lands: A Geographical Appraisal*, E. S. Hills, Editor, London: Methuen, 421-437; Paris: UNESCO, 1966.
- "Arid Lands," *Future Environments of North America*, F. Fraser Darling and John P. Milton, (eds.), Garden City, NY: The Natural History Press, 1966, 172-184.
- "Rediscovering the Earth," *Bulletin of the National Association of Secondary School Principals*, 51(316), February 1967, 1-9.
- With the Committee, *African and American Universities Program, 1958-1966: A Summary*, University of Chicago, 1967.
- "Flood Plain Safeguards: A Community Concern," *Outdoors U.S.A.: The Yearbook of Agriculture*, U.S. Department of Agriculture, Washington, DC: U.S. Government Printing Office, 1967, 133-136.
- "River Basin Planning and Peace: The Lower Mekong," *Problems and Trends in American Geography*, Saul B. Cohen, Editor, New York: Basic Books, 1967, 187-199.

“Task Force Report on Federal Flood Control Policy,” *Conference Preprint 550, American Society of Civil Engineers, National Meeting on Water Resource Engineering*, New York, October 16-20, 1967.

“Chronic Dilemma,” *Friend’s Journal*, April 15, 1967, 215-216.

“Background for Better Teaching: The Uses of New Geography,” *Professional Growth for Teachers, Social Studies*, Second Quarter Issue, 1967-1968, 2-3.

With James A. Harder, “The Mekong River Project,” *The 1968 World Book Yearbook: The Annual Supplement to the World Book Encyclopedia*, Chicago: Field Enterprises Educational Corporation, 1968, 79-95.

“Federal Flood Control Policy,” *Civil Engineering*, American Society of Civil Engineers, 38(8), 1968, 60-62.

With the Committee, *Water and Choice in the Colorado Basin: An Example of Alternatives in Water Management*, National Research Council Committee on Water, Washington, DC: National Academy of Sciences, Publication 1689, 1968.

*Strategies of American Water Management*, Ann Arbor: The University of Michigan Press, 1969. (In English and Russian.)

“As the Rich Grow Richer,” unpublished paper, Commencement Address, Earlham College, Richmond, Indiana, January 20, 1969.

Editor, *Water, Health and Society*, Selected Papers by Abel Wolman, Bloomington: Indiana University Press, 1969.

“Flood Damage Prevention Policies,” *United Nations Interregional Seminar on Flood Damage Prevention: Measures and Management*, Tbilisi, USSR, September 25-October 15, 1969, 18-37. New York: United Nations.

“Scientific Dimensions of Water Planning,” *Earth Sciences Newsletter*, No. 5, December 1969.

“World Population, A challenge to the United Nations and its system of agencies.” A report of the National Policy Panel established by the United Nations Association of the USA. With Bornson P. Clark, *Vietnam 1969*, an AFSC White Paper, 1969, 14 pp.

With the Commission, “The University's Response to the Environmental Crisis,” Commission on Environmental Studies, Boulder: University of Colorado, 1970.

“Preface,” reprinting of *Integrated River Basin Development*, New York: United Nations, Department of Economic and Social Affairs, 1970, ix-xiii. (Original edition, 1958.)

“Flood Losses: A Global Perspective,” *Water Spectrum*, 2(1), Spring, 1970, 20-23.

“The University and National Water Policy,” *The University's Role in National Water Policy*, J. Ernest Flack, Editor, proceedings of a conference held July 27-28, 1970, Blacksburg, Virginia: Universities Council on Water Resources, 1-9.

“Recent Developments in Flood Plain Research,” *Geographical Review*, 60(3), July 1970, 440-443.

“Unresolved Issues,” *Arid Lands in Transition*, Harold E. Dregne, Editor, Washington, DC: American Association for the Advancement of Science, 1970, 481-491.

“Flood-loss Reduction: The Integrated Approach,” *Journal of Soil and Water Conservation*, Vol. 25, No. 5, September-October 1970, 172-176.

With the Committee, *From Geographic Discipline to Inquiring Student: Final Report on the High School Geography Project*, Donald J. Patton, Editor, Washington, DC: Association of American Geographers, 1970, 70-72.

