# Today's Webinar is Being Recorded

The captioned recording and presentation slides will be posted online at:

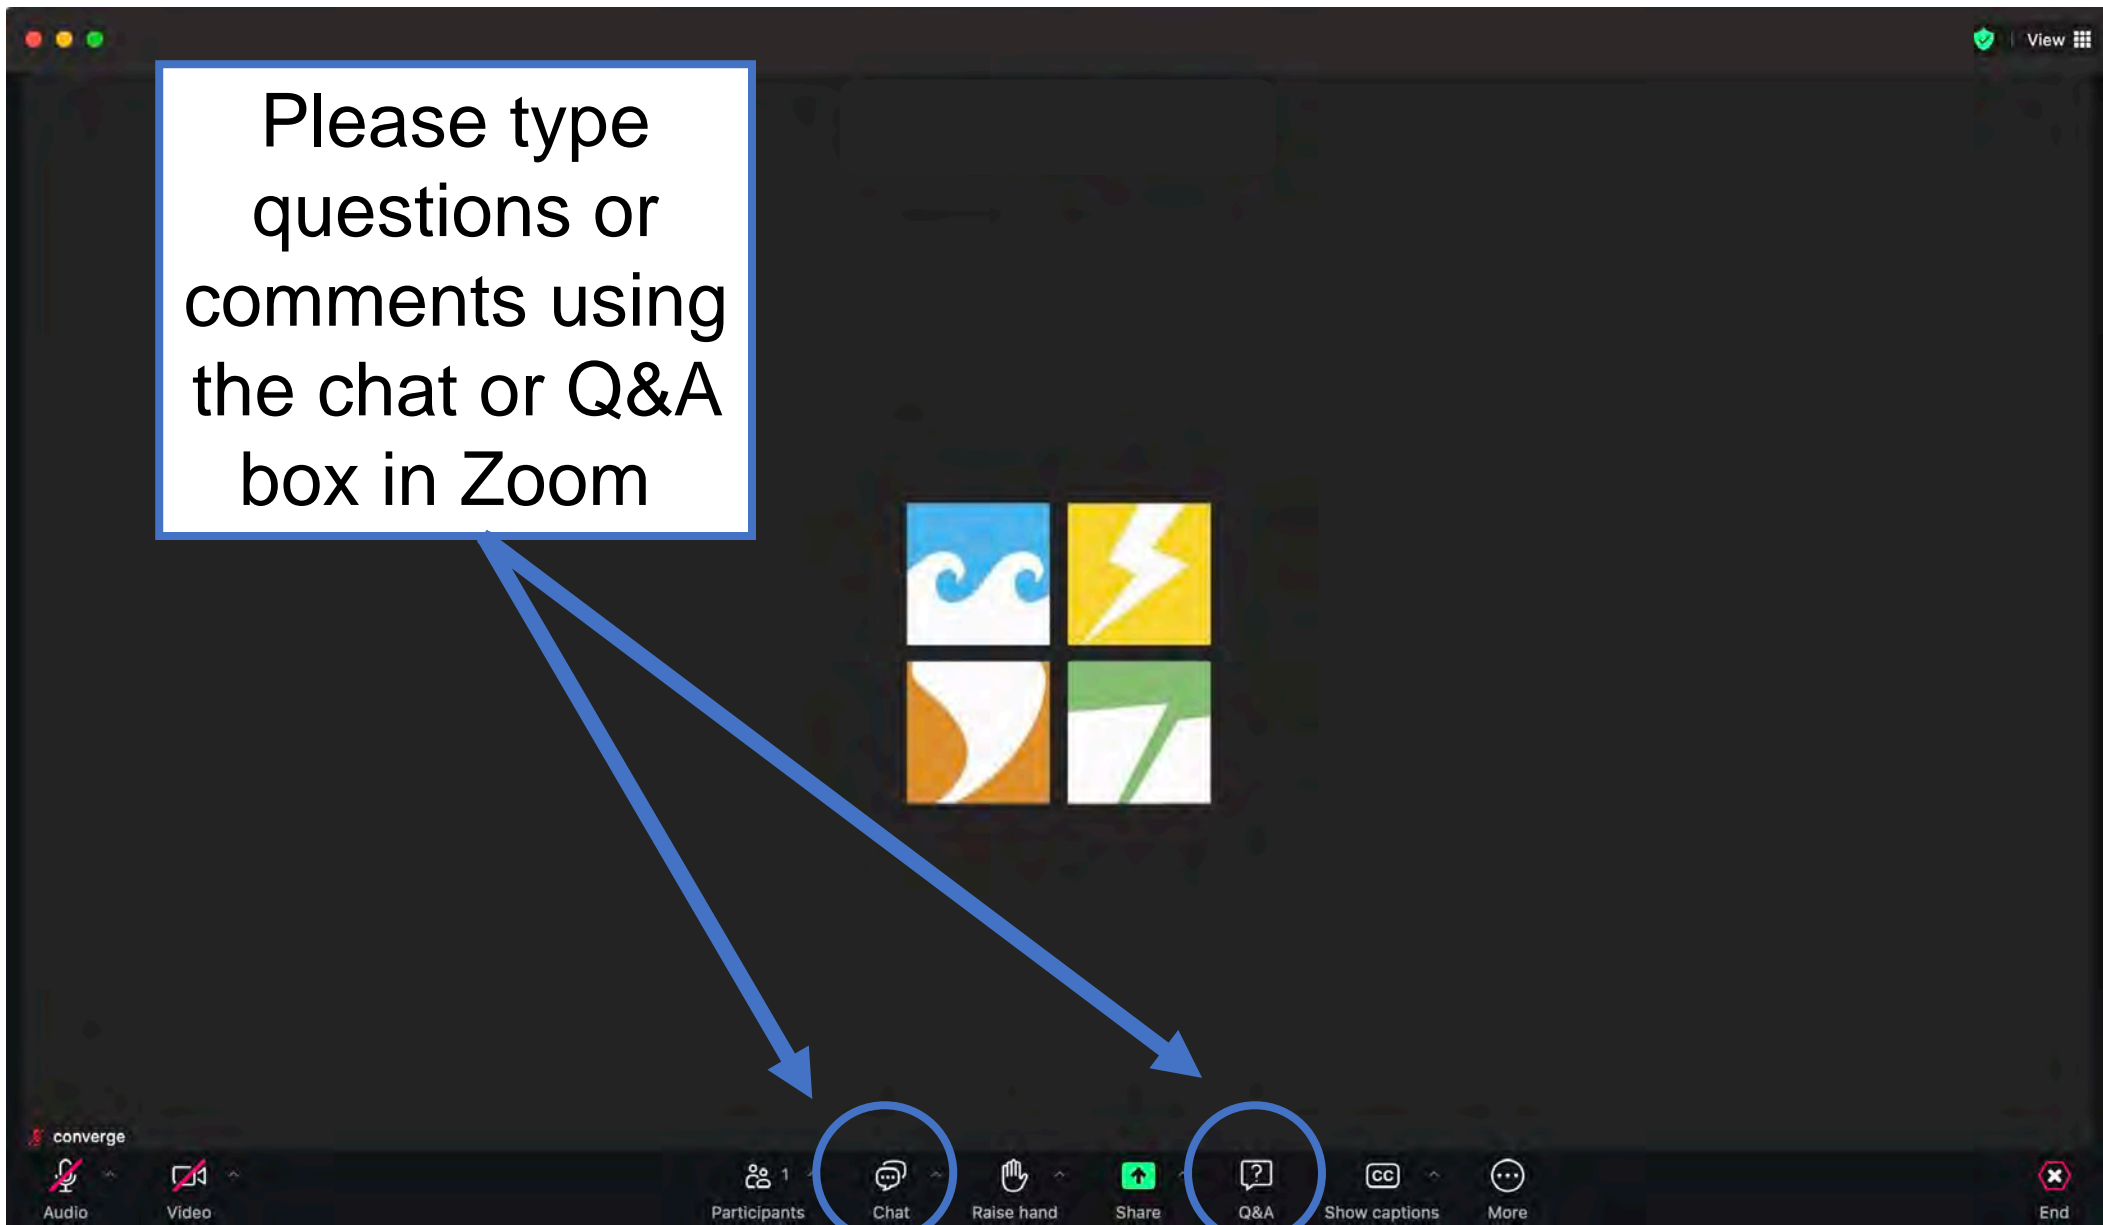

[hazards.colorado.edu/training/webinars/making-mitigation-work](https://hazards.colorado.edu/training/webinars/making-mitigation-work)

You can also find the previous webinar recordings on the Making Mitigation Work website under Past Event Recordings:

[hazards.colorado.edu/training/webinars/pastrecordings](https://hazards.colorado.edu/training/webinars/pastrecordings)

Please type questions or comments using the chat or Q&A box in Zoom

# Earn Continuing Education Credits!

If you attend this live webinar for its duration, please contact us at [hazctr@colorado.edu](mailto:hazctr@colorado.edu) to request your certificate of attendance.

Every webinar earns you 1 contact hour towards your Emergency Management training certification with IAEM!

Additional information is available at: [hazards.colorado.edu/training/webinars/continuing-education-credits](https://hazards.colorado.edu/training/webinars/continuing-education-credits)

# Prepared for Anything: The Role of Business Continuity in Organizational Resilience

In this session you will learn about the business continuity function, its history, and how it contributes to the overall resiliency of an organization.

Speakers will discuss the benefits of partnerships between private and public sector practitioners and how they can strengthen overall community resilience.
