# Today's Webinar is Being Recorded

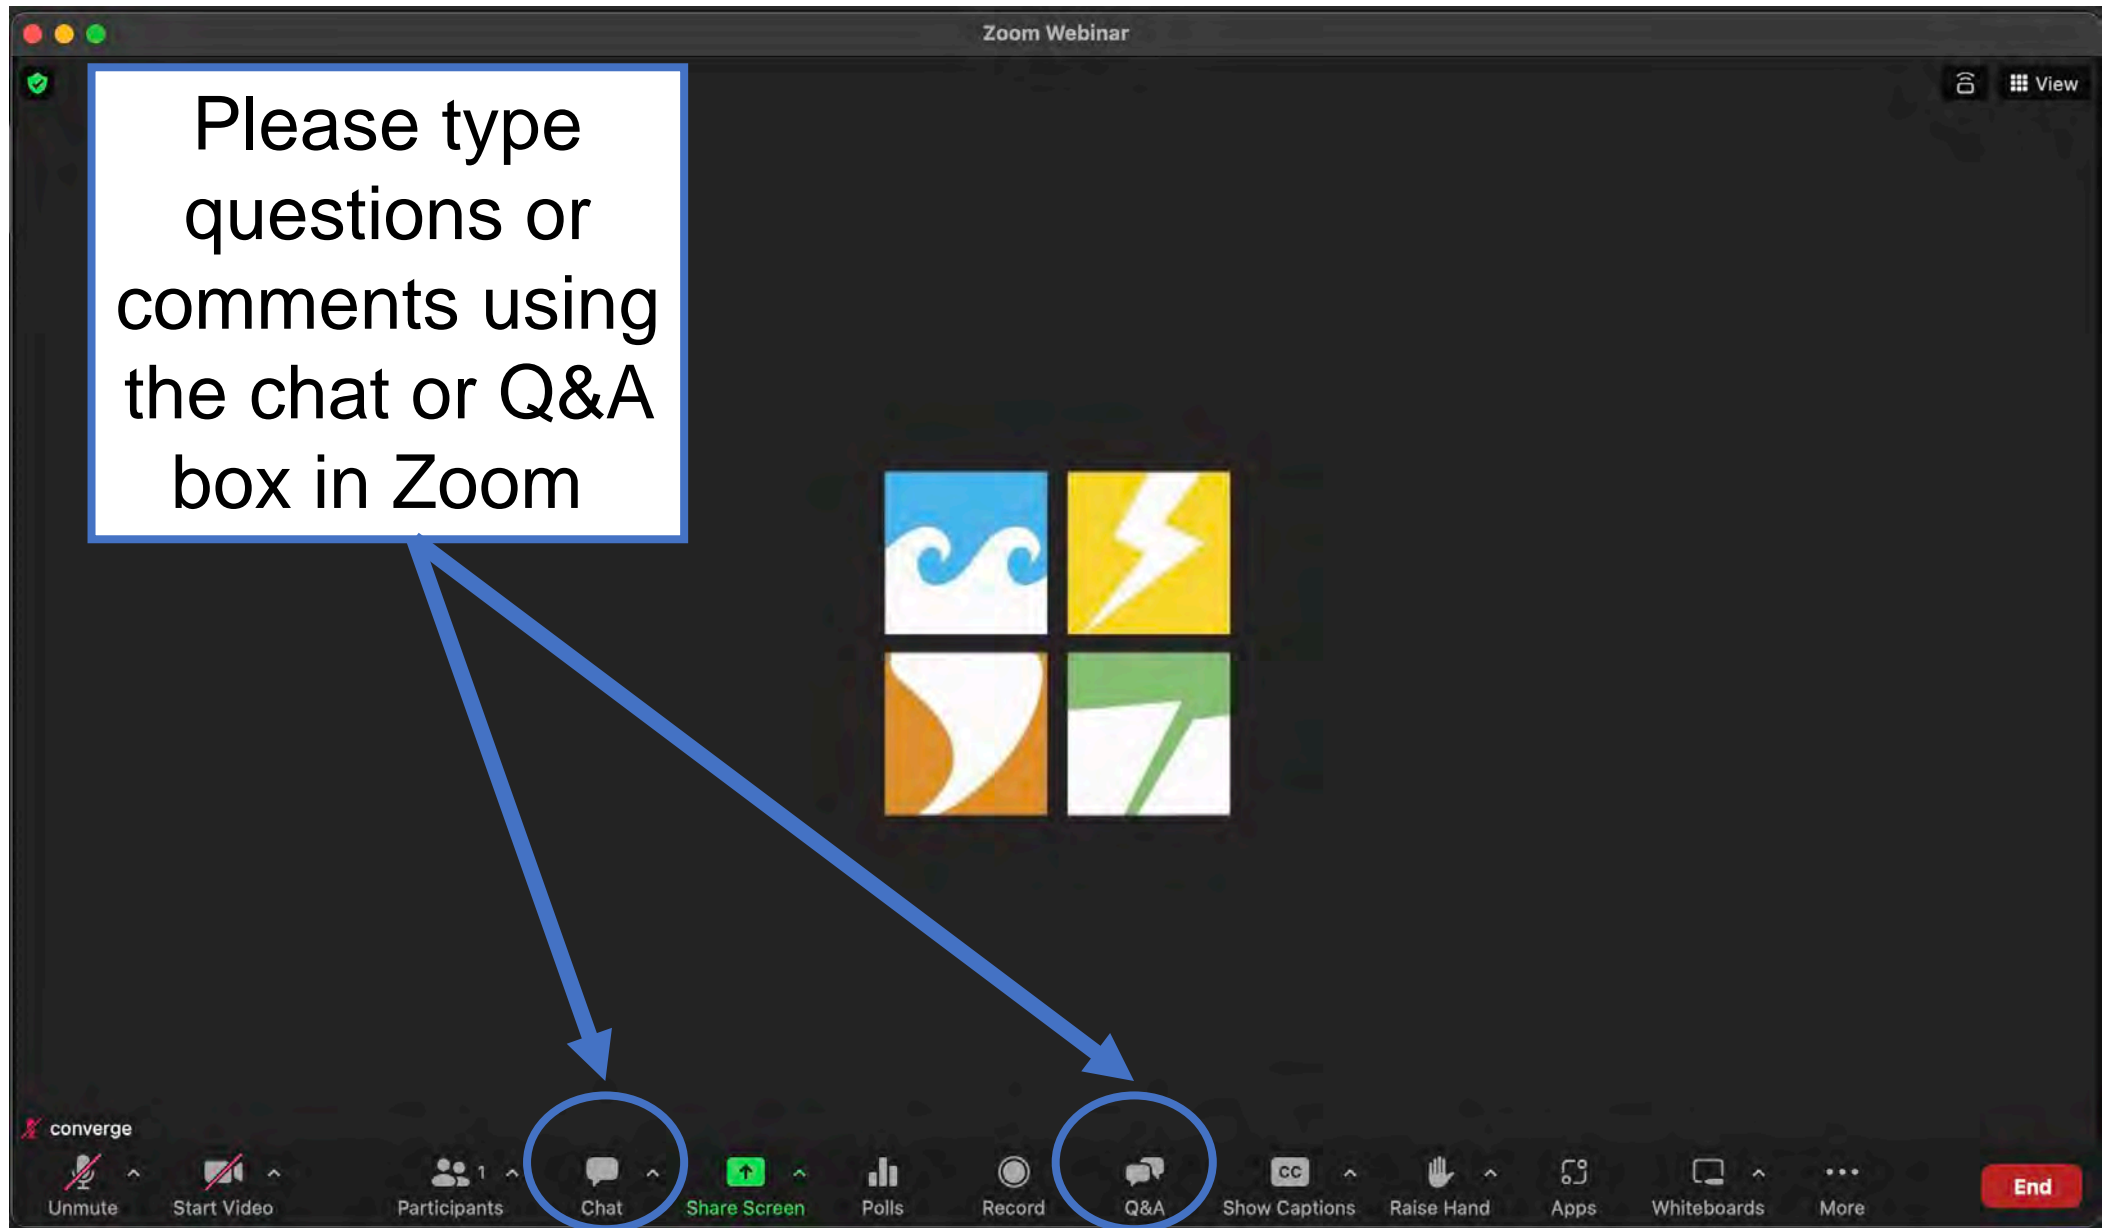

The captioned recording and presentation slides will be posted online at:

[hazards.colorado.edu/training/webinars/making-mitigation-work](https://hazards.colorado.edu/training/webinars/making-mitigation-work)

You can also find the previous webinar recordings on the Making Mitigation Work website under Past Event Recordings:

[hazards.colorado.edu/training/webinars/pastrecordings](https://hazards.colorado.edu/training/webinars/pastrecordings)

# Earn Continuing Education Credits!

If you attend this live webinar for its duration, please contact, Carson MacPherson-Krutsky ([hazctr@colorado.edu](mailto:hazctr@colorado.edu)) to receive your certificate of attendance.

Every webinar earns you 1 contact hour towards your Emergency Management training certification with IAEM!

Additional information is available at: [hazards.colorado.edu/training/webinars/continuing-education-credits](https://hazards.colorado.edu/training/webinars/continuing-education-credits)

# A Missing Ingredient: Adding Capacity to the Federal Vulnerability Mapping Mix

Federal climate vulnerability maps are used to identify and allocate billions of dollars to disadvantaged, at-risk, and in-need communities. While this is an important step in supporting these communities, this recent study found that such maps fail to identify those on the lower end of the capacity spectrum.

# Strengthening Hazard Mitigation in Under-Resourced Communities

**Tiffany Cousins**  
Virginia Tech

**Joseph Karanja**  
Arizona State University

**Patty Hernandez**  
Headwaters Economics

This webinar features speakers from **Headwaters Economics** and the **Bill Anderson Fund** who will discuss their study comparing the Council on Environmental Quality Climate and Economic Justice Screening Tool and the Federal Emergency Management Agency Community Disaster Resilience Zones with Headwaters Economics Rural Capacity Index.
