# Diversifying HayWired: Connecting with Marginalized Communities to Improve Risk Communication

Tuesday, August 9, 2022

11:00 to Noon MDT

The Diversifying HayWired Communication project brought together Bill Anderson Fund (BAF) Fellows with collaborators from the U.S. Geological Survey HayWired Earthquake Scenario, Stanford University, and the Natural Hazards Center to connect with marginalized communities in the Bay Area that are likely to face disproportionate impacts from a large earthquake.