“The Meaning of the Environmental Crisis,” presented at University of California, Los Angeles, December 7, 1970, in Burton and Kates, Vol. I, 278-290.

“Suggestions for the Proposed Publication on Planning of Water Resources Development in Africa,” *Water Resources Development and Social Welfare*, Economic Commission for Africa, Working Group on Water Resources Planning, June 15-25, 1970.

With the Committee, *Evaluation Processes in Water Resources Management and Development*, Report of the Task Force on Water Resources Evaluation of the Universities Council on Water Resources, 1971.

“Environmental Protection and Water Development,” unpublished paper, International Geographical Union (IGU) Commission on Man and Environment, May 1971.

“Evaluating the Consequences of Water Management Projects,” unpublished paper, presented at Columbia University, March 21, 1971.

“Two New Issues in Water Planning,” unpublished paper, presented at Oregon State University, Corvallis, January 25, 1971.

“International Response to Environmental Hazards,” unpublished paper, IGU Commission on Man and Environment, May 1971.

“Collaboration in Natural Hazards Research,” *Geographical Review*, 62(2), 1972, 280-281.

With David J. Bradley and Anne U. White, *Drawers of Water: Domestic Water Use in East Africa*, Chicago: University of Chicago Press, 1972.

- “International Cooperation Among Geographers: The IGU Commission on Man and Environment,” *Geoforum: Journal of Physical, Human and Regional Geosciences*, 3(10), 1972, 98-99.
- “International Dimensions,” *High School Geography Project: Legacy for the Seventies*, Angus M. Gunn, Editor, prepared for the International Geographical Union Commission on the Teaching of Geography, Montreal: Educatif et Culturel, 1972, 37-41.
- “Organizing Scientific Investigations to Deal with Environmental Impacts,” *The Careless Technology*, M. Taghi Farvar and John P. Milton, (eds.), Garden City, NY: Natural History Press, 1972, 914-926.
- With the Committee, *Man-made Lakes as Modified Ecosystems*, Report of the SCOPE Working Group on Man-made Lakes, Paris: International Council of Scientific Unions, SCOPE Report No. 2, 1972.
- “Geography and Public Policy,” *Professional Geographer*, 24(2), 1972, 101-104.
- “Environmental Impact Statements,” *Professional Geographer*, 24(3), 1972, 302-309.
- “Human Response to Natural Hazard,” *Perspectives on Benefit-risk Decision Making*, report of colloquium conducted by the Committee on Public Engineering Policy, Washington, DC: National Academy of Engineering, April 1972, 43-49.
- “History of Fire in North America,” *Fire in the Environment: Symposium Proceedings*, published in cooperation with the fire services of Canada, Mexico, and the U.S. Members of the Fire Management Study Group, North American Forestry Commission, Food and Agriculture Organization, Washington, DC: Forest Service, Department of Agriculture, December 1972, 3-11.
- “Regional Alternatives,” *The High Plains: Problems of Semiarid Environments*, Donald D. MacPhail, Editor, (48th annual meeting of Southwestern and Rocky Mountain Division of the American Association for the Advancement of Science, April 26-29, 1972). Fort Collins: Colorado State University, 97-100.
- With the Committee, *The Agnes Floods*, Report for the Administrator of the National Oceanic and Atmospheric Administration by the National Advisory Committee on Oceans and Atmosphere, Washington, DC: U.S. Government Printing Office, November 22, 1972.
- “Response to the Presentation of the Iben Award,” *Water Resources Bulletin*, 8(6), December 1972, 1287-1289.
- “Moral Issues Concerning the Global Environment,” unpublished paper, March 29, 1972.

With the Committee, *Experiment Without Precedent*, Report of an American Friends Service Committee Delegation's Visit to China, May 1972.

With William C. Ackermann and E. B. Worthington, (eds.), *Man-made Lakes: Their Problems and Environmental Effects*, Washington, DC: American Geophysical Union, Geophysical Monograph 17, 1973.

