# The Quiet Majority: Understanding Communities to Make Mitigation Work

Tuesday, April 14, 2019  
1:00 to 2:00 p.m. Eastern

**Chris Barth,**  
Bureau of Land  
Management

**Hannah  
Brenkert-Smith,**  
University of  
Colorado  
Boulder

*This webinar will introduce the Wildfire Research (WiRē) model, a long running, practitioner-research collaboration that increases the relevance and efficacy of wildfire mitigation programs. The WiRē team recognizes that there is no one-size-fits-all solution to reducing wildfire risk, and thus tailors its work to households and communities.*
