FEMA

The Resilient Nation Partnership Network (RNPN) represents a diverse network of voices helping communities become more resilient toward natural hazards, disasters, and climate-related events.

Today we learn from the RNPN and their journey to expand natural hazard mitigation and climate adaptation partnerships across the country through initiatives like Building Alliances and their newest effort, Stories of Resilience.

FEMA

Expanding Partnerships: The Journey to Build a Resilient Nation

Tuesday, February 7, 2023

11:00 a.m. to 12:00 p.m. MST

Bradley Dean
Resilient Nation
Partnership Network

Bradley Dean is the communications and partnership specialist with the Federal Emergency Management Agency's (FEMA) Risk Management Directorate leading the [Resilient Nation Partnership Network](#) and coordinating diverse resilience, climate adaptation, and natural hazard mitigation efforts. He was FEMA's first climate communications team lead and continues to support interagency efforts focused on climate and extreme weather, acting as an editor for the 5th National Climate Assessment.