“Public Opinion in Planning Water Development,” *Environmental Quality and Water Development*, Charles R. Goldman, James McEvoy, II, and Peter J. Richerson, (eds.), San Francisco: W. H. Freeman, 1973.

“Prospering with Uncertainty,” *Transfer of Water Resources Knowledge*, Evan Vlachos, Editor, Proceedings of the First International Conference on Transfer of Water Resources Knowledge, Fort Collins: Water Resources Publications, 1973, 22-28. Also in *Floods and Droughts*, E. F. Schulz, V. A. Koelzer, and Khalid Mahmood, (eds.), Proceedings of the Second International Symposium in Hydrology, Fort Collins, CO: Water Resources Publications, 1973, 9-15.

With Daya U. Hewapathirane, “Obstacles to Consideration of Resources Management Alternatives: South Asian Experience,” *Transfer of Water Resources Knowledge*, Evan Vlachos, Editor, Proceedings of the First International Conference on Transfer of Water Resources Knowledge, Fort Collins, CO: Water Resources Publications, 1973, 252-261.

“Preface,” *Man, Materials, and Environment*, Report for the National Commission on Materials Policy by the Study Committee on Environmental Aspects of a National Materials Policy, Committee for International Environmental Programs, Washington, DC: National Academy of Sciences/National Academy of Engineering, 1973, 7-10.

“Natural Hazards Research,” *Directions in Geography*, Richard J. Chorley, Editor, London: Methuen, 1973, 193-216.

“The Changing Role of Water in Arid Lands,” *Coastal Deserts: Their Natural and Human Environments*, David H. K. Amiran and Andrew W. Wilson, (eds.), Tucson: University of Arizona Press, 1973, 37-43, adapted from the Riecker Lecture. Also in *Arizona Review*, 16(3), March 1967, 1-8.

“The Last Settler's Syndrome,” *Exploring Options for the Future: A Study of Growth in Boulder County*. Vol. 8: Social and Humanistic Aspects, Boulder: Boulder Area Growth Study Commission, November 1973, 80-85.

Chairman of Advisory Board, *Exploring Energy Choices: A Preliminary Report*, Washington, DC: Ford Foundation Energy Policy Project, 1974.

“Domestic Water Supply: Right or Good?” *Proceedings of Ciba Foundation Symposium on Human Rights in Health, July 4-6, 1973*, London, Amsterdam: Associated Scientific Publishers, 1974, 35-59.

“Comparative Field Observations on Natural Hazards,” *Man and Environment*, Marton Pecs and Ferenc Probal, (eds.), Budapest: Research Institute of Geography, Hungarian Academy of Sciences, 1974, 73-79.

“Role of Geography in Water Resources Management,” *Man and Water*, L. Douglas James, (ed.), Lexington, KY: University Press of Kentucky, 1974, 102-121.

“The Role of Scientific Information in Anticipation and Prevention of Environmental Disputes,” unpublished paper, presented at Bellagio, Italy, July 19-23, 1974.

“Environmental Threats to Man,” *Energy, Environment, Productivity*, Proceedings of the First Symposium on RANN: Research Applied to National Needs, November 18-20, 1973, Washington, DC: National Science Foundation, May, 1974, 86-93.

“Edward A. Ackerman, 1911-1973,” *Annals, Association of American Geographers*, 64(2), June 1974, 297-309.

“Natural Hazards Research: Concepts, Methods, and Policy Implications,” *Natural Hazards: Local, National, Global*, Gilbert F. White, (ed.), New York: Oxford University Press, 1974, 3-16.

With Paul Slovic and Howard Kunreuther, “Decision Processes, Rationality, and Adjustment to Natural Hazards,” *Natural Hazards: Local, National, Global*, Gilbert F. White, (ed.), New York: Oxford University Press, 1974, 187-205.

(ed.), *Natural Hazards: Local, National, Global*, New York: Oxford University Press, 1974, 288 pp. (In English and Russian, Progress, 1978, edited by Golobev, Lavrov, Nikiforova, and Lavrov).

“Mekong River,” *Encyclopaedia Britannica*, 15th Edition, 1974, 860-863.
