Every webinar earns you 1 contact hour towards your Emergency Management training certification with IAEM!

Additional information is available at: hazards.colorado.edu/training/webinars/continuing-education-credits

Rethinking Housing Resilience: Lessons from Post-Disaster Research and a Way Forward

This presentation will share insights from years of post-disaster observations, exploring the resiliency of homes to climate hazards. We will learn about the policy, regulatory, and market forces shaping housing resilience and how society can shift focus from disaster response to proactive risk mitigation amid compounding threats.
