State and Local Hazard Mitigation Planning

A2. Does the Plan document an opportunity for neighboring communities, local and regional agencies involved in hazard mitigation activities, agencies that have the authority to regulate development as well as other interests **to be involved** in the planning process? (Requirement §201.6(b)(2))

A3. Does the Plan document **how the public was involved** in the planning process during the drafting stage? (Requirement §201.6(b)(1))

B1. Does the Plan include **a description** of the type, location, and extent of all natural hazards that can affect each jurisdiction(s)? (Requirement §201.6(c)(2)(i))

B3. Is there a description of **each identified hazard's impact** on the community as well as an overall summary of the community's **vulnerability for each jurisdiction**? (Requirement §201.6(c)(2)(ii))

C4. Does the Plan identify and analyze a comprehensive range of **specific mitigation actions and projects for each jurisdiction** being considered to reduce the effects of hazards, with emphasis on new and existing buildings and infrastructure? (Requirement §201.6(c)(3)(ii))
