CONVERGE

# Today's forum is being recorded.

The captioned recording and presentation slides will be posted online at:

[hazards.colorado.edu/training/webinars/making-mitigation-work](https://hazards.colorado.edu/training/webinars/making-mitigation-work)

You can also find the previous webinar recordings on the Making Mitigation Work website under Past Event Recordings:

[hazards.colorado.edu/training/webinars/pastrecordings](https://hazards.colorado.edu/training/webinars/pastrecordings)

University of Colorado Boulder

Please type questions or comments using the chat or Q&A box in Zoom

The screenshot shows a Zoom meeting interface. At the top, a 'Talking:' bar is visible. Below it, a list of participants includes 'Test' and 'Lori Peek'. A meeting URL is displayed: <https://cuboulder.zoom.us/webinar/register/e6623c07a9ddc868d74f>, with a 'Copy URL' link. The 'Participant ID' is 45. Three icons are highlighted with red boxes: 'Join Audio' (headphones), 'Share' (document with arrows), and 'Invite Others' (person with plus sign). At the bottom, a toolbar contains icons for 'Participants' (1), 'Q&A', 'Polls', 'Share', 'Chat', 'Record', and 'More'. A red 'End Meeting' button is on the far right. Two blue arrows originate from the text box: one points to the 'Q&A' icon in the toolbar, and the other points to the 'Chat' icon in the toolbar.

# Earn Continuing Education Credits (CECs)

If you attend this live webinar for its duration, please contact, Katie Murphy ([hazctr@colorado.edu](mailto:hazctr@colorado.edu)) to receive your certificate of attendance. Additional information about how to apply this webinar towards your AEM or CEM are available at: [hazards.colorado.edu/training/webinars/continuing-education-credits](https://hazards.colorado.edu/training/webinars/continuing-education-credits)

*Every webinar earns you 1 contact hour towards your Emergency Management training certification with IAEM!*

# Research with Impact: Improving Mitigation Practice and Increasing Community Resilience

The next generation of hazards and disaster leaders are advancing the research needed to improve mitigation practice and increase community resilience. From issues of equity to ensuring neighborhoods know their risk, the early career professionals in this webinar will showcase their work and the impacts they hope to achieve.

The webinar will feature a series of short presentations by [Bill Anderson Fund](#) fellows from a variety of disciplinary backgrounds. Each presenter will have 20 slides and seven minutes to share the story of their work. The remaining time will be dedicated to audience questions and comments. Please join us to engage with these promising scholars and next generation leaders.

The screenshot shows the website [hazards.colorado.edu](https://hazards.colorado.edu). The header includes the logo for the Natural Hazards Center and a navigation menu with links: ABOUT US, PUBLICATIONS, TRAINING, WORKSHOP, AWARD PROGRAMS, RESEARCH, RESOURCES, and MY NHC. A dropdown menu is open, displaying the following categories: OUR CENTER (Vision and Mission, Advisory Board, How to Contribute, In the News), OUR PEOPLE (Center Staff, Directors 1976-Present, In Residence, Research Affiliates), and OUR AWARDS (Mary Fran Myers Scholarship, Student Paper Competition, Mary Fran Myers Gender and Disaster Award, Disability and Disasters Award). There is also a 'Press/Contact Us' section with a 'Subscribe' button. At the bottom of the dropdown, there are two radio button options: 'Send Research Awards Program Updates' (selected) and 'Don't Send Research Awards Program Updates'. The background of the website shows a landscape with a helicopter flying over a valley.
