Additional information is available at: hazards.colorado.edu/training/webinars/continuing-education-credits

Inclusive Emergency Alerts: Recommendations for Language and Disability Access

This presentation will review the findings from the recently released report, [Inclusive Emergency Alerts for Colorado: An Assessment and Recommendations for Language and Disability Considerations](#).

This research, which was conducted at the direction of the Colorado legislature under [House Bill 23-1237](#), explored best practices and made recommendations for improvement based on survey and interview feedback from more than 250 emergency personnel and decision-makers.
