FEMA

Implementing Mitigation Near and Far: U.S. States, New Zealand, and Applied Research

Tuesday, April 13, 2021

1:00 to 2:00 p.m. Eastern

Gavin Smith,
Professor, North
Carolina State
University

Using the results of a survey of U.S. state hazard mitigation officers, speaker Gavin Smith will provide insight on how to build the capacity needed to effectively implement [Hazard Mitigation Assistance grants](#) offered by the Federal Emergency Management Agency. Then, by tapping into to a study comparing housing buyout programs in the New Zealand and the United States, Smith will discuss international strategies to be learned from the development and implementation of such programs.
