

SIMONE DOMINGUE
Simone.Domingue@Colorado.edu
337-322-8911

Education

University of Colorado at Boulder, 2015- present

- Ph.D. Student in Sociology

Louisiana State University, 2015

- M.S. Environmental Sciences
- Thesis: “Toxic Landscapes, Environmental Justice, and the Community: An Assessment of Citizen Participation in Superfund Site Remediation across Vulnerable Populations” **Received Joseph D. Martinez Memorial Award**

Mississippi State University, 2012

- B.S. Food Science, Health Promotion, and Nutrition

Research Interests

Sociology of hazards and disasters, environmental justice, climate change adaptation, community resilience to hazards, social vulnerability

Research and Professional Experience

Graduate Research Assistant Natural Hazards Center, 2016- present

- Assisted in the preparation of the Association of State Floodplain Managers 2017 Report, including quantitative data analysis
- Assisted in the preparation of a return on investment study of FEMA’s Whole Community Approach to Emergency Management
- Compiled database and Analysis of NHC Quick Response grants
- Compiled database of disaster and social vulnerability data

Managing Editor, *Natural Hazards Review*, Fall 2016-2017.

Graduate Research Assistant Louisiana State University, Department of Environmental Sciences, 2014

- Assisted with data collection and analysis for the following grants:
 - Coastal Protection and Restoration Authority (CPRA) “Coastal Community Resilience Program Development and Assessment” PI, Margaret Reams

- National Institute of Environmental Health Sciences (NIEHS) “LSU Superfund Research Center - Environmentally Persistent Free Radicals” PI, Berry Dellinger

Teaching Experience

Graduate Teaching Assistant

- Food and Society, Fall 2015
- Global Human Ecology, Fall 2015
- Introduction to Environmental Science, 2013-2014
